Rashtriya Ekta Diwas – Celebration of the 150th Birth Anniversary of Sardar Vallabhbhai Patel

Dr. E Sai Baba Reddy Vice Chancellor Annamacharya University Planting a Plant

Unity Rally at New Boyanapalli by Annamacharya University Staff

Annamacharya University celebrated the 150th Birth Anniversary of Sardar Vallabhbhai Patel as "Rashtriya Ekta Diwas" on 31 October 2025 under the coordination of Dr. K. Janardhan, NSS Programme Officer. Dr. E. Sai Baba Reddy, Vice-Chancellor, emphasized Sardar Patel's invaluable contribution to national integration and the importance of unity, integrity, patriotism, and social harmony. As part of the celebrations, faculty members, students, and NSS volunteers organized a Unity Rally in the New Boyanapalli area and administered the National Unity Pledge. The program inspired participants to uphold the ideals of Sardar Vallabhbhai Patel and contribute towards building a united, strong, and developed

Global Gyan Academy Global International Best Teachers Awards – 2025

Annamacharya University Faculty Recognized at the Global International Best Teachers Awards – 2025.

Faculty members of Annamacharya University, Rajampet, received prestigious honors at the 6th Global International Best Teachers Awards – 2025, jointly organized by Global Gyan Academy and KSRM Engineering College, Kadapa, Dr. M. Padma Lalitha, Mr. A. Sunil, Dr. B. Nagamuni, and Mr. S. Partha Sarathi received Best Teacher, Best Placement Teacher, Best Physical Education Teacher, and Best Trainer Awards, respectively. Dr. D. J. Samatha Naidu was honored as the Brand Ambassador for Andhra Pradesh and Telangana for distinguished contributions to education and social service.

Orientation Programme for B.Tech First-Year Students (Academic Year 2025–26)

Speaker Mr. K V Pradeep

Annamacharya University successfully organized the Orientation Programme for B.Tech First-Year Students on 06 November 2025 to warmly welcome the newly admitted students into the university. The programme was graced by renowned Tollywood actor and motivational speaker Mr. K. V. Pradeep as the Chief Guest, whose presence added inspiration and enthusiasm to the occasion. The programme commenced with the traditional lamp-lighting ceremony and prayer song**,** symbolizing the beginning of a new academic journey. Chancellor Dr. C. Gangi Reddy, Vice-Chancellor Dr. E. Sai Baba Reddy, Registrar Dr. N. Mallikarjuna Rao, Principal Dr. S. M. V. Narayana, Dean of Admissions Dr. B. Jayarami Reddy, and Vice-Chairman Mr. C. Yella Reddy addressed the gathering and welcomed the first-year students. The dignitaries emphasized academic excellence, skill development, discipline, positive thinking, character building, and effective utilization of educational opportunities in the rapidly changing era of Artificial Intelligence. Mr. K. V. Pradeep, known for his acting career and motivational interactions with young audiences, delivered an inspiring address encouraging students to develop self-confidence, determination, creativity, continuous-learning habits, and a positive attitude towards challenges**.** He particularly highlighted the importance of using technology and Artificial Intelligence as tools for acquiring knowledge, developing innovative ideas, and building successful careers**,** while maintaining discipline and human values. The programme also included colourful cultural performances by students**,** creating an energetic and enjoyable atmosphere for the participants. Faculty members, Heads of Departments, Deans, parents, and students actively participated in the programme, making it a memorable and meaningful occasion that provided the first-year students with valuable guidance, motivation, and a positive beginning to their engineering journey at Annamacharya University.

Constitution Day Celebration at Annamacharya University

Speaker Dr. K Prasad

On 26 November 2025, Annamacharya University celebrated Constitution Day with the participation of students, faculty, and university officials, including the administration of the Constitution Pledge to promote constitutional values, democratic principles, and citizens' responsibilities. Dr. S. M. V. Narayana, Principal**,** delivered the keynote address on the Constitution, Dr. B. R. Ambedkar and the Drafting Committee, while Dr. K. Prasad, ECE, explained Fundamental Rights, Fundamental Duties, and constitutional principles; Dr. B. Srinivasulu coordinated the programme. An essay-writing competition was conducted, with P. Ruchita (I B.Tech CSE) winning First Prize and P. Himashree Valli (I B.Tech CSE-AIML) winning Second Prize; Vice-Chancellor Dr. E. Sai Baba Reddy presented the prizes and appreciated the organizers.

