Chapter 1: ABOUT ANNAMACHARYA EDUCATIONAL TRUST

Annamacharya Educational Trust was established in 1997 with the noble objective of providing accessible, affordable, and high-quality education to students from diverse social, cultural, and economic backgrounds. The Trust currently operates ten well-reputed educational institutions across Andhra Pradesh and Telangana, upholding uncompromising values in education. With the dedicated efforts of its members, the Trust has propelled each institution under its umbrella to great heights.

The journey began 28 years ago with the establishment of Annamacharya Institute of Technology and Sciences in Rajampet, Andhra Pradesh. This institution, which started in 1998 with just 180 students, has now flourished into a large educational network offering specialized programs across various disciplines at the primary, secondary, and tertiary levels. Presently, the Trust runs seven institutions with a total student strength of 10,000, spanning from Kindergarten to Ph.D. Additionally, approximately 2,000 teaching staff and 650 non-teaching staff contribute to the success of these institutions.

The undergraduate and postgraduate colleges under the Trust offer programs in diverse fields, including Engineering, Science, Commerce, Pharmacy, Management, and Education. These institutions have established strong collaborations with premier institutes, national laboratories, and industries, fostering an academically vibrant environment and facilitating research activities. Over the past 28 years, nearly 30,000 students have graduated from Annamacharya educational institutions, with alumni excelling in various fields across India and abroad.

Today, Annamacharya institutions are recognized as among the best in the region, making them a preferred choice for students. This distinction has been achieved through the visionary leadership of Dr. Choppa Gangi Reddy, the Founder and Honorary Secretary of the Trust. His emphasis on self-discipline, moral integrity, and quality learning, combined with the relentless dedication of the management, faculty, and staff, has been instrumental in the Trust's success. The institutions uphold a strict academic calendar, provide intensive classroom and laboratory training, employ innovative pedagogical methods, and integrate technology into teaching. Furthermore, they actively incorporate physical education, social service, and moral education into the curriculum, fostering a strong commitment to discipline and holistic development among students.

Annamacharya Educational Trust has maintained sound financial stability, ensuring that there is no shortage of funds for academic programs and institutional development over the past 28 years. The Trust's ability to provide state-of-the-art facilities and resources stands as a testament to its extensive experience and expertise in managing educational institutions and shaping them into centres of excellence.

Founder and Promoter:

Dr. Choppa Gangi Reddy, coming from a humble background along with orthodox upbringing has values and tradition of Indian Culture in stilled in his whole persona. He was born on 21 June 1954 in Tallapaka, the birthplace of Sri Annamacharya. Hailing from an agricultural family Dr. Gangi Reddy pursued his Post Graduation in Sri Venkateswara University, Tirupati.

Annamacharya Educational Trust was founded in the year 1997 by Dr. C. Gangi Reddy that offers quality-driven engineering education to the rural youth. As the Founder and Honorary Secretary, Dr. Gangi Reddy established the first engineering college under the Trust, Annamacharya Institute of Technology and Sciences near Thallapaka to enable the rural students of the region to experience engineering education amidst state-of-the-art infrastructural facilities, and enjoy the innovative teaching-learning process. Subsequently, he established three engineering institutions at Hyderabad, Tirupati and Kadapa. These colleges help the engineering graduates to reach sophisticated educational and professional levels by developing their pertinent interpersonal skills, helping them to discover their individual niche, and connecting them with career assignments they are truly passionate about.

Annamacharya Educational Trust (AET), a trust registered under Societies Registration Act, XXI of 1860 with certificate of registration No: 135/IV/97 dated 13th August 1997. Under the Trust, the first institute namely, Annamacharya Institute of Technology and Sciences, Rajampet came up in 1998, to fulfill the aims of providing meaningful education; AET has been working towards establishing institutions in various districts of Rayalaseema region and Telangana state providing professional and technical education at Undergraduate, Graduate and Post graduate level.

Annamacharya Educational Trust Journey

Annamacharya Educational Trust first surfaced on the academic horizon in the year 1997 and within a span of 28 years with constant passion towards education, the institute became one of Rayalaseema's largest educational groups. The past two decades witnessed AET introducing novel academic programmes that have helped students enter the nation's premier engineering and higher educational institutions. The manner in which the group has transformed the outlook towards education has been nothing short of exemplary.

The proactive management team and strong teaching community are the key drivers of Annamacharya Educational Trust in all its achievements. Full, broad and balanced curriculum besides student co-

curricular, extension and cultural and sporting activities in the right proportions has been part of student life. The institutions are consistently attracting the best of students and transforming them into brilliant alumni who are spread across the globe. Networking with premiere academic institutions, national laboratories and industry has provided the necessary and essential platform for collaboration in academics and research. With its rich experience of over 28 years in education, today, Annamacharya Educational Trust is one of the premiere educational hubs in Andhra Pradesh.

