Conferences

The faculty member of the School of Sciences, Annamacharya University, is committed to academic excellence, research advancement, and continuous professional development. Participation in national and international conferences reflects the faculty member's dedication to exploring recent developments in science, technology, and emerging research areas.

These conferences provide valuable opportunities to present research findings, interact with eminent academicians and researchers, exchange innovative ideas, and gain insights into recent advancements in the respective discipline. Such academic participation contributes to the wider research community and promotes innovation, collaboration, and research excellence within the School of Sciences.

S.NO	Name of the Faculty	Title of the Paper	Name of the Conference	Mode of Conduct (Offline / Online)	Duration	Name of the Organizing Institute/College	National/International	Address
1	Dr. M. Uma Maheswar	Analysis of Energy and Mass Transport in Free Convection Flow Of Water Based Nanofluid over an Infinite Porous Plate	Applications of Fluid Dynamics (ICAFD)-2024	Online	05.12.2024 to 07.12.2024	Kalasalingam Academy of Research and Education,	International	Krishnankoil, Virudhunagar, Tamil Nadu
2	Dr. M. Uma Maheswar	MHD Casson Nanofluid Flow Past a Porous Stretching Sheet-A Numerical Approach with RSM	Mathematics and Engineering Applications-2025(NCMEA-2025)	Offline	22.12.2025 to 24.12.2025	S.V University, Tirupati	National	S.V University, Tirupati
