## Kadapa Sevaratna Award for Annamacharya University Students

### III Year EEE Students Resaving Award from sri venkata lakshmi charitable trust Kadapa Andhra Pradesh

The students from the EEE Department of Annamacharya University were honored with the Kadapa Sevaratna Award by Sri Venkata Lakshmi Charitable Trust, Kadapa, in recognition of their outstanding contributions to social service. The students who received the award are Sri V. Nithin Reddy, Smt. B. Jahanabi, and Sri A. Venu Kumar. They have been actively involved in social work through the organization We Are With You, helping the poor, orphans, and those in need.

Recognizing their exceptional efforts, Sri Venkata Lakshmi Charitable Trust felicitated them for their dedication. Their service has become an inspiration to the youth, and the university expressed its pride in their work. The Head of the EEE Department, Dr. M. Padma Lalitha, and Dr. Pasala Gopi congratulated the students, stating that this award will further encourage young people to engage in social service.

The University Chancellor Dr. Choppa Gangireddy, Pro-Chancellor C. Abhishek Reddy, Vice Chairman Choppa Ellareddy, Registrar Dr. N. Mallikarjuna Rao, and Principal Dr. S.M.V. Narayana appreciated the students' work and encouraged all students to actively participate in such service activities, emphasizing their responsibility towards society. They expressed joy on behalf of Annamacharya University for this accomplishment.

Event Date: 31/09/2024

Event Organized: Sri Venkata Lakshmi Charitable Trust, Kadapa Andhra Pradesh

# Annamacharya University NCC Cadets Participate in Swachh Bharat Mission

## Girls Students of NCC Unit Annamacharya University

Rajampet, October 2, 2024: Demonstrating their commitment to community service and environmental sustainability, the National Cadet Corps (NCC) unit of Annamacharya University actively participated in a rally and cleanliness drive under the Swachh Bharat Mission at Thallapaka village.

The event began with a rally from the university to Thallapaka village, emphasizing cleanliness and civic responsibility. Following the rally, the NCC cadets conducted a thorough cleaning of the temple premises in Thallapaka, showcasing their dedication to preserving the environment and cultural heritage.

The program was led by NCC Coordinator Dr. B. Nagamuni, NCC Caretaker Officer N. Deepthi, and Physical Education Director Saifulla, who played a pivotal role in organizing and motivating the cadets to contribute to the noble cause.

Event Date: 02/10/2024

Event Organized: Annamacharya University NCC unit

# AI Foundations: Building the Future

## Two Days Workshop on AI Foundations: Building the Future

The Department of Artificial Intelligence and Machine Learning at Annamacharya Institute of Technology and Sciences, now Annamacharya University, organized a two-day workshop on "AI Foundations: Building the Future" on 4th and 5th October 2024. The workshop featured expert sessions by Ms. J. Durga, Microsoft Certified Trainer and Executive Director of Sri Vensy Technologies Pvt. Ltd., Tirupati, and Ms. T. Venkata Padmaja, Data Analyst at the same organization. The event aimed to provide participants with a strong foundation in artificial intelligence, focusing on its principles, methodologies, and transformative applications across various industries.

Through interactive discussions and hands-on exercises, the workshop covered essential AI concepts, including data analysis, machine learning fundamentals, and real-world implementation strategies. The program was designed to empower students with the knowledge and skills required to navigate the rapidly evolving AI landscape and contribute to innovation in the field. This initiative highlights the university's commitment to fostering a learning environment that bridges theoretical knowledge with practical expertise, preparing students for successful careers in the domain of Artificial Intelligence and Machine Learning.