7th International Conference on Data Science, Machine Learning and Applications (ICDSMLA–2025)

On 23–24 December 2025, Annamacharya University, Rajampet, organized the 7th International Conference on Data Science, Machine Learning and Applications (ICDSMLA–2025) through the Department of ECE, featuring keynote speakers Dr. Hushairi Zen, Malaysia, and Dr. Nasser Al Harrasi, Oman. Out of 298 research papers submitted, 66 were shortlisted through rigorous peer review for presentation across emerging technology areas. The inaugural session was presided over by Dr. E. Sai Baba Reddy, Vice-Chancellor, with Dr. N. Mallikarjuna Rao, Registrar, appreciating the organizing team, and Dr. J. Chinna Babu, Head, ECE, coordinating the conference. Selected papers will be published through Springer, enhancing international research visibility and strengthening the university's reputation in research, innovation, collaboration, and academic excellence.

Alumni Meet 2025

lighting a lamp by **Dr. E.Sai Baba Reddy**, VC, Annamacharya University

Mr. K. Jagadeesh, Senior Vice President, JPMorgan, Hyderabad, Alumni of Annamacharya University.

Mr. P. Harshavardhan, CEO, Techurate, Bengaluru, Alumni of Annamacharya University.

Group Photo of Alumni Students

Annamacharya University successfully organized its Alumni Meet 2025 on 14 December 2025, bringing together alumni from various graduating batches, including members of the first batch of Annamacharya Educational Institutions**,** to reconnect with their alma mater, faculty, and cherished student memories. Distinguished alumni Mr. K. Jagadeesh, Senior Vice President, JPMorgan, Hyderabad, praised the university's academic excellence, value-based education, faculty dedication, strong foundation for his professional success, and growth as a modern center of higher education and research, while Mr. P. Harshavardhan, CEO, Techurate, Bengaluru, highlighted innovation, leadership, industry-relevant skills, and urged students to utilize campus opportunities and strive for excellence. The event was attended by Dr. E. Sai Baba Reddy, Vice-Chancellor, Annamacharya University; Dr. S. M. V. Narayana, Principal, AITS Rajampet; Mr. C. Yella Reddy, Vice-Chairman, Annamacharya Educational Trust; and Dr. K. Prasad, Alumni Coordinator**,** who emphasized strengthening alumni-student engagement and acknowledged alumni contributions to the university's reputation and growth. The Alumni Meet concluded on a positive note, reinforcing lifelong bonds between the university and its graduates, inspiring current students through the achievements and experiences of successful alumni, and celebrating the institution's continued growth and shared legacy**.**

Civil Engineering Department

Poster Release of One-Week Faculty Development Program on "Sustainable Innovations in Civil Engineering"

03 December 2026**:** Annamacharya University released the poster for a One-Week Faculty Development Program (FDP) on "Sustainable Innovations in Civil Engineering," organized by the Department of Civil Engineering. The poster was unveiled by Mr. C. Abhishek Reddy, Pro-Chancellor, and presented to Dr. E. Sai Baba Reddy, Chancellor, and Dr. S. M. V. Narayana, Principal, AITS Rajampet. Dr. N. R. Gouthami, HoD, Civil Engineering, highlighted expert sessions from IIT Madras, IIT Hyderabad, IIT Tirupati, SVU, NIT Warangal, and MITS, covering green buildings, sustainable construction, earthquake-resistant design, water management, modern technologies, and software tools. The FDP aims to strengthen industry-academia collaboration, research, teaching quality, and sustainable innovation.

Poster Release of One-Week FDP on Sustainable Innovations in Civil Engineering by University Dignitaries

Electrical and Electronics Engineering Department

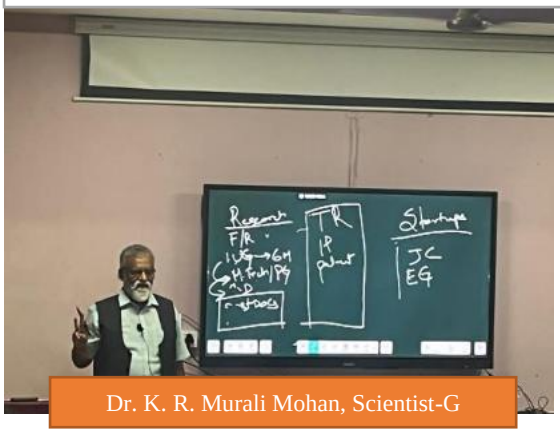

Three-Day Practical Workshop on "PCB Design and Fabrication"

