Three Days Hands – On Workshop on “A Comprehensive Introduction to AI/Machine Learning/Data Science for Second Year AI&DS and CS (DS) Students “

A three-day workshop on "Comprehensive Introduction to AI, Machine Learning, and Data Science" was successfully conducted for second-year students of Artificial Intelligence and Data Science, as well as Computer Science Engineering (Data Science) at Annamacharya Institute of Technology and Sciences, Rajampet, from August 29th to 31st, 2024. The workshop provided students with a deep understanding of how AI, infused with Data Science and Machine Learning, is transforming various sectors. Hands-on sessions were conducted, allowing students to explore AI tools and their applications in predicting plant health, weather reports, digital information management, and banking apps. The workshop was graced by guest lecturers from SKYED Technologies, Vishakhapatnam, including Mrs. SnehaLatha Reddy and Mr. Dinesh. The event was coordinated by Dr. P. Phanindra Kumar Reddy, HOD AI&DS, with support from Program Coordinator Mr. B. Venkatesh Goud, Assistant Professor

A blood donation camp was organized at Annamacharya University, in collaboration with Central Tax Department, NCC and Red Cross Society.

Following the event, the college's Vice Chairman, Choppa Ellareddy, praised the students for their significant participation, emphasizing that donating blood can save lives in emergency situations. He highlighted the importance of such initiatives and encouraged everyone to contribute to saving lives by donating blood. Principal Dr. S.M.V. Narayana also spoke on the occasion, noting that donating blood is beneficial for one's health and that there are no adverse effects from doing so. He urged the youth to donate blood freely to help those in need. The event also saw the participation of NSS Coordinator Dr. L. Obulapathi, Physical Director Dr. B. Nagamuni, NSS Caretaker Officer N. Deepthi, faculty members, and students.

A blood donation camp was organized at Annamacharya University, Rajampet, on Thursday under the supervision of the Central Tax Department, in. The event was attended by V. Venkatesh, IRS, Assistant Commissioner of Central Tax, B. Shyamasundar Raju, Inspector, B. Srinivasulu, Inspector, G. Manikantha, HP Engineer, Kadapa District, and G. Shivashankar Reddy and Dr. S.K. Ansar Basha from the Red Cross Society. Students of Annamacharya University participated enthusiastically in the camp, resulting in the collection of 102 units of blood

Guest Lecture in Civil Engineering Department on 3S Prefab Building Systems

A guest lecture was organized by the Civil Engineering Department at Annamacharya Engineering College on the topic of "3S Prefab Building Systems." The lecture was delivered by J. Kranti Kumar Reddy, Executive Engineer, and CPWD. During the session, he explained in detail how the construction of NIT Tadepalligudem College was carried out using the 3S Prefab Building System, through a paper presentation and video demonstration. He also provided guidance on how to achieve high ranks in exams like ESE and GATE

Following this, the college principal, Dr. S.M.V. Narayana, encouraged students to learn about new construction methods and advised them to work hard and aim for top ranks in engineering services, just like Kranti Kumar Reddy. The event was attended by the Head of the Civil Engineering Department, Dr. T. Naresh Kumar, program coordinator B. Raghunath Reddy, faculty members, and students.

Three Days Workshop on “A Comprehensive Introduction to AI/ Machine Learning/ Data Science”

A three-day workshop on Artificial Intelligence and Machine Learning was held at Annamacharya University, Rajampet, which concluded on Thursday. Trainers Sneha Iatha Reddy and Dinesh from Skyd Technologies were the chief guests of the event. They provided a concise explanation of how Artificial Intelligence is evolving in the current era through Data Science and Machine Learning. Additionally, students were given hands-on practical sessions using AI tools powered by Data Science. The seminar also covered applications like plant health in agriculture, weather prediction, digital information management, banking applications, and data storage. The event was attended by Annamacharya University Registrar N. Mallikarjuna Rao, College Principal Dr. S.M.V. Narayana, Vice Chairman Choppa Yella Reddy, CSE HOD Dr. M. Subbarao, Coordinator B. Navin Kumar, faculty members, and students.

