To Whom it May Concern,

The Scholarship Committee of the Society of Women Engineers (SWE), would like to inform your university of a scholarship program for students in India who **identify as women** and are **pursuing engineering degrees**. The motivation behind this scholarship program is to encourage more women in India to pursue higher education and careers in various branches of engineering.

This scholarship will be awarded to **10 students** studying engineering disciplines at universities across India and the award amount is **INR 70,000** for each awardee. This scholarship is open to women at both the undergraduate (Bachelors) and post-graduate (Masters and PhD) levels. You can confirm your institution's eligibility using [this link](#).

The scholarship application is now **LIVE!**

All applications must be submitted by **January 23, 2024 at 11:30 PM IST**

We request your help in distributing our scholarship information at engineering departments in your university to invite applicants to apply. See more information about the scholarship on our website: <https://swe.org/scholarships/>

Attached with this email is our flyer that we would like your help in distributing.

Thank you very much for your help in this initiative. Please let us know if you would like additional information.