Students are Working on PCB Circuit Prototyping

The Department of Electrical and Electronics Engineering (EEE), Annamacharya University, Rajampet, in association with Technetronic Solutions, Nellore, organized a three-day practical workshop on "PCB Design and Fabrication" from 06 to 08 October 2025. The workshop was conducted for II B.Tech EEE students to provide hands-on training in printed circuit board design and fabrication techniques. The program was inaugurated by Dr. E. Sai Baba Reddy, Vice Chancellor, Dr. S. M. V. Narayana, Principal, and Dr. P. Balachennaiah, Head of the EEE Department. Resource persons from Technetronic Solutions delivered practical sessions on PCB design, fabrication processes, and circuit prototyping. The workshop enabled students to gain industry-oriented technical skills and practical exposure to modern electronic circuit development. Faculty coordinators ensured the successful conduct of the event. Students actively participated and benefited from the experiential learning opportunity.

Guest Lecture on "Empowering Academic Research: Emerging Domains and Funding Opportunities"

Dr. K. R. Murali Mohan, Scientist-G

The Department of Electrical and Electronics Engineering (EEE), Annamacharya University, Rajampet, organized a one-day guest lecture on "Empowering Academic Research: Emerging Domains and Funding Opportunities" on 08 October 2025. The keynote speaker, Dr. K. R. Murali Mohan, Scientist-G (Retd.) and former Mission Director of the National Mission on Interdisciplinary Cyber-Physical Systems, Department of Science and Technology, Government of India, delivered an insightful session on emerging research domains and funding opportunities. He highlighted the importance of research in areas such as Big Data, Quantum Technology, Remote Sensing, and Cyber-Physical Systems. He encouraged students and faculty members to focus on solving societal challenges through research and innovation. The speaker emphasized the transformation of research outcomes into prototypes, start-ups, and employment-generating ventures. He also explained various funding opportunities available through organizations such as DRDO, DOS, MOEF, and MeitY. The program was attended by the Chancellor, Vice-Chancellor, Principal, Deans, Heads of Departments, faculty members, and students, making it a highly informative and inspiring academic event.

National-Level FDP on "Securing Smart Grids with Quantum Secure Cyber Physical Systems for Electric Vehicles"

The Department of EEE, Annamacharya University, Rajampet, organized a Five-Day National-Level FDP on "Securing Smart Grids with Quantum-Secure Cyber Physical Systems for Electric Vehicles" from 24–28 November 2025, sponsored by JNTUA-FDC. The programme brought together faculty, researchers, and industry professionals from across India, with expert sessions from leading IITs, NITs, and industry organizations. The sessions covered quantum-secure cybersecurity, smart grids, EVs, cyber-physical systems, AI-based grid control, microgrids, renewable energy, and quantum computing. The programme was graced by university dignitaries and eminent experts, providing participants with valuable academic and industry-oriented insights. The FDP concluded successfully with a valedictory ceremony and certificate distribution, fostering research, innovation, knowledge exchange, and industry-academia collaboration.

Mechanical Engineering

Release of FDP Poster on "Emerging Technologies in Mechanical Engineering Towards Sustainability

The FDP poster was unveiled by Mr. C. Abhishek Reddy, Pro-Chancellor of Annamacharya Universitv

The Department of Mechanical Engineering, Annamacharya University, released the poster for a National-Level Online Faculty Development Program (FDP) on 16 October 2025. The poster was unveiled by Mr. C. Abhishek Reddy, Pro-Chancellor, and the first copy was presented to Dr. E. Sai Baba Reddy, Vice-Chancellor, in the presence of university dignitaries. The six-day online FDP was scheduled from 03 to 08 November 2025 with expert sessions by professors from IITs, NITs, and industry professionals. The program aimed to strengthen faculty expertise in emerging technologies, sustainability, AI/ML, advanced manufacturing, and research-oriented teaching.

Guest Lecture on "Piping Design Engineering" For Mechanical Engineering Students

Guest Lecture on "Piping Design Engineering" By Mr. Suresh C. Omkaram, CEO, Radical Engineering Solutions, Pune, Maharashtra.

