ATAL-AICTE Sponsored Faculty Development Programme on Advanced Biomaterials for Orthopaedic and Tissue Engineering Applications

The Department of Mechanical Engineering at Annamacharya Institute of Technology and Sciences, Rajampet, inaugurated a six-day online Faculty Development Programme (FDP) on 24th January 2025. Sponsored by ATAL-AICTE, New Delhi, the FDP attracted 123 participants from across India. The programme focused on advanced topics such as Biomaterials, Surface Engineering, 3D Printing, Nanotechnology, and Tissue Engineering. Participants gained knowledge in designing, synthesizing, and surface processing of biomaterials, along with 3D modelling. Special sessions were held on implant and scaffold development for orthopedic applications. Eminent experts from IITs, the USA, France, and top Indian institutions delivered keynote lectures. The event was guided by AET leadership and efficiently coordinated by Dr. Hemanth Kumar, Mr. Ajay Kumar Reddy, and Mr. Venkatesh. The FDP enriched faculty with advanced research insights and skills. It served as a valuable platform for academic and professional growth in biomedical engineering.

Three-Day NCC Training Camp at Annamacharya University, Rajampet

A Three-Day NCC Training Camp

A three-day NCC Training Camp was successfully organized at Annamacharya University, Rajampet, from 28th to 30th January 2025. The camp aimed to prepare students for the upcoming NCC 'B' and 'C' Certificate Examinations scheduled in February. Training sessions were conducted by Nayab Subedar Mr. U. Venkatesh and CHM Mr. Karnal Singh from the 5 Andhra Girls Battalion, Tirupati. The camp focused on discipline, leadership, physical fitness, and community service. Over 150 students actively took part in this intensive training. The initiative was praised by the Annamacharya Trust for its contribution to student development. The camp was successfully held with support from Dr. S.N.V. Narayana (Principal, AITS), Mr. C. Yella Reddy (Vice Chairman, AET), Dr. N. Mallikarjuna Rao (Registrar, Annamacharya University), Dr. B. Nagamuni (Physical Director), Ms. N. Deepti (CTO NCC), and Mr. S. Saifulla (Assistant Physical Director).

Workshop on Artificial Intelligence and Machine Learning at Annamacharya University

A two-day workshop on Artificial Intelligence and Machine Learning by Mr. E. Narendra

A two-day workshop on Artificial Intelligence and Machine Learning was conducted at Annamacharya University for third-year B.Tech students, jointly organized by APSSDC and IBM. Inaugurated by Principal Dr. S. M. V. Narayana, the workshop featured Mr. E. Narendra, an IBM Skill Trainer from Edunet, Guntur, as the chief guest. He provided students with practical insights into AI fundamentals, data analytics, model building, and industrial applications. Emphasizing the growing importance of AI, he discussed job opportunities and the value of certifications. Dr. Narayana highlighted the significance of such workshops in preparing students for future technological advancements. The event was successfully coordinated by Dr. T. Harikrishna and Dr. Swarna Surekha, with active participation from faculty and students.

National Recognition for Annamacharya Engineering College in SWAYAM NPTEL Certification Courses

NPTEL Award Receiving by Dr. Kishorekumar N from SWAYAM NPTEL IITM

Annamacharya Institute of Technology and Sciences (AITS), Rajampet, has earned national acclaim with an 'AA' ranking in the SWAYAM NPTEL certification courses for the 2024–2025 odd semester. This recognition, awarded under the prestigious initiative by IITs and IISc with AICTE support, highlights the academic excellence of the institution. A total of 2,240 students appeared for the certification exams, showcasing outstanding performance. Among them, 98 were declared course toppers, 48 received Gold Medals, and 560 secured Silver Medals, with many others earning Elite Certificates. These accomplishments reflect AITS's strong focus on equipping students with modern skills and industry readiness. Principal Dr. N.M.V. Narayana congratulated the students and called the achievement a reflection of the institution's continued legacy. The award was presented at IIT Madras to Dr. Kishore Kumar Nandyala, SPOC of AITS. Registrar Dr. N. Mallikarjuna Rao expressed pride in the institute's seventh consecutive 'AA' ranking. He emphasized that the achievement highlights both student dedication and faculty commitment. This milestone further strengthens AITS's reputation as a center of academic excellence.

Awareness Program on Road Safety Conducted at Annamacharya University

The 36th National Road Safety Month was celebrated at Annamacharya University to promote awareness on traffic safety. District Transport Officer Mr. Prasad highlighted that following traffic rules can significantly reduce accidents, stating, "If parents give us life, a helmet gives us rebirth." He urged two-wheeler riders to wear helmets, car drivers to use seat belts, and warned against over-speeding, drunk driving, and mobile phone usage while driving. He also encouraged immediate help for accident victims and mentioned the government's ₹5000 'Good Samaritan' reward. Additional SP Mr. Manoj Kumar Hegde addressed students, advising them to stay mentally strong and seek help from the police if needed. Principal Dr. S.M.V. Narayana, Motor Vehicle Inspector Mr. Vinod Kumar, CI Mr. Ali, faculty, officials, and students participated in the program held on the university campus.
