DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

EEE Sports Club

ANNUAL SPORTS REPORT

Academic Year 2025–2026

1. Introduction

The Department of Electrical and Electronics Engineering organized and encouraged various sports activities during the academic year 2025–2026 to promote physical fitness, teamwork, sportsmanship, leadership qualities, and healthy competition among students. Various indoor and outdoor events were conducted for both boys and girls, providing opportunities to participate and demonstrate their sporting talents.

2. Objectives

- To promote physical fitness and a healthy lifestyle among students.
- To encourage teamwork, coordination, leadership, and discipline.
- To develop sportsmanship and a healthy competitive spirit.
- To provide opportunities for students to showcase their sporting talents.
- To encourage active participation in extracurricular activities.

3. Sports Events Conducted

The following sports events were conducted/organized during the academic year 2025–2026:

S. No.	Sports Event	Category
1	Cricket	Boys
2	Throw Ball	Girls
3	Volleyball	Boys & Girls
4	Kabaddi	Boys & Girls
5	Kho-Kho	Boys & Girls