The Department of Mechanical Engineering, Annamacharya University, Rajampet, organized a guest lecture on "Piping Design Engineering" on 23 October 2025. The session was delivered by Mr. Suresh C. Omkaram, CEO, Radical Engineering Solutions, Pune, who explained industrial piping design, material selection, safety standards, and practical applications. He highlighted career opportunities in oil & gas, power, chemical, pharmaceutical, and water treatment industries, along with the importance of industry-relevant skills. The lecture provided III and IV B.Tech Mechanical Engineering students with valuable exposure to modern piping engineering practices, design software, and emerging industry trends.

Successful Completion of AUTOSAL Winter School Global Internship Program in Germany

Mr. U. Jagadeesh Successfully Completes AUTOSAR Winter School Global Internship in Germany.

Mr. U. Jagadeesh, a IV B.Tech Mechanical Engineering student of Annamacharya University, successfully completed the AUTOSAR Winter School Global Internship Program in Germany from 14–28 September 2025, sponsored by the university. He received specialized training in automation, robotics, Industry 4.0, and advanced manufacturing through visits to Mercedes-Benz, Porsche, Audi, FH Aachen University, and RWTH Aachen University. The internship provided valuable international exposure to modern automotive technologies, smart manufacturing, and global research opportunities, bringing recognition to the university.

IEI Research Grant-in-Aid Awarded for Advanced Bio-Ceramic Research Project

"Mr. Venkatesh Vakucherla Secures Prestigious IEI Grant for Advanced Bioceramic Research"

On 13 November 2025**,** AITS Rajampet **secured an** IEI Grant-in-Aid of ₹1,00,000 from The Institution of Engineers (India), Kolkata, under the 2025–26 R&D Funding Scheme for the project **"**Structural and Mechanical Analysis of Silver-Doped Akermanite Bioceramic Synthesized through Combustion Synthesis," led by Mr. Ankireddy Maheshwar Reddy (PI) with guidance from Mr. Venkatesh Vakucherla and Dr. G. Suresh Babu. The research develops silver-doped akermanite bioceramics with improved microstructure, mechanical strength, bioactivity, biocompatibility, and antibacterial properties for orthopaedic and bone-regeneration applications, reflecting AITS Rajampet's commitment to innovative healthcare and materials research; the University leadership and R&D Division congratulated the research team.

Electronics and Communication Engineering

Inauguration of One-Week Training Program on PCB Design and Development

The Department of Electronics and Communication Engineering (ECE), Annamacharya University, inaugurated a one-week training program on "PCB Design and Development" for II B.Tech ECE students on 13 October 2025. The program was inaugurated in the presence of Dr. E. Sai Baba Reddy (Vice-Chancellor), Dr. S. M. V. Narayana (Principal), Dr. J. Chinna Babu (Head, ECE Department), with Mr. Venkata Sumanth serving as the resource expert. The training focused on hands-on learning in circuit design, simulation, PCB layout, and fabrication techniques. The speakers emphasized industry-oriented practical skills, innovation, and career opportunities in PCB design, automation, robotics, and electronics industries.

7th International Conference Brochure Launch

Brochure Launch Ceremony of the 7th International Conference on Data Science, Machine Learning and Applications (ICDSMLA-2025) by Dr. C. Ganagi Reddy, Chancellor, Annamacharya University

Annamacharya University released the brochure for ICDSMLA-2025, organized by the Department of Electronics and Communication Engineering in collaboration with Springer Publications. The brochure was unveiled by Dr. C. Ganagi Reddy, Chancellor, in the presence of Dr. E. Sai Baba Reddy, Vice-Chancellor, Dr. S. M. V. Narayana, Principal, and other dignitaries. The conference will be held on 23–24 December 2025 to promote research, innovation, and international collaboration in Data Science, Artificial Intelligence, Machine Learning, and related technologies.

Best Paper Award at the 1st International Conference on Advanced Sustainability

Students Nallapureddy Hemalatha, Dudekula Amitabi, Vennapusa Bhanu Prakash Reddy, and Maddaka Dhananjaneyulu of the Department of ECE, Annamacharya University, won the Best Paper Award at the 1st International Conference on Advanced Sustainability, organized online by the Department of ECE, Chandigarh Engineering College (CGC), Landran, Mohali, Punjab, during 19–20 October 2025.The team presented the research paper "Masked Aware Emotion Recognition and Depression Assessment Using MobiRese-Net" under the guidance of Dr. Shaik Kareemulla.