Sanjeev Kumar
Senior Office Superintendent

On behalf of BCI, the meeting will be attended by Principal Secretary Mr. Srimanto Sen and/or Mr. Nalin Raj Chaturvedi, Additional Secretary and/or in absence of one/both of them by Mr. Awanish Kumar Pandey, Additional Secretary.

No other BCI employee is authorised to discuss Legal Education Related Matters.

To ensure the integrity and quality of legal education, it is essential to prevent unauthorized personnel, agents and touts from interfering in academic and administrative matters. Unauthorized interference often leads to misinformation and compromises the standards of legal education. Therefore, ONLY SENIOR AND AUTHORISED PERSONNEL AS MENTIONED ABOVE WILL BE ENTERTAINED.

Your cooperation is required to maintain transparency and uphold the highest standards in legal education. This measure is in the best interest of all stakeholders and aims to promote an environment conducive to the betterment of legal education.

This is for your information, necessary compliance and action.

Yours sincerely,

Nalin Raj Chaturvedi
Additional Secretary

Srimanto Sen
Principal Secretary

5. The above said fee structure notified by the Government under Section 7 of Act 5 of 1983 for the **block period 2024-25 to 2026-27** is subject to the following conditions:

a) The aforesaid concessional/subsidized fee structure determined for the various courses of study in the Private Universities as mentioned above for the Government Quota Seats of 50% does not include hostel, transport, mess charges, Registration fee, admission fee and refundable deposits of library and laboratory fee.

b) The minimum fee mentioned above shall be applicable, subject to the recommendation of the Commission and notification by the Government, for the similarly placed new programmes, if any, started by the any University during the block period 2024-25 to 2026-27 and where data was not provided by the Private Universities for some of the programmes.

c) The same fee shall continue for the students admitted during the block period 2024-25 & 2026-27, till they complete the programme.

d) The Universities shall not charge either directly or indirectly any other amount over and above the fee fixed for the Government Quota Seats of 50% mentioned above. If any other amount is charged under any other head or guise i.e., donations, the same would amount to charging of capitation fee and in that case the university shall be liable to be levied penalty under Rule 13 of the Andhra Pradesh Private Universities (Establishment) Rules, 2017 r/w the APHERMC Act, 2019 and the APHERMC Rules, 2019 made thereunder.

e) In case of any deviation from these directions, the Commission will initiate serious penal action as per the provisions of the Private Universities Act, APHERMC Act and Rules made there under in accordance with Law.

f) The universities are cautioned to maintain proper accounts following lawful practices (Accrual/Mercantile basis of Accounting) including processing payments and receipts through Banks and follow the Regulations as well as guidelines of the Commission in submitting data for evaluation and regulation of fee proposals henceforth. In default their respective fee proposals are liable to be rejected under Regulation 5 (B)(viii) of APHERMC Regulations and such instances shall not be forwarded to the Government for fixation of fee.

g) In case of any deviation from these directions, the Commission will initiate serious penal action as per the provisions of the Act and Rules made there under;

h) Under Section 12 (4) & (5) of A.P. Higher Education Regulatory and Monitoring Commission Act, 2019, the Commission has the power to review and determine the fee payable to the Private University and review the fee determined, whether notified or not by the Government for any academic years/block periods.

Welcome Address:

Dr. N. R. Gowthami, Chairperson, welcomed all the members and expressed her gratitude to the external experts, university nominee, industry representative, and alumni member for their presence and valuable support.

The Chairperson introduced all the members. Special mention was made of the external experts:

- Dr. Gangolu Appa Rao, Professor, IIT Madras
- Dr. A. Ramachandra Murthy, Senior Principal Scientist, CSIR-SERC, Chennai
- Dr. M. Srimurali, Professor, SVU College of Engineering, Tirupati
- Er. K. Sreenivasa Murthy, Executive Engineer, R&B, Kadapa
- Mr. N. Sarath Chandra, Managing Director, Ravi Builders and Planners

The agenda was presented and taken up for detailed discussion.

Deliberations and Resolutions:

<u>Agenda Item No. BoS/2026/CIVIL/3.1:</u> Ratification of 2nd Board of Studies Meeting minutes

The minutes were reviewed. The Board ratified the 2nd Board of Studies Meeting minutes. i.e., II B.Tech and II M.Tech Syllabus and Subject experts of II B.Tech.

Dr. N.R. Gowthami	Dr. S. Venkata Vara Prasad	Mr. B Raghunatha Reddy	Mr. D Rama Bhupal Reddy	Dr. Gangolu. Appa Rao
Dr. A. Ramachandra Murthy	Dr. M. Srimurali	Er. K.Sreenivasa Murthy	Mr. G Sarath Chandra	

Dr. Gangolu Appa Rao emphasized strengthening fundamental subjects with practical exposure. Dr. A. Ramachandra Murthy suggested inclusion of real-time case studies in core subjects through Internship.

