Why Apply to UAM?

Career-Focused Admission Philosophy:

UAM selects students based on their academic capability and potential to apply knowledge practically, aligning closely with the university's goal of 98.7% graduate employability.

Recognition of Diverse Qualifications:

UAM accepts a wide range of academic qualifications and recognizes prior learning, giving you more opportunities to qualify for your dream program.

Global Access Through Multiple Campuses:

With campuses in Ismaning (Munich), Berlin, Düsseldorf, Hamburg, Vienna, and others, students can choose a location that best matches their career aspirations.

Upon graduation, you will be granted a work visa to the Federal Republic of Germany for a duration of two years.