Best Paper Award at the 6th International Conference on Innovation in Communication

Students Talari Guruvardhan, Ganesh Kotte, Anita Poluboyina, and Bhavitha Kalakada of the Department of ECE, Annamacharya University, received the Best Paper Award at the 6th International Conference on Innovation in Communication, Computing and Sciences**,** organized online by Chandigarh Engineering College (CGC), Landran, Mohali, Punjab (25–26 Septembe (2025). The team presented the research paper "Efficient and Lightweight Framework for Confidential Medical Image Diagnosis Using Edge AI" under the guidance of Dr. G. Tirumalaiah**,** bringing international recognition to the university**.**

Computer Science and Engineering

Guest Lecture on “Towards Innovation and Entrepreneurship”

Mr. K. Krishna Kishore giving Guest Lecture on "Towards Innovation and Entrepreneurship"

The Department of Computer Science and Engineering (CSE), Annamacharya University, organized a guest lecture on "Towards Innovation and Entrepreneurship" on 22 Oct 2025 for IV B.Tech CSE students to promote innovation and entrepreneurial thinking. Mr. K. Krishna Kishore, District Industries Officer, encouraged students to become job creators through innovation and research, while Ms. Shaikh Fathima, Chief General Manager, SBI Rajampet, explained startup funding, financial literacy, banking support, and financial planning. The session provided valuable insights into startup ecosystems, self-employment opportunities, and transforming technological innovations into successful business ventures.

Dr. M. Subba Rao Receives "Guru Excellence Awards – 2025"

Dr. M. Subba Rao of Annamacharya University received the prestigious "Guru Excellence Awards – 2025" presented by Aaradhya – Ek Ehsaas Foundation, Meerut**,** on 21 September 2025.The award recognized his outstanding contributions to teaching, academic development, research-oriented learning, and fostering creativity among students. The university management, faculty members, and students congratulated Dr. Subba Rao on this distinguished achievement and contribution to the field of education.

Dr. M. Subba Rao Receives "Bhishma Excellence Award – 2025"

"Dr. M. Subba Rao Honoured with Prestigious Bhishma Excellence Award–2025"

Dr. M. Subba Rao, Dean and Head, Department of CSE, Annamacharya University, Rajampet, received the prestigious "Bhishma Excellence Award–2025" **at** T-Hub, Hyderabad**,** presented by Dr. Buddha Chandrasekhar, Chief Coordinating Officer, AICTE, Ministry of Education, Government of India, for his outstanding contributions to education, research, innovation, and student development. The award ceremony, attended by 250+ academicians and institutional leaders from 20 states**,** was graced by Prof. Chekuri Sivarama Krishna Prasad, Vice-Chancellor, JNTUK**, and** Mr. D. Ganesh, CEO, Brain O Vision Solutions**,** marking a proud achievement for Annamacharya University . green innovation, government policies, and responsible leadership.

Felicitation of Young Author Sudarshini Tatrakallu for Her Book *"Letters to Myself"*

Vice-Chancellor Congratulates Sudarshini on Her Literary Achievement

On 18 December 2025 Annamacharya University, Rajampet, felicitated Ms. Sudarshini Tatrakallu**,** a second-year B.Tech student and young author, for her debut book *"Letters to Myself."* The ceremony was organized under the guidance of Dr. M. Subba Rao, Head, CSE**,** on behalf of Dr. E. Sai Baba Reddy, Vice-Chancellor**.** The dignitaries appreciated her achievement and encouraged her literary journey, noting the pride of nurturing a young writer at an institution named after legendary poet Annamacharya. The book explores students' emotions, uncertainties, aspirations, motivation, and self-confidence, receiving national and international appreciation. It is available at Barnes & Noble, Amazon India, and Flipkart**,** and was showcased at the 38th Hyderabad Book Fair (19–29 December 2025)**.**

Artificial Intelligence and Data Science

Annamacharya University Students Excel at "SYNAPSE 2K25" 24-Hour Hackathon

"Annamacharya University Students Shine at SYNAPSE 2K25 National-Level Hackathon"

On 01 November 2025**,** students of Annamacharya University, Rajampet, excelled at **"**SYNAPSE 2K25," a 24-hour National-Level Hackathon organized by Mohan Babu University, Tirupati, developing an "LMS Platform with Company Constraints" solution and securing a place among the Top 10 teams and later Top 7 finalists**.** C. V. Jagadeeshwar, A. C. V. Vishnu Vardhan Reddy, M. V. Raviteja, and K. Sarthak Roy received certificates and internship opportunities based on interview performance, while demonstrating exceptional technical skills, creativity, problem-solving, teamwork, and innovation**;** Vice-Chancellor Dr. E. Sai Baba Reddy and Dr. P. Phanindra Kumar Reddy, HoD, AI&DS, congratulated the students.