Agenda Item No. BoS/2026/CIVIL/3.2: Course structure for III & IV B.Tech of AU24 Regulations:

- Dr. M. Srimurali recommended inclusion of advanced electives.
- Er. K. Sreenivasa Murthy stressed industry-oriented courses like construction management and field practices. Insisted Internships to be incorporated in the curriculum.
- Mr. N. Sarath Chandra suggested adding project-based learning components by Civil Engineering Workshop, to add skill oriented learning in students.Since AI is playing major role across all the sectors, experts recommended to incorporate AI in Curriculum
- Dr. A. Ramachandra Murthy suggested inclusion of emerging areas like sustainable materials and advanced structural analysis.
- Dr. Gangolu Appa Rao recommended strengthening analytical components.
- Dr. M. Srimurali emphasized aligning syllabus with academic standards and outcome-based education.
- Er. K. Sreenivasa Murthy stressed inclusion of field-oriented and practical components.

N. Sarath Chandra suggested incorporating **skill-based and industry-relevant topics**, along with replacing "Lab" with "Laboratory," assigning mentors for each internship batch, replacing "Rehabilitation" with "Retrofitting of Structures," separating Internship (4-1) and Project (4-2), removing "Industry" from titles, and clarifying the summer vacation structure

The Course structure of III & IV B.Tech was approved by incorporating suggestions as enclosed in the Annexure-I

Agenda Item No. BoS/2026/CIVIL/3.3: Detailed syllabus for III Year (I & II Sem)

- Dr. A. Ramachandra Murthy suggested inclusion of emerging areas like sustainable materials and advanced structural analysis.

Dr. N.R. Gowthami	Dr. S. Venkata Vara Prasad	Mr. B Raghunatha Reddy	Mr. D Rama Bhupal Reddy	Dr. Gangolu. Appa Rao
Dr. A. Ramachandra Murthy	Dr. M. Srimurali	Er. K.Sreenivasa Murthy	Mr. G Sarath Chandra	

- Dr. Gangolu Appa Rao recommended strengthening analytical components, For Design of Reinforced Concrete Structures (DRCS), renaming Unit I to Design Concepts, replacing "Philosophy" with "Concepts," expanding WSM, removing Continuous Beams (Unit II) and Analysis (Unit III), and including biaxial column demonstration in Unit IV.
- For Prestressed Concrete, Dr. A. Ramachandra Murthy recommended adding an introduction, renaming Unit I to Prestressing Systems, replacing "Losses" with "Loss," and revising Unit III to include Load Balancing Concepts.
- For Sustainable Construction, Dr. M. Srimurali suggested adding green building rating systems.
- For Transportation Laboratory, Er. K. Sreenivasa Murthy recommended inclusion of CRMB (Crumb Rubber Modified Bitumen) as a specimen.
- For Design of Steel Structures (DSS), Dr. M. Srimurali suggested removing "Introduction" in Unit-1 adding Connections, and removing Built-up Beams in Unit IV.
- For Environmental Engineering (EE), Er. K. Sreenivasa Murthy recommended adding Source, Quality, and Sequence in Unit II, replacing the Hardy Cross Method with simple and complex networks in Unit IV, and corrected textbook names.
- For Bridge Engineering, Dr. Gangolu Appa Rao suggested keeping theory only for composite bridges in Unit IV
- For ETABS Laboratory, N. Sarath Chandra emphasized manual checking for ETABS lab experiments.
- For EE Laboratory, Er. K. Sreenivasa Murthy suggested including P_H and TDS experiments.

Resolution:

The syllabus was thoroughly reviewed and approved with necessary modifications to meet **real-world requirements**, enhance **industry relevance**, and align with the objectives of the **National Education Policy (NEP) 2020**.

Dr. N.R. Gowthami	Dr. S. Venkata Vara Prasad	Mr. B Raghunatha Reddy	Mr. D Rama Bhupal Reddy	Dr. Gangolu. Appa Rao
Dr. A. Ramachandra Murthy	Dr. M. Srimurali	Er. K.Sreenivasa Murthy	Mr. G Sarath Chandra	

The revisions focus on improving analytical skills, incorporating emerging areas, strengthening practical exposure, and ensuring outcome-based education. The updated and approved syllabus is enclosed in **Annexure-II**.

Agenda Item No. BoS/2026/CIVIL/3.4: DAB & PAC discussion

The Board discussed the effective implementation and strengthening of the Department Advisory Board (DAB) to ensure continuous academic improvement and alignment with institutional goals.

Dr. M. Srimurali emphasized the need for continuous assessment, systematic target setting, and effective outcome-based monitoring through the Program Assessment Committee (PAC). He further suggested periodic reviews, documentation of outcomes, and corrective measures to enhance the overall quality of teaching–learning processes and student performance.

Agenda Item No. BoS/2026/CIVIL/3.5: Approval of Subject Experts panel

The panel was thoroughly reviewed and discussed by the Board members, and after due consideration, it was **unanimously approved**. The finalized panel of subject experts is enclosed in **Annexure-III** for reference.