MoU With Kaptius

During the signing ceremony, Havish Kolchina, Head of Service Delivery at Kaptius Hyderabad, emphasized that ServiceNow delivers tailored solutions in areas including startup support, pre-placement training, advisory services, go-to-market strategies, social and digital marketing, and investment fundraising. "Our mission is to build what we create, driving workflows through a dedicated team of leaders. This initiative fosters innovation, entrepreneurship, and capability building within the student community, preparing them for high-paying employment opportunities," Kolchina stated.

Dr. N. Mallikarjuna, Registrar of Annamacharya University, highlighted that this partnership significantly boosts students' employability by equipping them with critical technological competencies. The Principal of AITS announced that the university plans to collaborate with numerous companies in the near future to further enhance student development. Dr. C. Gangi Reddy and Sri C. Abhishek Reddy extended their congratulations to the faculty and students for this milestone achievement.

Annamacharya University, Rajampet, has formalized a strategic partnership with Kaptius India Private Limited, a leading multinational corporation. This collaboration aims to integrate cutting-edge technology into the university's curriculum, focusing on enhancing service offerings in management, software, and technological solutions to multinational corporations. Through this initiative, students will gain the necessary skills to thrive in cloud-based companies and other organizations utilizing ServiceNow, streamlining workflow processes effectively.

Orientation Programme 2024 For I B.Tech Students

Annamacharya University recently organized an Orientation Programme for the 2024 batch of I B.Tech students. The event, graced by the presence of Dr. Choppa Gangi Reddy, Chancellor of Annamacharya University, served as a formal welcome to the new students, marking the beginning of their academic journey. The program was designed to familiarize the students with the university's values, academic structure, and the resources available to them throughout their studies. Faculty members and other dignitaries also took part in the event, emphasizing the importance of discipline, hard work, and the pursuit of excellence.

Dr. Choppa Gangi Reddy, the chief guest, delivered an inspiring speech encouraging students to make the most of their time at the university by actively engaging in both academic and extracurricular activities. He stressed the significance of building a strong foundation during the B.Tech course to ensure success in their future careers. The orientation aimed not only to guide the students academically but also to motivate them to become innovative engineers who will contribute positively to society.

Plantation by Annamacharya University NCC Girls

Under the auspices of Annamacharya University, a tree planting program was organized by the NCC Unit of Rajampet with the motto "Vriksho Rakshati Rakshitah" (The tree protects those who protect it). The event was graced by Dr. S. M. V. Narayana, Principal of Annamacharya University, who attended as the chief guest. Other notable attendees included G. Ramesh Kumar Reddy, Principal of Sri Gangireddy Degree College, Dr. B. Nagamuni, Physical Director of Annamacharya University, AITS NCC Caretaker Officer, N. Deepthi, and AITS Assistant PD, S. Saifulla, along with NCC students.

The program highlighted the importance of environmental conservation and the crucial role that trees play in maintaining ecological balance. The participants, including students and faculty, actively took part in planting saplings across the campus, reflecting their commitment to preserving nature. The initiative aimed to instill a sense of responsibility among students towards environmental protection and sustainable development.

Annamacharya University MOU with Switzerland University (Zurich)

Mr. C. Abhishek Reddy, the Pro-Chancellor of Annamacharya University, recently visited the University of Zurich Switzerland to strengthen international collaboration. During his tour of the University of Zurich's campus, he engaged in discussions focused on forming a Memorandum of Understanding (MoU) between the two Universities. The University of Zurich, renowned for its academic excellence and holding a prestigious QS World Ranking of 90, represents a key partner in this potential collaboration.

The MoU, once formalized, will pave the way for the exchange of students, fostering a cross-cultural academic experience. Both universities aim to promote the transfer of research, enhancing their collective knowledge and expertise across various fields. Faculty interchange is also a highlight of this potential agreement, allowing educators and researchers to collaborate on groundbreaking projects and share best practices in teaching and research.

