REPORT ON INTERNSHIP COMPLETION

Date:07.11.2025

A total of 244 students of IV B. Tech I Semester, Electronics and Communication Engineering Students have successfully completed their internships through various reputed organizations, namely Codtech IT Solutions, Sri Vensy Technologies, Website Makers, Codeworks Edutech, Intern Certify, and Intrainz Innovation.

The internships covered several emerging and industry-relevant domains, including Embedded Systems, VLSI, Artificial Intelligence, Full Stack Java Development, Cloud Computing, and other advanced technological areas.

All internship completion certificates were thoroughly scrutinized and verified in accordance with the prescribed institutional internship guidelines and norms. It was confirmed that all participating students had successfully completed their assigned internship activities and tasks, demonstrating their commitment, technical competence, and adherence to professional standards.

Overall, the internship programme was successfully completed, ensuring compliance with institutional requirements while strengthening the department's commitment to experiential learning, industry exposure, and continuous improvement in technical education.
