Khelo India Samvaad – Khel Ki Baat PM Ke Saath

Hon'ble Prime Minister Shri Narendra Modi addressing the nation during "Khelo India Samvaad – Khel Ki Baat PM Ke Saath."

The programme "Khelo India Samvaad – Khel Ki Baat PM Ke Saath" was organized on 27 August 2026 at Annamacharya University, Rajampet, under the aegis of the Ministry of Youth Affairs and Sports, Government of India, ahead of National Sports Day, with the University selected under Category A to host this national-level initiative. Students watched Hon'ble Prime Minister Narendra Modi's message emphasizing sports, discipline, fitness, a healthy lifestyle, preparation for the 2036 Olympics, identification of sporting talent among children aged 5–15 years, and promotion of diverse Olympic sports. C. S. Baba Fakruddin, Ball Badminton Coach, attended as the special invitee. S. Madhusudan Rao, Technical Support Engineer, NIC, Government of India, along with Gurushekar, Lakshminarayana and MY Bharat volunteers, supported the programme. Students actively participated in the Yuva Samvaad, sharing their ideas and aspirations. Dr. K. Janardhan, NSS Programme Officer, coordinators, faculty and staff participated, promoting sportsmanship, patriotism, fitness and social responsibility.

Start-up Kadapa – The Entrepreneurship Centre Awareness Programme

An awareness programme on **"Startup Kadapa – The Entrepreneurship Centre"** was organized on **03 September 2026** at Annamacharya University, Rajampet, under the YSR District Administration, following the directions of Ms. H. S. Bhavani, IAS, Sub-Collector, Rajampet Division and Special Officer of Startup Kadapa. The initiative promotes innovation, startups, skill development and employment through RTIH and APIS collaborations. Conducted in two batches under the guidance of Mr. N. Shiva Ramireddy, Dean, IIC, the programme witnessed participation of approximately 589 IV Year B.Tech students from all branches and faculty members. Sessions covered startup opportunities, incubation support, industry partnerships, investment prospects and government schemes under Startup India, followed by an interactive session. University management, administrators, HoDs and faculty supported the successful organization.

Teachers' Day Celebrations at Annamacharya University-2026

Floral Tribute to Dr. Sarvepalli Radhakrishnan on Teachers' Day Celebrations – 5 September 2026, Annamacharya University.

Presentation of the Best Teacher Award during Teachers' Day Celebrations.

Teachers' Day was celebrated with great enthusiasm at Annamacharya University, Rajampet, on 5 September 2026, commemorating the birth anniversary of Dr. Sarvepalli Radhakrishnan. Dr. C. Gangi Reddy, Chancellor, attended as the Chief Guest and paid floral tributes to the great teacher, highlighting the role of teachers in imparting knowledge, discipline, moral values and responsible citizenship. On this occasion, 25 outstanding teachers from various departments were honoured for their dedication, excellence in teaching and contributions to student development. Dr. E. Sai Baba Reddy, Vice-Chancellor, emphasized that teachers are the backbone of the nation and play a vital role in promoting research, creativity, innovation and students' overall development. C. Ellareddy, Vice-Chairman, Dr. N. Mallikarjuna Rao, Registrar, Deans, HoDs, faculty members, teaching staff and students participated in the celebrations..

Orientation Programme for First-Year B.Tech Students – 2026–27

An orientation programme for first-year B.Tech students for the academic year 2026–27 was organized at Annamacharya University, Rajampet, on 8 September 2026. The programme introduced students to academic policies, university facilities and career opportunities. Dr. C. Gangireddy, Chancellor, emphasized goal setting, discipline and emerging technologies. Dr. E. Sai Baba Reddy, Vice-Chancellor, highlighted academic excellence and professional skills. Dr. N. Mallikarjuna Rao, Registrar, explained university facilities. Dr. S. M. V. Narayana, Dean, School of Academics, Dr. B. Jayaramireddy, Dean of Admissions, C. Ellareddy, Vice-Chairman, faculty, students and parents attended. Dr. M. Subbarao served as convener.

Engineers' Day Celebrations at Annamacharya University– 2026

Engineers' Day was celebrated on 15 September 2026 at Annamacharya University, Rajampet, commemorating Bharat Ratna Sir M. Visvesvaraya's birth anniversary. Dr. S. M. V. Narayana, Principal, highlighted engineers' contributions to national development. Essay-writing and elocution competitions were conducted to encourage creativity and communication skills. Essay winners were N. Yateeshwar (I B.Tech–CE), E. Mounika (II B.Tech–ECE) and M. Grace Nissy (III B.Tech–EEE). Elocution winners were P. Himashreevalli (II B.Tech–CSE AI/ML), P. Lavanya (II B.Tech–ME) and A. Tejasri (III B.Tech–CSE AI). N. Rama Subba Reddy, Dr. M. Subbarao and Dr. P. V. Sanjee Kumar attended along with faculty and students.

Nasha Mukt Yuva – Viksit Bharat Awareness Programme

Ms. M. Mallika, Circle Inspector, Rajampet

An awareness programme on "Nasha Mukt Yuva – Viksit Bharat" was organized by the NSS unit of Annamacharya University, Rajampet, on 18 September 2026, to create awareness about drug and substance abuse. Ms. M. Mallika, Circle Inspector, Rajampet Excise Department, attended as Chief Guest and highlighted the harmful effects of drugs, tobacco and alcohol. Dr. K. Janardhan, NSS Coordinator, emphasized youth responsibility and healthy lifestyles. II and III B.Tech students, faculty and NSS volunteers participated. Students took a pledge to avoid intoxicating substances, promoting the message "Say No to Drugs, Yes to Goals."

