Certification of Community Service Internship Completion

A total of 128 II B.Tech II Semester CSE(AI) students have successfully completed their Community Service Internship. These internships were carried out across various in-demand and socially relevant domains, ensuring complete alignment with the objectives of the Community Service Internship program. All internship reports submitted by students have been duly verified and found to be fully compliant with the prescribed guidelines and norms. Each student has successfully fulfilled the assigned tasks and responsibilities, demonstrating strong commitment, discipline, and professionalism. Their active participation reflects commendable dedication to community-oriented activities, practical learning, and the spirit of service. This certification not only validates the successful completion of their internship but also signifies their preparedness for future academic, personal, and professional growth.

The entire process highlights:

- The integrity and transparency of the internship program
- A consistent commitment to social contribution and skill development
- The institution's focus on fostering responsible and community-conscious individuals
- The successful execution of the Community Service Internship reaffirms the institution's dedication to experiential learning and holistic student development.