This partnership is expected to elevate Annamacharya University's global profile, offering its students access to world-class education and research opportunities. The collaboration will also help strengthen Annamacharya University's academic programs, bringing in international perspectives and research methodologies. This potential agreement reflects both universities' commitment to academic excellence and innovation on a global scale

INDEPENDENCE DAY CELEBRATION

Grand Independence Day celebrations were held at Annamacharya University, Rajampet, on Thursday in honor of the 78th Independence Day. The event was graced by the University Chairman, Dr. C. Ramachandra Reddy, who attended as the chief guest. In his address, Dr. Reddy highlighted the significant progress India has made in various fields since gaining independence, transforming into a powerful nation on the global stage. He reminded everyone that the freedom we enjoy today is a result of the sacrifices made by our freedom fighters.

During the event, Dr. Ramachandra Reddy awarded prizes to students and faculty members who excelled in the oratory, essay writing, and sports competitions held at the college. He encouraged everyone present to honor the freedom fighters by proudly hoisting the national flag at their homes. College Principal Dr. S.M.V. Narayana also addressed the gathering, urging the youth to foster a sense of patriotism and contribute to the development of India, aiming to elevate the nation to the highest ranks globally. The celebration was attended by Annamacharya University Registrar Dr. N. Mallikarjuna Rao, principals of Annamacharya institutions including Dr. D. Swarnalatha, Dr. D.J. Samathanaidu, Dr. B. Jayaramireddy, G. Ramesh Kumar Reddy, deans, heads of various departments, Physical Directors Dr. B. Nagamuni, Assistant Physical Director S. Saifulla, Administrative Officer Nooka Subbareddy, faculty members, non-teaching staff, and students.

WORLD RIVER'S DAY

World Rivers Day is celebrated to highlight the importance of rivers and promote their conservation. On this occasion, NCC students from Annamacharya University actively participated in a river cleanup drive at the Cheyyeru River near Nanduluru. Their efforts aimed at raising awareness about preserving water bodies and maintaining the cleanliness of the local environment. The students worked diligently to remove waste and pollutants from the riverbank, contributing to the health of the ecosystem. This initiative also underscored the importance of community involvement in protecting natural resources for future generations.

Gandhi Jayanti Celebrations at Annamacharya University on 02.10.2024

On Tuesday, Annamacharya University, Rajampet, celebrated the birth anniversary of Mahatma Gandhi, the great leader who brought independence to India and is revered as the Father of the Nation. The event was held with grandeur, remembering Gandhi's life principles and the values that serve as an inspiration to all. On this occasion, the Touchstone department organized essay writing competitions for university students on the topic of Mahatma Gandhi's lifestyle and his profound thoughts.

In these competitions, P. Venkata Deepthi from the third year of CSE won the first prize, I. Madhuvani from the first year of MCA secured the second prize, and R. Sazia from the first year of CSE (AIML) won the third prize. The prizes were distributed to the winners by the college Principal, Dr. S.M.V. Narayana. On this occasion, the college Vice Chairman, Choppa Ellareddy, praised Mahatma Gandhi, stating that his life is an inspiration for everyone, and he dedicated his life to the nation.

Following this, the Principal, Dr. S.M.V. Narayana, mentioned that Gandhi used non-violence as a powerful weapon to drive the British out of India. The event was attended by University Registrar, Dr. N. Mallikarjuna Rao, Head of H&S Department, Dr. B. Balanagendra Prasad, Touchstone Coordinator, P. Vijay Kumar, faculty members, and students.

Essence of Clouds

On 28th September 2024, Annamacharya University hosted an expert talk on the "Essence of Clouds" by T. Maheedhar, from Tech Mahindra, Hyderabad, organized by the Department of Artificial Intelligence & Machine Learning. The session covered various key aspects of cloud computing, including public, private, and hybrid cloud models. Public cloud platforms like AWS, Azure, Google Cloud, and Oracle were discussed, along with cloud services such as Infrastructure as a Service (IaaS), Platform as a Service (PaaS), and Software as a Service (SaaS).

The talk also delved into AWS fundamentals, highlighting concepts like data centers, availability zones, regions, and the importance of high availability and disaster recovery. Attendees gained insights into AWS services like EC2, VPC, S3, RDS, and IAM. Additionally, containerization and DevOps practices were introduced, with a focus on source code management tools such as Git and GitLab, packaging tools like Maven and Ant, and CI/CD tools like Jenkins and AWS CICD.

