Student Counselling

- Students are allotted to all the Faculty Members for counselling depends on strength of the faculty & students (For each faculty member maximum 20 students are allotted).
- Girls' students are allotted to the Female Faculty Members & Boys students are allotted to the Male Faculty Members.
- After allocation every student should meet their counsellor every month.
- In the counselling process it is the responsibility of the Faculty Members to take care of student's academics such as attendance & their backlogs.
- Counsellor has to solve the student's problems if they are facing any issues in academics, personal & in college.