Event Date: 4.10.2024 & 5.10.2024

Event Organized: Department of Artificial Intelligence and Machine Learning Annamacharya University

# One Day Workshop on Digital Defence the art and Science of Ethical Hacking.

## One Day Workshop on Digital Defence the art and Science of Ethical Hacking.

The Department of Computer Science and Engineering (CSE), Artificial Intelligence and Data Science (AIDS), and Artificial Intelligence and Machine Learning (AIML) at Annamacharya Institute of Technology and Sciences, now Annamacharya University, organized a one-day workshop on "Digital Defense: The Art and Science of Ethical Hacking" on 4th October 2024. The workshop was conducted by Mr. G. Bharath Kumar, CEO of Lyfaux Technologies. The session provided valuable insights into ethical hacking principles, digital security strategies, and practical techniques to safeguard systems against cyber threats. This event aimed to enhance participants' understanding of cybersecurity's crucial role in today's digital age.

Mr. Bharath Kumar shared his expertise on various aspects of ethical hacking, including penetration testing, vulnerability assessment, and real-time defense mechanisms. The workshop was designed to empower students with practical skills and a foundational understanding of ethical hacking, preparing them for challenges in the cybersecurity domain. By organizing such initiatives, the departments aim to bridge the gap between academic learning and industry demands, fostering a technically adept and future-ready generation of professionals.

Event Date: 4.10.2024

Event Organized: Department of Computer Science and Engineering Annamacharya University

# Emerging Trends in Machine Learning.

## Three-day workshop on "Emerging Trends in Machine Learning"

The Department of Computer Science and Engineering at Annamacharya Institute of Technology and Sciences, now Annamacharya University, organized a three-day workshop on "Emerging Trends in Machine Learning" from 7th to 9th October 2024. The workshop featured sessions conducted by Ms. J. Durga, a Microsoft Certified Trainer and Executive Director at Sri Vensy Technologies Pvt. Ltd., Tirupati, and Ms. T. Venkata Padmaja, a Data Analyst at the same organization. The event aimed to provide participants with an in-depth understanding of the latest advancements in machine learning, focusing on modern algorithms, practical applications, and industry trends.

Through interactive lectures and practical exercises, the workshop equipped students with the skills to explore cutting-edge machine learning methodologies and their applications in real-world scenarios. By hosting such events, the Department of Computer Science and Engineering emphasizes the importance of staying updated with technological advancements and prepares students to excel in the rapidly evolving field of machine learning. The initiative reflects the university's dedication to fostering innovation and technical expertise among its students.

Event Date: 7.10.2024 to 09.10.2024

Event Organized: Department of Computer Science and Engineering Annamacharya University

## Free Eye Check-up Camp at Annamacharya University organised by NSS-EEE

Annamacharya University, Rajampet, in collaboration with NSS and Dr. Agarwal's Eye Clinic, organized an awareness rally on Thursday to mark World Sight Day. Following the rally, free eye check-ups were conducted for students, along with necessary advice and recommendations. Dr. Santosh Agarwal from the Eye Clinic emphasized that vision impairments should not be neglected, as early medical consultation can prevent further complications. He advised students to seek medical advice at the initial stages of vision problems for better outcomes.

University Registrar Dr. N. Mallikarjuna Rao highlighted that consuming a nutritious diet can help prevent vision impairments. He expressed gratitude to the experts from Dr. Agarwal's Eye Clinic for their valuable advice and services. The event was graced by Vice Chairman Choppala Yella Reddy, Principal Dr. S.M.V. Narayana, NSS In-charge Dr. L. Obulapathi, EEE Department Head Dr. M. Padmalalitha, Dr. B.P. Chennayya, and EEE NSS In-charge T. Arun Kumar, along with faculty members and students who actively participated in the program.

Event Date: 10.10.2024

Event Organized: EEE Department, Annamacharya University

# Annamacharya University EEE Department Observes "No Iron Day"

## EEE Student on Iron Day

The Department of Electrical and Electronics Engineering at Annamacharya University organized a "No Iron Day," during which students and staff attended without ironing their clothes. The event aimed to create awareness among students about the importance of saving electricity.