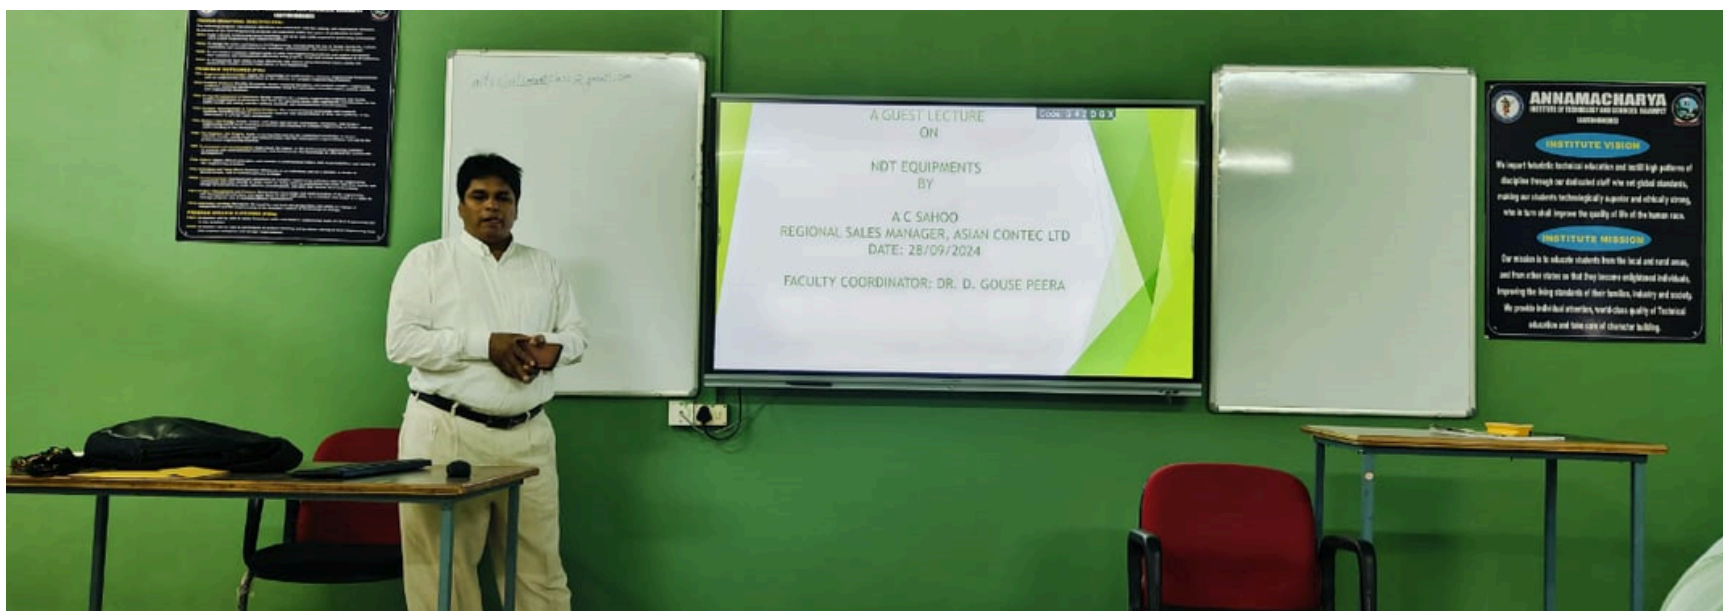

The session concluded with an overview of infrastructure management and creation tools, emphasizing the evolving landscape of cloud technologies.

Seminar on Non-Destructive Testing of Concrete Structures Held at Annamacharya University.

A seminar on "Non-Destructive Testing of Concrete Structures and their Equipment" was conducted in the Civil Engineering Department of Annamacharya University on Monday. The seminar was led by A.C. Sahu, Manager at Asian Contec Limited, New Delhi. He explained that these testing tools help identify voids in concrete, surface cracks, and the overall strength of the material. Additionally, they can be used to detect corrosion in reinforcement bars and assess the concrete cover. The college principal, Dr. S.M.V. Narayana, emphasized the importance of these tools in understanding the condition of concrete structures. The seminar was attended by the Head of the Civil Engineering Department, Dr. T. Naresh Kumar, faculty members Dr. D. Ghouse Peer, Raghunath Reddy, Ashraf Ali, Hanif, and students.