Master of Business Administration

Guest Lecture on "Super GST – Super Savings"

Dr. C.A. Ashok Kumar, Chartered Accountant, Giving Guest Lecture on "Super GST – Super Savings"

The School of Management and National Service Scheme (NSS), Annamacharya University, jointly organized a guest lecture on "Super GST – Super Savings" on 17 October 2025**.** Dr. C.A. Ashok Kumar**,** Chartered Accountant, explained the significance of GST, the concept of "One Nation – One Tax**,"** and its role in promoting transparency and strengthening the national economy. He also discussed Input Tax Credit (ITC), Reverse Charge Mechanism (RCM), Composition Scheme, digital tax filing, startup tax benefits, and tax-saving strategies. The interactive session enhanced students' financial literacy by providing practical knowledge on GST registration, tax exemptions, online return filing procedures, and the importance of tax awareness in personal and professional life.

Seminar on "Urbanization and Sustainable Development: Challenges and Opportunities for Business Leaders"

Dr. C. Ramachandraiah giving Seminar on "Urbanization and Sustainable Development: Challenges and Opportunities for Business Leaders"

The School of Management, Annamacharya University, organized a seminar on "Urbanization and Sustainable Development: Challenges and Opportunities for Business Leaders" on 27 October 2025. Dr. C. Ramachandraiah, Retired Professor, CESS, Hyderabad, delivered the keynote address highlighting the challenges of rapid urbanization and the need for sustainable urban planning. He emphasized integrating environmental responsibility, social welfare, and economic growth while discussing opportunities in clean energy, green construction, smart transportation, and waste management. The interactive seminar enhanced students' understanding of sustainable business practices, green innovation, government policies, and responsible leadership.

Awareness Program on Financial Markets: Securities, Stocks and Mutual Funds

On 14 November 2025, the Department of Business Administration, Annamacharya University, organized an awareness programme on **"**Financial Markets: Securities, Stocks and Mutual Funds" for II Year MBA students**,** with Mr. C. Siva, Cluster Manager, Axis Securities, Kadapa**,** as the resource person. He explained the functioning of securities markets, stock exchanges, Demat accounts, trading, stock-price movements, and the role of brokers through practical examples. He also provided insights into mutual funds, SIPs, diversification, risk-return management, and long-term wealth creation**,** emphasizing financial discipline and informed investment decisions. Students actively interacted with the resource person and clarified their doubts regarding trading platforms, market risks, investment planning, and Demat accounts**.** Mr. Sudarshan Reddy, Manager, Axis Bank, Rajampet, Mr. Venkat, Sales Head, Max Insurance, faculty members, and students participated actively, making the programme informative and beneficial.

Alumni–Student Interaction Session on "Building Bridges: From Campus Learning to Corporate Leadership"

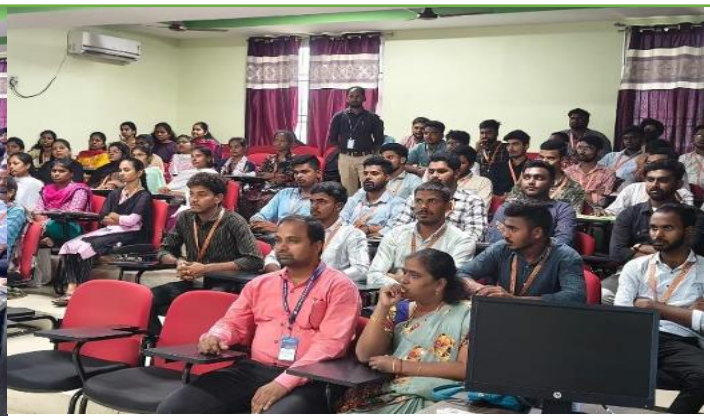

Alumni–Student Mr. S. Mujeeb Basha **Interaction Session** with MBA Students

On 11 December 2025: The Department of Business Administration, Annamacharya University, Rajampet, organized an Alumni–Student Interaction Session on "Building Bridges: From Campus Learning to Corporate Leadership" for II Year MBA students**,** featuring Mr. S. Mujeeb Basha, HR Specialist, Amazon, Hyderabad. He shared practical insights on corporate careers, professionalism, teamwork, leadership, communication, interview preparation, resume building, HR-based candidate evaluation, continuous learning, workplace ethics, performance appraisal, and adapting to emerging technologies. Dr. T. Navaneetha, Head, MBA Department, highlighted the importance of alumni interactions in understanding corporate culture and making informed career decisions. The session witnessed active participation from MBA faculty and students and provided an informative and motivating learning experience.