Agenda Item No. BoS/2026/CIVIL/3.6: Curriculum feedback discussion

Feedback from stakeholders was analyzed.

Mr. N. Sarath Chandra emphasized aligning curriculum with industry requirements.

Er. K. Sreenivasa Murthy suggested increasing site exposure and internships.

The Board resolved to incorporate feedback in curriculum revisions such as Engineering Work shop, AI Assisted Building Planning and Estimation Laboratory and Teckla software.

Agenda Item No. BoS/2026/CIVIL/3.7: Any other item

No additional items were discussed.

Dr. N.R. Gowthami	Dr. S. Venkata Vara Prasad	Mr. B Raghunatha Reddy	Mr. D Rama Bhupal Reddy	Dr. Gangolu. Appa Rao
Dr. A. Ramachandra Murthy	Dr. M. Srimurali	Er. K.Sreenivasa Murthy	Mr. G Sarath Chandra	

The Chairperson thanked all the members, especially the external experts and industry representatives, for their valuable suggestions and active participation.

The meeting concluded on a productive and constructive note that inhibits skill, attitude and Knowledge to the students towards sustainability.

MINUTES OF THE MEETING

Agenda Item No. BoS/2026/EEE/3.1: Welcome and Introduction

Welcome:

Dr. P. B. Chennaiah, Associate Professor & Head, School of Electrical and Electronics Engineering has extended warm welcome to all the members.

Introduction:

At the outset, Dr. P. B. Chennaiah, introduced all the members of the Board of Studies and thanked them for accepting the invitation to the 3rd BoS meeting.

Agenda Item No. BoS/2026/EEE/3.2: Ratification of the Minutes of the 2nd Board of Studies Meeting.

The external BoS members have ratified the points discussed in the 2nd Board of Studies meeting held on 09/06/2025.

Agenda Item No. BoS/2026/EEE/3.3: Ratification of 2nd BoS meeting action taken report.

The BoS chairman presented the action taken report on changes made in the syllabus as per the suggestions given by the external BoS members and is enclosed in **Annexure-I.** The BoS members approved the same.

Agenda Item No. BoS/2026/EEE/3.4: Discussion on stakeholder's feedback on curriculum.

The BoS chairperson presented the stakeholders feedback on curriculum received from the feedback committee approved by PAC (Programme Assessment Committee). The resolutions are appended in **Annexure-II.**

Agenda Item No. BoS/2026/EEE/3.5: Discussion on course structure of B. Tech, AU R-24 Regulations.

The BoS chairman presented the course structure of B. Tech, AU R24 Regulations, the BoS members approved the course structure and the copy of course structure is enclosed in **Annexure-III.**

Agenda Item No. BoS/2026/EEE/3.6: Discussion on syllabus for the III - B. Tech, AU R-24 Regulations.

The BoS chairman discussed the syllabus of III - B. Tech, AU R-24 Regulations. The BoS members approved the syllabus. The copy of syllabus has been enclosed in **Annexure-IV.** Also, the following recommendations are given.

P. B. K
(P. B. Chennaiah)

(P. Bhaskar Prasad)

(C. Ganesh)

Dr. B. Ravi Kumar:

- It was suggested to incorporate standard and authentic web resources as learning references in all relevant courses.
- In the **Linear Control Systems** course, the topic related to the **principle of operation of AC and DC servo motors** may be removed.
- It was recommended to modify the title of **Unit-I** in the **Power Electronics** course as **"Power Semiconductor Devices and Characteristics."**
- The laboratory title **"Power Electronics & Simulation Lab"** is recommended to be renamed as **"Power Electronics Lab."**
- In the **Power Electronics & Simulation Lab**, it was suggested to revise and update the titles of the laboratory experiments.
- In the **Power Systems Lab**, the title of **Experiment No. 8** may be revised as **"Study of Ferranti Effect."**

Dr. K. Udhaya Kumar:

- It was recommended to rename the laboratory **"Power Electronics & Simulation Lab"** as **"Power Electronics Lab."**
- In the course **Electrical Power Transmission and Switchgear**, the book **"Electrical Power Systems" by C. L. Wadhwa** may be included as a **Textbook** instead of being listed under references.
- In the **Sensors and Instrumentation** course, it was recommended to introduce **SCADA basics** in **Unit-IV** and include the topic **Multi-Sensor Data Fusion**.
- In the course **IoT Applications in Smart Energy Systems**, the topic **IoT in Energy Systems** may be included for better alignment with emerging technologies.
- In the **Gender Sensitization** course, it was recommended to include the **Prevention of Sexual Harassment (PoSH) Act**.

Dr. Suresh MVJJ:

- In the **Linear Control Systems** course, it was suggested to include **fundamentals of Digital Control Systems** in **Unit-V**, and accordingly revise the course title to **"Linear & Digital Control Systems."**
- In the **IoT with Arduino & Node MCU** course, an **experiment related to Drones** may be introduced in **Unit-V**.