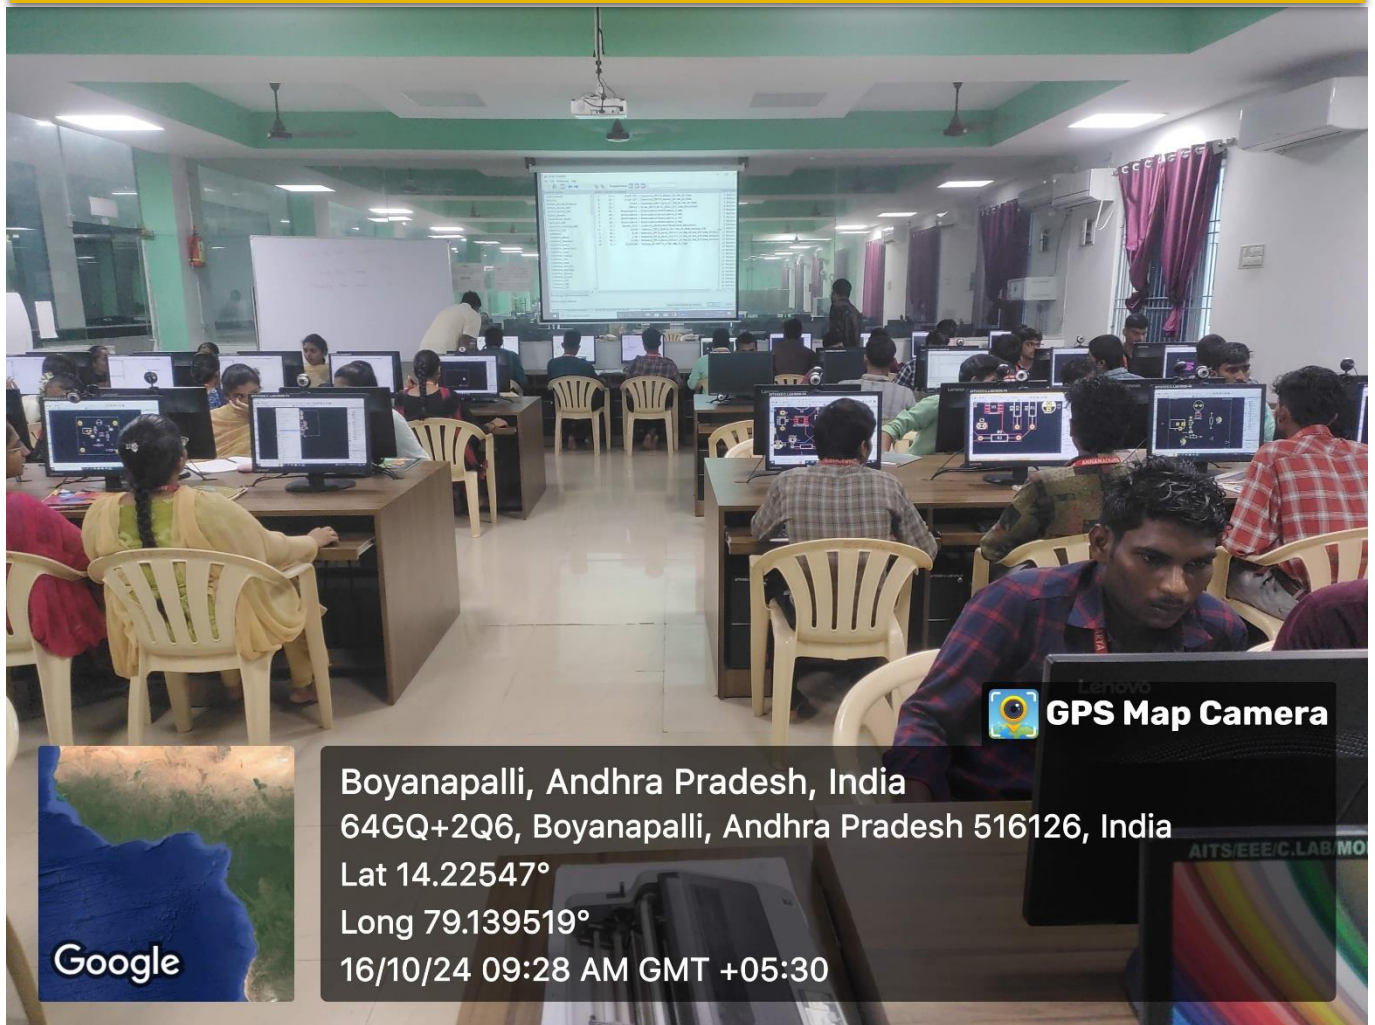

Chancellor Dr. C. Gangi Reddy, Pro-Chancellor Dr. C. Abhishek Reddy, Vice-Chairman C. Yella Reddy, Registrar Dr. N. Mallikarjuna Rao, Principal Dr. S.M.V. Narayana, and EEE Department Head Dr. M. Padma Lalitha appreciated the initiative. They emphasized that saving energy is everyone's responsibility to protect the planet. Their perspective highlighted that small changes in daily habits can significantly contribute to energy conservation and environmental protection.

Event Date: 21.10.2024

Event Organized: EEE Department, Annamacharya University

# PCB Designing and Fabrication.

## One Day workshop on PCB Designing and Fabrication

The Department of Electrical and Electronics Engineering at Annamacharya University, Rajampet, organized a one-week workshop on "PCB Designing and Fabrication" from 21st October 2024, exclusively for third-year EEE students. The workshop was conducted in collaboration with STEMTEC, Chennai, a reputed organization known for its expertise in electronics training. The program aimed to equip students with practical skills in Printed Circuit Board (PCB) designing and fabrication, focusing on technical and industry-relevant knowledge.

Throughout the workshop, students actively participated in hands-on sessions covering the design, fabrication, and testing of PCBs. Experts from STEMTEC emphasized the importance of PCB technology in modern electrical and electronic systems, enhancing the students' understanding of real-world applications. This initiative demonstrated the department's commitment to providing experiential learning opportunities and preparing students for professional challenges in the field of electrical and electronics engineering.

Event Date: 21.10.2024

Event Organized: EEE Department, Annamacharya University