Kadapa Sevaratna Award for Annamacharya University Students

The University Chancellor Dr. Choppa Gangireddy, Pro-Chancellor C. Abhishek Reddy, Vice Chairman Choppa Ellareddy, Registrar Dr. N. Mallikarjuna Rao, and Principal Dr. S.M.V. Narayana appreciated the students' work and encouraged all students to actively participate in such service activities, emphasizing their responsibility towards society. They expressed joy on behalf of Annamacharya University for this accomplishment.

The students from the EEE Department of Annamacharya University were honored with the Kadapa Sevaratna Award by Sri Venkata Lakshmi Charitable Trust, Kadapa, in recognition of their outstanding contributions to social service. The students who received the award are Sri V. Nithin Reddy, Smt. B. Jahanabi, and Sri A. Venu Kumar. They have been actively involved in social work through the organization We Are With You, helping the poor, orphans, and those in need.

Recognizing their exceptional efforts, Sri Venkata Lakshmi Charitable Trust felicitated them for their dedication. Their service has become an inspiration to the youth, and the university expressed its pride in their work. The Head of the EEE Department, Dr. M. Padma Lalitha, and Dr. Pasala Gopi congratulated the students, stating that this award will further encourage young people to engage in social service.

Personality Development Program at Annamacharya University

A personality development program was conducted on Monday at Annamacharya University, Rajampet, for first-year B.Tech students of the 2024 batch. The program was led by movie hero, TV actor, director, and personality development trainer, KV Pradeep. During the event, he explained in detail methods that help students improve their creativity and skills by focusing their minds. He also introduced the concept of SWOT analysis to the students

Pradeep emphasized that gaining knowledge during student life is crucial as it will be beneficial in the future. He mentioned that the human brain has the ability to retain information and encouraged everyone to realize this potential. Through stories and personal experiences, he motivated students to think about essential qualities, goals, and the heights they should aim for in life. He also discussed the importance of innovation, self-confidence, concentration, leadership skills, and communication abilities for the current generation. By maintaining a lighthearted and humorous approach, he encouraged students to reflect on their future plans. He pointed out that skill and attitude are key factors that contribute to success in life.

Following this, University Chancellor Dr. Choppa Gangireddy spoke about how such unique programs, along with education, help students learn how to succeed in society. College Principal Dr. S.M.V. Narayana extended his congratulations to the B.Tech students for choosing the college. The event was also attended by Vice Chairman Choppa Ellareddy, University Registrar Dr. N. Mallikarjuna Rao, Dr. M. Subba Rao, Dean of Student Welfare, various department heads, and students."

Workshop on "Heating, Ventilation & Air Conditioning Systems"

A two-day workshop on “Heating, Ventilation, and Air Conditioning (HVAC) systems” was conducted by the Department of Mechanical engineering, Annamacharya University, Rajampet, on October 07th & 8th, 2024.

Mr. K. Raja Shekar, the founder and managing director of RITE Academy, participated as a prominent guest and discussed the future of HVAC systems.

In his keynote address, Mr. Shekar elaborated on the significance of HVAC systems in enhancing energy efficiency, indoor air quality, and comfort in buildings. He highlighted that well-designed HVAC systems can aid in sustainable development by reducing energy consumption and minimizing environmental impact.

Mr. Raja Shekar conducted a session on designing air conditioning systems for various applications including hospitals, industries, and shopping malls. He provided practical insights into the various aspects necessary for designing HVAC systems. He emphasized the importance of continuous learning and adaptation in this rapidly evolving field.

The program also included workshops and interactive sessions, allowing students and professionals to gain experience and insights from industry leaders. Mr. Shekar also discussed job opportunities in the heating and ventilation sector. The event was attended by Registrar, Dr. K. Mallikarjuna, Principal, Dr. S.M.V. Narayana, Head of the Mechanical Engineering Department Dr. A. Hemantha Kumar, faculty members and students
