Sports and Games – Department of Humanities and Sciences (H&S)

Students of H&S at Annamacharya University benefit from a wide range of sports and recreational facilities that promote physical fitness, mental well-being, teamwork, and a healthy lifestyle. The university provides various sports facilities that encourage students to participate in physical activities, develop sporting skills, and maintain a balance between academic learning and extracurricular activities.

The sports and recreational facilities available on campus include:

- **Sports Centers:** Facilities for indoor sports activities, including badminton and basketball, encouraging physical fitness and recreational engagement.
- **Cricket Ground:** A dedicated ground for cricket practice, training sessions, and competitive matches.
- **Volleyball Court:** A designated court for volleyball practice and matches, promoting teamwork, coordination, and agility.
- **Kabaddi Ground:** A dedicated space for kabaddi activities that help students develop physical endurance, strength, and strategic thinking.

SPORTS ACTIVITIES – ACADEMIC YEAR 2025–2026

Sports Activities and Student Participation

Annamacharya University organized sports activities during the academic year **2025–2026** to encourage physical fitness, teamwork, sportsmanship, discipline, and a healthy competitive spirit among students.

As part of these activities, students actively participated in outdoor sports and team-building activities on the university sports ground. The programme provided an opportunity for students to interact with their peers, develop team spirit, and demonstrate cooperation, coordination, and mutual respect.

Faculty members were present during the activities and encouraged students to participate enthusiastically. The activities also provided an opportunity for faculty members to interact with students in a friendly sporting environment, strengthening the bond between faculty and students.

The sports activities emphasized the importance of physical well-being alongside academic excellence. Through active participation, students were encouraged to develop leadership qualities, discipline, confidence, and a positive attitude towards teamwork and healthy competition.

The programme was conducted successfully, contributing to the overall development of students and promoting a vibrant campus sporting culture at Annamacharya University.

SPORTS ACTIVITIES – ACADEMIC YEAR 2026–2027

Women's Volleyball and Men's Cricket Matches

Annamacharya University organized sports activities during the academic year **2026–2027** to promote physical fitness, teamwork, sportsmanship, and the holistic development of students.

As part of these activities, **women's volleyball and men's cricket matches** were conducted on the university campus with enthusiastic participation from students.

Women's Volleyball

The women's volleyball match encouraged female students to actively participate in sports and physical activities. The game provided an opportunity for students to demonstrate teamwork, coordination, agility, communication, and a competitive spirit. It also promoted confidence, mutual cooperation, and the importance of physical fitness.

Men's Cricket

The men's cricket match provided an opportunity for students to showcase their sporting skills, batting, bowling, fielding, and teamwork. The match encouraged discipline, strategic thinking, leadership, and mutual respect among participants. It also helped students develop a healthy competitive attitude and strengthen their relationships with fellow students.