# Ethical Entrepreneurship: Challenges and Solutions.

The Department of Computer Science and Engineering, in collaboration with the Entrepreneur Development Cell at Annamacharya Institute of Technology and Sciences (AITS), now Annamacharya University, organized a guest lecture on "Ethical Entrepreneurship: Challenges and Solutions" on 22nd October 2024. The session was delivered by Dr. T. Sreenivas, a distinguished Professor and Dean from the Department of Business Management at Yogi Vemana University, Kadapa. Dr. Sreenivas shared his deep insights into the ethical aspects of entrepreneurship, emphasizing the importance of integrity and responsibility in building sustainable business practices.

The lecture covered various topics, including the challenges faced by entrepreneurs in adhering to ethical standards and practical strategies for overcoming these challenges while maintaining business success. Students and faculty gained valuable perspectives on fostering ethical decision-making and innovation in the entrepreneurial landscape. This event reflected the university's commitment to nurturing future leaders equipped with strong moral and ethical values, ensuring their readiness to address real-world challenges in a dynamic business environment.

Event Date: 22.10.2024

Event Organized: Department of Computer Science and Engineering Annamacharya University

# One-Week Hands-on Workshop on "Basic Electronics"

## One-week hands-on workshop on "Basic Electronics"

The Department of Electronics and Communication Engineering at Annamacharya Institute of Technology & Sciences (now Annamacharya University) is organizing a one-week hands-on workshop on "Basic Electronics" from 22nd to 26th October 2024. The workshop, held in the ECE Computer Lab, aims to provide foundational knowledge and practical exposure to core concepts in electronics. It is supported by Virtual Labs, an MHRD Government of India initiative, and designed to enhance the understanding of basic electronic components and circuits through hands-on activities. This workshop offers an excellent opportunity for students to gain practical skills and build a strong technical base in electronics, essential for advanced learning and industry readiness.