P. B. Ravi Kumar (P. B. Ravi Kumar)

P. Bhaskar Prasad

G. Suresh

- In the **Renewable Energy Systems** course, the introduction of **Grid Integration Techniques** was recommended.
- In the **Sensors and Instrumentation** course, it was suggested to incorporate the topic **Calibration of Sensors.**
- . The course title **"AIML in Electrical Engineering"** may be revised as **"AI & ML in Electrical Engineering."**
- In the **AI & ML in Electrical Engineering** course, it was recommended to include one additional textbook under the **Textbooks** section.
- In the **Battery Management System** course, the topic title in **Unit-I** may be revised from **"Batteries"** to **"Types of Batteries."**
- It was recommended to introduce the topic **"Standards for Battery Testing"** in **Unit-V** of the Battery Management System course.
- In the **EV and RES Lab**, it was recommended to include an experiment on **Simulation of Battery Energy Storage System (BESS) performance characteristics.**
- In the **EV & RES Lab**, the following experiments were suggested for inclusion:

i) Load test on EV ii) Study of RES integrated EV charging station iii) Fast charging of EVs iv) Simulation of Micro Grids and Smart Grids v) Hybrid Energy Control System vi) Simulation of Cyber Security Events

Agenda Item No. BoS/2026/EEE/3.7: To Discuss the inclusion of the courses aligned with SDG's, cross cutting issues and IKS in the curriculum of the department.

The BoS chairman discussed the courses aligned with SDG's, Cross cutting issues and integration with IKS and the BoS members approved the same. The list is enclosed in **Annexure-V.**

Agenda Item No. BoS/2026/EEE/3.8: To approve the list of examiners for III - B. Tech courses

The BoS chairman listed out the external examiners from reputed Universities and the BoS members approved the same. The list of examiners has been presented in **Annexure-VI.**

MINUTES OF THE MEETING

Agenda Item No. BoS/2026/MECH/3.1: Confirmation of the Minutes of the 2nd Board of Studies Meeting.

- The Chairman of Board of Studies informed the members that the minutes of the 2nd Board of Studies meeting of the Department of Mechanical Engineering, School of Engineering, Annamacharya University, held on 9th June 2025, were circulated to all members through email for review and confirmation.

Resolution:
The Board of Studies members confirmed and approved the Minutes of the 2nd Board of Studies meeting held on 9th June 2025. The Minutes of Meeting and Action Taken Report are enclosed in **Annexure – I.**

Agenda Item No. BoS/2026/MECH/3.2: To discuss and finalise the course structure of III & IV Year Mechanical Engineering under AU-24 Regulations and to deliberate in detail on the syllabus of III Year courses.

- Dr G. Suresh Babu presented initially the III-Year course structure and syllabi to the members. The following discussions were made.
  1. Machining Processes: Dr. V. Diwakar Reddy suggested adding the textbook Tool Design by Donaldson Cyril in the reference section.
  2. I.C. Engines & Gas Turbines: Dr. V. Diwakar Reddy suggested adding the textbook Treatise on Heat Engineering by V. P. Vasandani in the reference section.
  3. Design of Machine Members: Dr. V. Diwakar Reddy suggested revising Unit-II by limiting the topic "Design of Springs" to helical and leaf springs with simple problems only. He also suggested removing gasketed joints from Unit-III and deleting the repeated topics related to torsion and leaf spring design from Unit-II.
  4. Renewable Energy Resources: Dr. B. Durga Prasad and Mr. S. Veeranjaneyulu suggested revising the title of Unit-V as "Tidal, Wave, Hydro and Direct Energy Conversion Systems".
  5. Mechanical Vibrations: Dr. B. Durga Prasad suggested revising the syllabus of Unit-I with cross verification of the topics covered in the Theory of Machines subject.
  6. Mechanical Vibrations: Dr. V. Diwakar Reddy suggested to add in the reference section: Mechanical Vibrations by W. T. Thomson & Mechanical Vibrations by V. P. Singh
  7. Machining Process Laboratory: Dr. V. Diwakar Reddy and Mr. S. Veeranjaneyulu suggested developing an end product utilizing the resources available in the Machining Process Laboratory.
  8. Refrigeration & Air Conditioning Lab: Dr. B. Durga Prasad and Dr. V. Diwakar Reddy suggested introducing clean air technology as a study experiment in the Refrigeration and Air Conditioning Laboratory.
  9. Refrigeration & Air Conditioning Lab: Dr. N. Sivarami Reddy suggested introducing a welding experiment in the list of experiments of the Refrigeration and Air Conditioning Laboratory.
  10. Heat Transfer: Dr. B. Durga Prasad and Dr. N. Sivarami Reddy suggested adding the topic "basic two-dimensional formulation of numerical methods under elementary treatment" in Unit-I of the Heat Transfer subject.
  11. Metrology and Measurements: Dr. V. Diwakar Reddy and Dr. N. Sivarami Reddy suggested reviewing the topics in Unit-I and recommended removing the topic "Sine Bar" as it is already covered in the laboratory.