Electrical and Electronics Engineering Department

Guest Lecture on "Transformer Insights: Connecting Classroom Theoretical Concepts with Real-World Practice" – 22 September 2026

Mr. G. Venkata Ramana, former Executive Engineer, APSPDCL, Tirupati.

The Department of Electrical and Electronics Engineering (EEE), Annamacharya University, Rajampet, organized a guest lecture on "Transformer Insights: Connecting Classroom Theoretical Concepts with Real-World Practice" on 22 September 2026. Mr. G. Venkata Ramana, former Executive Engineer, APSPDCL, Tirupati, attended as the guest speaker and explained transformer construction, working principles, maintenance, power distribution applications and field challenges. He shared his professional experiences and highlighted the importance of practical engineering knowledge. Third-year EEE students actively participated and clarified their technical doubts. Dr. S. Sharada, HOD, Dr. M. Padma Lalitha, Dr. S. Mukthiyar Ali and Mr. T. Arun Kumar guided and coordinated the programme, enhancing students' technical knowledge and industry-oriented learning.

Electronics and Communication Engineering Departement

Project Expo 2K26 – Electronics and Communication Engineering

Students Exhibiting their Projects

Project Expo 2K26 was organized by the Department of Electronics and Communication Engineering (ECE), Annamacharya University, Rajampet, on 8–9 September 2026, showcasing approximately 100 innovative projects developed by third- and fourth-year B.Tech students. Dr. C. Gangireddy, Chancellor, Dr. E. Sai Baba Reddy, Vice-Chancellor, Dr. S. M. V. Narayana, Dean, School of Engineering, and Mr. Choppa Yalla Reddy, Vice-Chairman, visited the exhibition and interacted with students. Projects covered Artificial Intelligence, IoT, embedded systems, robotics and automation. The dignitaries appreciated the students' creativity and technical skills. Dr. J. Chinna Babu, HOD, faculty members and coordinators organized the event, encouraging practical learning and innovation.

Computer Scince and Engineering Departement

Research Paper Recognition at ICETDTI–2026 International Conference

Mr. K. Harikrishna, Assistant Director, District Industries Centre, YSR Kadapa District

The Department of Computer Science and Engineering (CSE), Annamacharya University, Rajampet, organized a guest lecture on “Industrial Development for Aspiring Entrepreneurs” on 23 September 2026 at the University Auditorium. Mr. K. Harikrishna, Assistant Director, District Industries Centre, YSR Kadapa District, attended as the guest speaker and encouraged students to become job creators rather than job seekers. He explained business planning, market identification, customer preferences, product development, investment, financial management and teamwork. He highlighted opportunities for CSE students in software businesses, digital services, startups and technology-based enterprises. Third-year B.Tech CSE students actively participated. Dr. S. M. V. Narayana, Dean, School of Engineering, Dr. M. Subbarao, Dean and HOD, CSE, faculty members and Dr. K. Bala, event coordinator, contributed to the programme.

Artificial Intelligence and Machine Learning

Six-Day Training Workshop on "User Interface (UI) – User Experience (UX) Design"

Ms. Naga Susmitha Thota, Data Science Trainer

An Entrepreneurship-cum-Skill Development Programme (E-SDP) on Data Science was inaugurated on 15 July 2026 at Annamacharya University, Rajampet, under the RAMP scheme, organized by APMSMEDC in collaboration with Indo Euro Synchronization, Vijayawada. Final-year B.Tech students from AI&DS, CSE (Data Science), AI&ML and CSE (Artificial Intelligence) participated. Ms. Naga Susmitha Thota, Data Science Trainer, provided practical training in Python programming, Data Analytics, Data Visualization and Exploratory Data Analysis (EDA). Dr. S. M. V. Narayana, Principal, emphasized technical knowledge and entrepreneurship. Dr. P. Phanindra Kumar Reddy and Dr. N. Penchalaiah highlighted industry-oriented skills, creativity and problem-solving. The programme continued until 8 August 2026, preparing students for employment and self-employment opportunities.

Master of Business Administration

The Career Reality Check: From Campus to Corporate – Industry Interaction Session

Mr. Krishna Mantravadi,

The Department of Business Administration, Annamacharya University, Rajampet, in collaboration with Frontlines Media, organized an industry interaction session titled “The Career Reality Check: From Campus to Corporate” on 24 September 2026 at the University Auditorium for II Year MBA and II Year MCA students. Mr. Krishna Mantravadi, Founder and CEO of Frontlines Edutech, attended as the resource person and discussed career opportunities, industry-relevant skills and job preparation strategies. He highlighted opportunities in healthcare, pharmaceutical and biotechnology sectors, along with the responsible use of ChatGPT and AI tools. Students gained insights into resume preparation, LinkedIn profiles, professional networking and career planning. Dr. T. Navaneetha, Dr. C. Madan Kumar, faculty members and students participated. Dr. N. Mallikarjuna Rao, Registrar, felicitated the resource person with a shawl and memento.

National Cadet Corps

Two-Day NCC Training Programme for B & C Certificate Examinations

NCC Students and Medical Officers

Dr. J. Praveen, District Immunization Officer

An awareness programme on “TB Mukt Bharat Abhiyan” was organized on 28 August 2026 at Annamacharya University, Rajampet, by the Girls’ NCC Unit in collaboration with 5 Andhra Girls Battalion, NCC, Tirupati, coordinated by Lieutenant N. Deepthi. Dr. J. Praveen, District Immunization Officer, addressed TB awareness, while Dr. K. Sharath Kamal and Dr. B. Brahmendra explained symptoms, diagnosis, treatment and prevention. They emphasized early diagnosis, completing treatment and eliminating social stigma. Students were informed about the Nikshay Mitra initiative and nutritional support. Dr. S. M. V. Narayana encouraged awareness activities, followed by an interactive session with medical experts.