The event is guided by the Chief Patrons, including Dr. C. Gangi Reddy, Hon. Secretary of AET, and Dr. S.M.V. Narayana, Principal of AITS, Rajampet. The program is convened by Dr. M. Subba Rao, Dean of Student Affairs, and Dr. CH. Nagaraju, Professor and HOD of ECE. Technical coordination is led by Dr. Fahimuddin Shaik, Dr. C. Venkatesh, B. Umakanth, K. Chandrasa Reddy, and P. Ramesh Babu, all faculty members from the ECE Department. Dr. K. Riyazuddin, Associate Professor, serves as the organizing secretary, supported by the organizing committee comprising all faculty members of the ECE Department. This initiative reflects the institution's dedication to fostering technical excellence and practical learning among students.

Event Date: 22.10.2024

Event Organized: Department of Electronics and Communication Engineering Annamacharya University

## Workshop on "Amazon Web Services"

### Three-Day workshop on “Amazon Web Services”

A three-day workshop on “Amazon Web Services (AWS)” was conducted by Annamacharya University Rajampet, From MCA Department, on October 28<sup>th</sup> to 30<sup>th</sup>, 2024. The event featured key guest, CH. Gopi Raju APSSDC Trainer. He shared their expertise on the importance of AWS CLOUD in various fields such as Information Technology (IT), Healthcare, Education, Media and Entertainment, Startups, Scientific Research

During the workshop, students received practical training on AWS services and tools. They gained hands-on experience in developing AWS-related projects in areas such as mobile applications, automation tools. In addition to acquiring technical skills, students learned how to apply AWS Services to solve real-world problems, enhancing their competitive skills and preparing them for future technological advancements.

The program provided students with an excellent opportunity to explore the future of technology and equip themselves for high-level technological developments in the industry.

Event Date: 28.10.2024

Event Organized: Department of MCA, Annamacharya University

## Special Program on "Successful Teaching-Learning & Research Practices" at Annamacharya University

### **Successful Teaching-Learning & Research Practices by Professor Y.V.S.S.S.V. Prasada Rao**

Annamacharya University, Rajampet, organized a grand special program titled "Successful Teaching-Learning & Research Practices." The event was attended by the university's Chancellor, Dr. C. Gangi Reddy, Pro-Chancellor, Mr. C. Abhishek Reddy, Registrar, Dr. N. Mallikarjuna Rao, along with Deans, Heads of Departments (HODs), and the teaching faculty.

The chief guest for the program was Professor Y.V.S.S.S.V. Prasada Rao, Director of Vignana Bharathi Institute of Technology (VBIT), Hyderabad. Addressing the gathering, Professor Prasada Rao delivered an inspiring talk on "Successful Teaching-Learning." He emphasized, *"Teachers are the architects of students' futures. They should transform from mere instructors to motivators. Modern teaching methods like design thinking and blended learning are essential for enhancing teaching effectiveness. Teachers must focus not only on imparting knowledge but also on fostering students' skills and critical thinking."*

#### **Insights from Leadership:**

Chancellor Dr. C. Gangi Reddy highlighted the importance of such programs in improving the educational standards of the university. Pro-Chancellor Mr. C. Abhishek Reddy urged teachers to take the lead in adopting innovative practices in teaching-learning processes. Registrar Dr. N. Mallikarjuna Rao stressed the necessity of these programs to shape a brighter future for students.

The event witnessed active participation from Deans, HODs, and faculty members, who shared their experiences and engaged in discussions on the use of modern technology and innovative teaching methods. Dedicated to Dr. Sarvepalli Radhakrishnan, the program not only paved new pathways for the university's academic endeavors but also served as a source of inspiration for the faculty.

**Event Date: 11.11.2024**

**Event Organized: Annamacharya University**

## Tesla T10" Cricket Tournament Successfully Concludes at Annamacharya University.

### Tesla T10 Cricket Champions

The Electrical and Electronics Engineering (EEE) Department of Annamacharya University successfully organized the "Tesla T10" Cricket Tournament, which commenced on November 6, 2024. The tournament witnessed enthusiastic participation from 10 teams, with "Voltage Vikings" emerging as the champions in the final match. The event showcased a spirit of sportsmanship and collaboration among students.