12. Metrology and Measurements: Dr. V. Diwakar Reddy and Dr. N. Sivarami Reddy suggested specifying the methods used for pressure measurement, such as Bourdon tube and diaphragm methods.
13. CAD/CAM: Dr. V. Diwakar Reddy suggested incorporating file formats such as IGES and STEP in Unit-II and removing the topic CAQC.
14. Smart Manufacturing: Dr. V. Diwakar Reddy suggested adding network protocols in systems under the Smart Manufacturing subject. He also suggested providing exposure to NSCAD software and including a case study report on industrial techniques related to smart manufacturing.
15. Additive Manufacturing: Dr. V. Diwakar Reddy suggested the following modifications:
    i) Unit-IV and Unit-V topics are to be interchanged.
    ii) Reverse Engineering topics from Unit-IV are to be shifted to Unit-V.
16. Automobile Engineering: Dr. B. Durga Prasad and Dr. V. Diwakar Reddy suggested planning an industrial visit to understand practical aspects of automobile systems such as steering systems and related components.
17. Design of Transmission Systems: Dr. V. Diwakar Reddy suggested the following:
    i) To include Lewis equation derivation in Unit-III.
    ii) To reduce the overall syllabus content as it is lengthy.
    iii) To include elementary treatment of single web crankshaft design and force diagrams.
    iv) To add the textbooks Machine Design by Robert L. Norton and Design of Machine Members by P. Kannaiah in the reference section.
18. Modern Machining Processes: Dr. V. Diwakar Reddy suggested adding applications related to precision engineering in Unit-II and including Wire EDM principles and applications in Unit-IV.
19. Operations Research: Dr. V. Diwakar Reddy advised verifying the inclusion of North-West Corner Method and Vogel's Approximation Method in Unit-II.
20. Computational Fluid Dynamics: Dr. V. Diwakar Reddy suggested the following:
    i) To verify whether numerical methods are covered in the mathematics syllabus.
    ii) To specify prerequisites for all elective subjects.
    iii) To revise the syllabus to basic and elementary level and to avoid detailed derivations.
    iv) To restrict the number of numerical methods in Unit-V to a minimum.
21. Heat Transfer Lab: Dr. B. Durga Prasad and Dr. V. Diwakar Reddy suggested adding a study experiment on formulation of non-dimensional parameters in the Heat Transfer Laboratory.
22. Computer Aided Engineering Lab: Mr. S. Bala Krishna and Dr. V. Diwakar Reddy suggested adding experiments on axisymmetric thermal analysis in Part-III and also recommended including experiments on thermal stress and thermal strain analysis using ANSYS.
23. Mr. S. Veeranjaneyulu suggested reviewing the inclusion of surface treatment topics in the curriculum.
24. In the IV-Year course structure, Dr. V. Diwakar Reddy, Mr. S. Bala Krishna and Mr. S. Veeranjaneyulu suggested the following points related to the Product Development Laboratory:
    i) To verify the prerequisites for the course.
    ii) To verify whether Design for Manufacturing topics are already covered in the curriculum.
    iii) To provide exposure to design process, design synthesis and design specifications.
    iv) To conduct at least three exercises related to design topics

Resolution:

After detailed deliberations, the Board of Studies members unanimously approved the incorporation of the above suggestions and modifications in the III & IV Year Mechanical Engineering course structure and III Year syllabi under AU-24 Regulations. The corresponding Action Taken Report (ATR) is enclosed in **Annexure – II.**

Agenda Item No. BoS/2026/MECH/3.3: Review of the curriculum with respect to industry requirements and emerging technologies.

- The members reviewed the curriculum with respect to current industry requirements and emerging technologies. The following suggestions were made:
  1. To strengthen industry-oriented learning through inclusion of case studies, industrial applications and software exposure in core and elective subjects.
  2. To provide practical exposure to modern manufacturing technologies such as Smart Manufacturing, Additive Manufacturing, Industrial IoT, Robotics and Artificial Intelligence applications in Mechanical Engineering.
  3. To encourage interdisciplinary learning by integrating topics related to automation, data analytics, electric vehicles and sustainable engineering practices.
  4. To improve employability skills through industry visits, mini-projects, product development activities and hands-on laboratory experiments.
  5. To introduce emerging software tools and simulation platforms relevant to design, manufacturing and analysis applications.
  6. To ensure the syllabus content is balanced between theoretical concepts and practical industrial applications suitable for undergraduate students.
  7. To periodically review the curriculum and update elective subjects in line with current industrial trends and technological advancements.
  8. The members appreciated the incorporation of industry-oriented content, emerging technologies and software/tool-based learning components in the curriculum.

