CERTIFICATE COURSES IN FOREIGN LANGUAGES_A.Y. 2024-2025

Introduction

The university encourages students to enhance their communication skills and broaden their cultural awareness by learning foreign languages. As part of this initiative, students have completed certificate courses in different foreign languages.

These courses provide students with an opportunity to develop basic language proficiency, improve communication skills, and gain an understanding of different cultures. Learning foreign languages also helps students develop confidence and prepares them for higher education, international interactions, and future career opportunities.