The coordination committee, comprising Mr. Ramesh, Mr. Mahesh, Physical Directors Dr. Nagamuni, and Mr. Shafiullah, played a vital role in organizing the event seamlessly. Dr. M. Padma Lalitha, Head of the EEE Department, congratulated the students and faculty for their efforts in making the event a grand success. University Chancellor Dr. C. Gangi Reddy, Pro-Chancellor Dr. C. Abhishek Reddy, Vice-Chairman C. Yella Reddy, Registrar Dr. N. Mallikarjuna Rao, and Principal Dr. S.M.V. Narayana lauded the winners and emphasized that such extracurricular activities contribute significantly to the holistic development of students.

The EEE Department expressed immense satisfaction with the enthusiastic response to the tournament and announced plans to organize more vibrant events in the future, further fostering student engagement and growth.

Event Date: 21.10.2024

Event Organized: EEE Department, Annamacharya University

## Anti-Drug Awareness Program Successfully Organized at Annamacharya University, Rajampet

### Anti-Drug Awareness Program by Excise Circle Inspector Mallika Madam

The NSS unit of Annamacharya University, Rajampet, successfully organized an *Anti-Drug Awareness Program* today. The event was graced by *Excise Circle Inspector Mallika Madam* as the chief guest. In her address, Mallika Madam highlighted the detrimental effects of drug usage on personal, family, and social life. She urged the youth to lead a healthy lifestyle and stay away from drugs. She emphasized that combating the menace of drugs requires legal measures, public participation, and collective societal efforts to achieve a drug-free community.

*Principal of Annamacharya Institute of Technology and Sciences (AITS), S.M.V. Narayana*, called upon students to refrain from drugs and embrace their social responsibilities to play a pivotal role in nation-building. NSS Coordinator *Dr. L. Obulapathi*, who coordinated the event, explained the importance of NSS-led social awareness initiatives. Slogans like "Say No to Drugs," "Drugs Destroy Lives," and "Protect Your Life, Stay Drug-Free" inspired and created awareness among the students. Active student participation and the support of faculty and staff made the program a resounding success.

Event Date: 29.11.2024.

Event Organized: NSS, Annamacharya University

## Guest Lecture on "A Pathway to Entrepreneurship Building"

### **A Pathway to Entrepreneurship Building: A Successful Career as an Entrepreneur" at Annamacharya University by Dr. Y. Subbarayudu.**

The School of Management and School of Science (MCA), in association with the Entrepreneurship Development Cell, organized a guest lecture on "A Pathway to Entrepreneurship Building: A Successful Career as an Entrepreneur" at Annamacharya University.

The session was led by Dr. Y. Subbarayudu, Professor & Dean, Department of Business Management, Yogi Vemana University. He shared valuable insights into entrepreneurship and motivated students to pursue innovative career paths.

Dr. SMV Narayana, Principal of AITS, Rajampet, also attended the event and spoke about the significance of entrepreneurship in the modern world.

The program was graced by Dr. N. Mallikarjuna Rao, Registrar of Annamacharya University, and C. Yella Reddy, Vice Chairman of AITS, Rajampet, who encouraged students to develop entrepreneurial skills.

The event inspired students and faculty to take bold steps toward building successful entrepreneurial careers.

Event Date: 06.12.2024.

Event Organized: MCA, Annamacharya University

# Grand Alumni Meet 2024 Held at Annamacharya University, Rajampet

**Alumni of AITS, Rajampet, Sri K.V. Pradeep.**

The Alumni Meet 2024 was celebrated with great enthusiasm at Annamacharya Institute of Technology and Sciences, Rajampet, now part of Annamacharya University. Organized under the aegis of the Alumni Association, the event brought together former students to relive memories and share their experiences. Chief Guest *Sri Choppa Yella Reddy* expressed his joy at seeing alumni gather annually, revisiting their alma mater and cherishing the bonds formed during their student years. He praised the disciplined and well-educated alumni for leading exemplary lives and contributing positively to society.