Resolution:

After detailed deliberations, the Board of Studies members appreciated the efforts made towards aligning the curriculum with current industry requirements and emerging technologies. The members unanimously recommended incorporating industry-oriented learning practices, interdisciplinary technologies, practical exposure, software tools and application-based learning approaches in the curriculum wherever applicable. The Board also resolved to periodically review and update the curriculum in accordance with industrial trends, technological advancements and employability requirements.

Agenda Item No. BoS/2026/MECH/3.4: Inclusion of skill-oriented, value-added, and interdisciplinary courses.

- The members discussed the inclusion of skill-oriented, value-added and interdisciplinary courses in the curriculum. The following suggestions were made:
  1. To introduce skill-oriented courses focusing on industry-relevant software tools, manufacturing practices and emerging technologies.
  2. To encourage interdisciplinary learning through courses integrating Mechanical Engineering with Artificial Intelligence, Automation, Robotics, Data Analytics and Electric Vehicle technologies.

3. To promote value-added courses aimed at improving employability, technical competency and entrepreneurial skills among students.
4. To provide certification-oriented training programs in collaboration with industries and professional bodies.
5. To include hands-on learning activities such as mini-projects, case studies, industrial training and product development exercises in laboratory courses.
6. To encourage students to undertake interdisciplinary projects addressing real-time industrial and societal problems.
7. To periodically review and update value-added and interdisciplinary course offerings based on industry requirements and technological advancements.

The members appreciated the inclusion of skill-oriented, value-added and interdisciplinary learning components aimed at improving employability, practical skills and industry readiness of students.

Resolution:

After detailed deliberations, the Board of Studies members appreciated the inclusion of skill-oriented, value-added and interdisciplinary learning components in the curriculum. The members unanimously recommended strengthening industry-oriented training, certification programs, interdisciplinary learning, project-based activities and practical skill development initiatives to enhance student employability, innovation and technical competency. The Board also resolved to periodically review and update such course offerings in line with emerging technologies, industrial requirements and future career opportunities.

Agenda Item No. BoS/2026/MECH/3.5: Discussion on integration of Sustainable Development Goals (SDGs), Indian Knowledge System (IKS) and Cross-cutting issues, in the curriculum.

- Dr. G. Suresh Babu presented the detailed course-wise mapping of Sustainable Development Goals (SDGs), Indian Knowledge System (IKS), and cross-cutting issues integrated into the curriculum of III and IV Year Mechanical Engineering courses. The presentation included unit-wise mapping of sustainability concepts, traditional knowledge systems, environmental aspects, societal relevance, ethical practices, and interdisciplinary learning components across theory courses, laboratories, internships, and project work.
- The Board members reviewed the integration of SDGs related to clean energy, sustainable manufacturing, responsible consumption, industry innovation, quality education, climate action, gender equality, and sustainable communities through various core and elective courses. The members appreciated the inclusion of topics related to renewable energy systems, green manufacturing, smart manufacturing, energy-efficient systems, additive manufacturing, automation, hybrid and electric vehicles, and community-oriented learning practices.
- The members also appreciated the incorporation of Indian Knowledge System (IKS) concepts through references to traditional engineering practices, indigenous manufacturing methods, ancient measurement systems, passive cooling techniques, biomass utilization, rural technologies, and sustainable design approaches wherever applicable in the curriculum.
- The Board observed that the curriculum effectively integrates cross-cutting issues such as environment and sustainability, professional ethics, gender sensitization, societal responsibility, digital transformation, innovation, and interdisciplinary learning in alignment with the objectives of the National Education Policy (NEP) and Outcome-Based Education (OBE) requirements.

- The external experts suggested strengthening application-oriented learning through industrial case studies, mini-projects, internship activities, community-based problem solving, and practical exposure related to sustainability, smart technologies, and emerging industrial practices.

Resolution:
After detailed deliberations, the Board of Studies members unanimously approved the integration of Sustainable Development Goals (SDGs), Indian Knowledge System (IKS) concepts and cross-cutting issues in the III & IV Year Mechanical Engineering curriculum and III Year course syllabi under AU-24 Regulations. The members also recommended periodic review and enhancement of these components in alignment with future academic, industrial and societal requirements. The detailed course-wise mapping of SDGs, IKS concepts and cross-cutting issues is enclosed in **Annexure – III.**

Agenda Item No. BoS/2026/MECH/3.6: Approval of the list of examiners for various courses.

- The Chairman of the Board of Studies presented the list of examiners for III Year courses/subjects for discussion and approval by the members.

Resolution:
After detailed deliberations, the Board of Studies members unanimously approved the list of examiners for III Year courses/subjects. The approved list of examiners is enclosed in **Annexure – IV.**

Agenda Item No. BoS/2026/MECH/3.7: Discussion on introduction of new programs/enhancement of intake, if any.