Master Of Computer Applications

One-Day Workshop on "Java Meets AI: Transforming the Future of Enterprise Applications"

Mr. C. Manikanteswara Rao, Lead Software Engineer, Virtusa Consultancy Services, Bengaluru

On **07 November 2025**, the Department of Computer Applications, Annamacharya University, Rajampet, organized a one-day workshop titled "Java Meets AI: Transforming the Future of Enterprise Applications" for II Year MCA students**,** with Mr. C. Manikanteswara Rao, Lead Software Engineer, Virtusa Consultancy Services, Bengaluru, as the resource person. He explained how integrating Artificial Intelligence with Java technologies is transforming modern enterprise application development. The resource person demonstrated practical applications of machine learning, data analytics, and automation tools within Java frameworks to develop efficient and intelligent business solutions. He also provided insights into industry-standard platforms, software architectures, AI-driven development trends, and emerging career opportunities in software engineering. The interactive session enabled students to clarify their doubts and gain practical knowledge about current industry technologies. The workshop was attended by II Year MCA students, faculty members, and Dr. C. Madana Kumar Reddy, Head of the Department of MCA**,** making it a valuable learning experience that enhanced students' understanding of AI-powered enterprise applications.

HUMANITY AND SCIENCES

National Mathematics Day Celebration

National Mathematics Day Celebration: Winners of Arithmetic and Reasoning Test Felicitated by University Dignitaries

22 December 2025: Annamacharya University celebrated National Mathematics Day commemorating the birth anniversary of legendary mathematician Srinivasa Ramanujan**. An** Arithmetic and Reasoning Test was conducted for engineering students to assess mathematical aptitude, analytical thinking, and problem-solving skills. G. Sree Vidya (First Year), M. Indrasena Reddy (Second Year), and K. Yousuf Basha secured the top positions and received prizes from Dr. E. Sai Baba Reddy, Vice-Chancellor**, and** Mr. C. Yella Reddy, Vice-Chairman, Annamacharya Educational Trust**.** Dr. L. Padmavathi delivered a presentation on Ramanujan's life, achievements, dedication, and contributions to mathematics. The event inspired students to develop mathematical awareness, curiosity, perseverance, and analytical excellence

COLLEGE of AGRICULTURE

National Farmers Day Celebration at the College of Agriculture

Promoting Sustainable Agriculture Through Farmer–Student Interaction

Group Photograph of Farmers, Students and Agriculture Department Faculty & Staff

24 December 2025: The College of Agriculture, Annamacharya University, Rajampet, celebrated National Farmers' Day commemorating the birth anniversary of Chaudhary Charan Singh, with the participation of Dr. E. Sai Baba Reddy, Vice-Chancellor; Mr. C. Yella Reddy, Vice-Chairman, Annamacharya Educational Trust; Dr. D. Lokanadha Reddy, Dean, College of Agriculture; Ms. Priyanka, Agricultural Assistant, Tallapaka Gram Panchayat; farmers, faculty, and students. The program included lamp-lighting and discussions on agriculture, farm mechanization, organic farming, and government schemes. Progressive farmers shared experiences, and participating farmers were honored. Students demonstrated Drava Amrutham, Ghana Amrutham, Panchagavya, and Beejamrutham**,** explaining their benefits for soil fertility, microbial activity, seed germination, plant immunity, and crop productivity. The event promoted sustainable agriculture, knowledge exchange, and stronger farmer–student–university relationships.

World Soil Day Celebration and Orientation Program for First-Year Agriculture Students

05 December 2025**:** The College of Agriculture, Annamacharya University, celebrated World Soil Day along with an orientation program for newly admitted first-year students, focusing on soil conservation, environmental sustainability, and the importance of agriculture in national development. The event was attended by Mr. C. Yella Reddy, Vice-Chairman, AITS; Dr. S. M. V. Narayana, Principal, AITS; Dr. D. Lokanatha Reddy, Dean, College of Agriculture; and Dr. C. Sudarsana, Assistant Professor. The speakers emphasized soil health management, sustainable farming, environmental protection, crop productivity, and food security. The orientation introduced students to agricultural education, research opportunities, and career prospects, motivating them to contribute to agricultural innovation, sustainable farming, and environmental responsibility.