Guest of Honor *Sri K.V. Pradeep* lauded the initiative of alumni coming together with their families to share their journeys and aspirations. He encouraged them to continue striving for greater achievements in their lives. Principal *S.M.V. Narayana* highlighted the significance of alumni participation in such events and urged them to share their experiences to inspire current students. He also announced that the university would celebrate its Silver Jubilee in January, marking another milestone in its journey.

The MBA batch of 2002-2004 played a key role in making the event a grand success, commemorating 20 years since their graduation. *Dr. Kashi Gari Prasad*, the Alumni Coordinator, shared that the batch's efforts were instrumental in the program's success. Around 257 alumni attended the event, making it a memorable occasion. The celebration was further enriched by the participation of the college's Deans, HODs, faculty, students, and alumni, fostering a strong sense of community and pride.

Event Date: 15.12.2024.

Event Organized: Alumni Association, Annamacharya University

## Guest Lecture on Leadership, Artificial Intelligence, and Global Outlook by Sri. Uday Nagaraju Garu at Annamacharya University.

Sri. Uday Nagaraju Garu, Founder & CEO of AI Policy Labs

Annamacharya University proudly hosted an enlightening guest lecture by Sri. Uday Nagaraju Garu, Founder & CEO of AI Policy Labs, U.K., on December 18, 2024. The event, attended by MBA and MCA students, provided invaluable insights into leadership, artificial intelligence, and the global outlook.

Sri. Uday Nagaraju Garu captivated the audience with his thought-provoking address. He emphasized the importance of dreaming big, maintaining discipline, and pursuing lifelong learning. Drawing inspiration from great personalities, he encouraged students to strive for excellence in their personal and professional lives. Highlighting the rapid advancements in artificial intelligence, he discussed its implications for society and the opportunities it presents for future leaders.

The program also featured a brief address by the Principal of AITS, who underscored the significance of leadership and technological advancements in shaping the future. Additionally, the presence of the esteemed Registrar of Annamacharya University, Dr. N. Mallikarjuna Rao, and Mr. D. Abhiram, Member of Annamacharya Education Trust, added to the event's significance.

Event Date: 18.12.2024.

Event Organized: Alumni Association, Annamacharya University

# Grand Celebration of Farmer's Day at Annamacharya University.

Annamacharya University's Agricultural College in Rajampet, Annamayya District, celebrated National Farmer's Day on December 23, 2024, commemorating the birth anniversary of former Indian Prime Minister Chaudhary Charan Singh. The event honored the dedication and hard work of farmers in nation-building. Speaking on the occasion, Dr. Choppa Gangi Reddy, the founder of the Agricultural College, emphasized the university's commitment to educating farmers on modern agricultural practices. Distinguished guests, including Mandal Agricultural Officer Mrs. R. Rajakumari, Village Sericulture Officer Mrs. G. Siddeshwari, and Village Agricultural Assistant Mr. Jay Paul, highlighted the importance of adopting sustainable farming methods, efficient resource management, and producing nutritious food. They urged farmers to engage with agricultural extension services to enhance crop productivity.

As part of the celebrations, faculty and students organized a rally in "Madan Gopal Puram" village, raising awareness among farmers about modern farming techniques such as organic farming, water conservation, soil testing, crop rotation, and drip irrigation. The rally served as a platform for students to connect with the farming community and discuss opportunities offered by the university to improve agricultural yields. Faculty members, including Dr. J. Karpagam, Dr. E. Usha Rani, Dr. B. Sukrutha, Mrs. D. Divya Sri, and Ms. K. Shruti, played key roles in organizing the event, while first-year students actively contributed to its success. The program not only provided valuable guidance to farmers but also highlighted the university's pivotal role in promoting rural development and agricultural progress.

Event Date: 23.12.2024.

Event Organized: Agricultural College, Annamacharya University