WOMEN EMPOWERMENT CELL

Awareness Program on “Healthy Blood – Bright Minds”

Dr. M. Shubhashree, MBBS, M.D. (Pathology),

The Women Empowerment Cell of Annamacharya University organized an awareness program on "Healthy Blood – Bright Minds" on 21 October 2025 under the coordination of Dr. V. Mouneswari**,** Women Empowerment Cell. Dr. M. Shubhashree, MBBS, M.D. (Pathology), Civil Assistant Surgeon Specialist, Government Area Hospital, Rajampet, explained the importance of blood health, anemia prevention, balanced nutrition, and regular health checkups. She also encouraged students to participate in blood donation initiatives and apply engineering knowledge in developing biomedical devices and digital healthcare technologies. The program enhanced health awareness, self-care practices, and the importance of women’s well-being among female students through an interactive and informative session.

Yoga Awareness Program on "Mind–Body Harmony: The Transformative Power of Sahaja Yoga"

Dr. A. Soujanya

17 December 2025: Annamacharya University, under the Women Empowerment Cell, organized a Yoga Awareness Program on "Mind–Body Harmony: The Transformative Power of Sahaja Yoga" for III Year B.Tech, MBA, and MCA women students to promote mental well-being, physical health, confidence, and self-development. Dr. A. Soujanya, District Coordinator, Sahaja Yoga, Nellore**,** served as keynote speaker and explained how yoga and meditation improve concentration, self-discipline, decision-making, stress management, emotional balance, creativity, and positive thinking. Dr. E. Sai Baba Reddy, Vice-Chancellor, emphasized yoga's importance in maintaining healthy and balanced lives, particularly among women. Dr. V. Mouneswari, Coordinator, Women Empowerment Cell**,** coordinated the program and highlighted women's health, confidence, and personal development. The enthusiastic participation of students made the program an effective platform for promoting holistic well-being.

National Service Scheme

NSS Special Camp and Community Service Activities at Hastavaram Cherlopalle Village

NSS Special Camp: University Volunteers Engaged in Community Service at Hastavaram Cherlopalle Village

On 08–14 December 2025 the NSS Unit of Annamacharya University conducted a week-long Special Camp at Hastavaram Cherlopalle Village**,** with the participation of 80 students, promoting social awareness, environmental responsibility, health consciousness, and community engagement. Volunteers organized cleanliness drives, plastic-free environment campaigns, tree plantation, and a health camp with medical check-ups and preventive healthcare awareness. Educational sessions covered basic computer components and the harmful effects of child marriage, along with sports and recreational activities for school children. The camp was coordinated by Dr. K. Janardhan, NSS Coordinator**, and** Mr. Raghunath, NSS Programme Officer**.** Dr. E. Sai Baba Reddy, Vice-Chancellor**, and** Dr. S. M. V. Narayana, Principal, appreciated the volunteers' dedication to community service, leadership, and social responsibility.

College of Law

Inauguration of Annamacharya University Law College

Dr. C. Gangi Reddy Chancellor, Annamacharya University

Mr. S. Praveen Kumar, III Additional District and Sessions Judge, Rajampet,

lighting a lamp by Dr. E.Sai Baba Reddy, VC, Annamacharya University

On 10 December 2025**,** Annamacharya University formally inaugurated its Law College in a grand ceremony attended by distinguished dignitaries, legal professionals, faculty members, students, and parents. The programme was graced by Mr. S. Praveen Kumar, III Additional District and Sessions Judge, Rajampet, as Chief Guest and Mr. P. Hanumantha Naidu, President, Rajampet Bar Association and Senior Advocate**,** as Guest of Honour. Chancellor Dr. C. Gangi Reddy, Vice-Chancellor Dr. E. Sai Baba Reddy, Vice-Chairman Mr. C. Yella Reddy, and Registrar Dr. N. Mallikarjuna Rao also participated in the inaugural ceremony. The Chief Guest highlighted the importance of legal education, professional responsibility, citizens' legal awareness, justice, good governance, and reducing corruption through knowledge of law. The Guest of Honour described the Law College as a landmark achievement for the region and emphasized the role of legal education in promoting justice and social responsibility. University leaders highlighted the importance of ethical values, equality, professional excellence, and responsible citizenship**,** encouraging the first batch of students to become role models and contribute positively to society. The inauguration marked a historic milestone in the academic expansion of Annamacharya University and demonstrated its commitment to providing quality legal education and developing socially responsible legal professionals.