- The members discussed the possibilities for introduction of new programs and enhancement of intake in the Department of Mechanical Engineering based on emerging industry requirements, student demand and future technological trends.
- The Board members suggested introducing industry-oriented integrated programs and specialization tracks in emerging areas such as Drone Technology, Electric Vehicles, Smart Manufacturing, Robotics, Artificial Intelligence applications in Mechanical Engineering and Defence Technology. The members also suggested exploring collaborations with defence training academies, industries and skill development organizations to enhance practical exposure and employability opportunities for students.
- The members emphasized the importance of strengthening laboratory infrastructure, industry collaborations, skilled faculty availability and research facilities before proposing any new program or enhancement in intake. The importance of improving admissions, placements, internships and industry interaction activities was also highlighted.

Resolution:
After detailed deliberations, the Board of Studies members recommended exploring the feasibility of introducing integrated and interdisciplinary programs aligned with current industrial trends, defence applications and future technological advancements. The members also recommended reviewing the possibility of enhancement of intake in future based on demand, infrastructure facilities and regulatory approvals

MINUTES OF THE MEETING

Welcome and Introduction

Welcome:

Dr J. Chinna Babu, Chairman, Board of Studies has extended warm welcome to all the members.

Introduction:

At the outset, Dr J. Chinna Babu, Chairman, Board of Studies, introduced all the members of the Board of Studies and thanked them for accepting the invitation to the 3rd BoS meeting. The agenda for the ECE -BoS meeting was then read and the forum was open for individual subject deliberations.

Agenda Item No. BoS/2026/ECE/3.1.: Confirmation of the Minutes of the 2nd Board of Studies Meeting.

The chairman has presented the minutes of 2nd Board of studies meeting of the department of ECE, Annamacharya University, Rajampet held on 9th June 2025 to be ratified. After deliberations and discussions, the 2nd BoS meeting minutes were ratified.

Agenda Item No. BoS/2026/ECE/3.2.: To review and approve the course structure and syllabi for III-B.Tech. I & II Semester, under the AU-24 Regulations.

Dr. J. Chinna Babu presented the course structure and detailed syllabi for the III B.Tech. I and II semesters of the ECE department to the members. The following points were discussed:

Dr. N. Sreekanth suggested that, in the III B.Tech. I semester, the topic "Different Modes of Wave Propagation," currently in Unit-IV of the Antenna and Wave Propagation course, be shifted to the end of Unit-III for better continuity of concepts. He also recommended that the topics on switching circuits be removed from the Pulse and Digital Circuits course in the same semester. In addition, he suggested that the topics "Expressions for Fields," "Characteristic Equation," "Cut-off Frequencies," and "Filter Characteristics" be removed from the Microwave Engineering course in the II semester.

Mr. Syed Javeed Basha suggested that additional experiments, such as the design of subtractor circuits and multiplier circuits, be introduced in the VLSI Design Laboratory course in the III B.Tech. I semester. He also recommended that the topic "SPI Interfaces" be included in Unit V of the Embedded Systems course in the III B.Tech. II semester.

Mr. Vikas Reddy Rapuru suggested that experiments in the Microprocessors and Microcontrollers Laboratory (MPMC Lab) in the III B.Tech. I semester be conducted using modern platforms such as ESP32 and MSP430, along with the existing 8051-based experiments. He also recommended incorporating open-source tools such as SCILAB and Python into the DSP Laboratory, along with MATLAB, to enhance accessibility and promote practical learning. Further, he proposed that Unit-II of the Digital Signal Processing course in the III B.Tech. II semester be renamed "Discrete and Fast Fourier Transforms" instead of "Fast Fourier Transforms" for better clarity and coverage.

Resolution:

After deliberations, the members of the Board of Studies (BoS) resolved to shift the topic *"Different Modes of Wave Propagation"* from Unit-IV to the end of Unit-III in the Antenna and Wave Propagation course of the III B.Tech. I Semester to ensure better continuity of concepts.

They further approved the removal of switching circuit topics from the Pulse and Digital Circuits course and the deletion of the topics *"Expressions for Fields," "Characteristic Equation," "Cut-off Frequencies,"* and *"Filter Characteristics"* from the Microwave Engineering course in the III B.Tech. II Semester.

Additionally, it was decided to strengthen laboratory and course components by introducing subtractor and multiplier circuit design experiments in the VLSI Design Laboratory, incorporating modern platforms such as ESP32 and MSP430 in the Microprocessors and Microcontrollers Laboratory, and including SCILAB and Python alongside MATLAB in the DSP Laboratory.

The BoS also approved the inclusion of *"SPI Interfaces"* in Unit V of the Embedded Systems course and the renaming of Unit-II of the Digital Signal Processing course as *"Discrete and Fast Fourier Transforms"* to enhance clarity and comprehensiveness.

Finally, the members unanimously approved the III-B.Tech. I & II Semester Course Structure and Syllabi under AU-24 Regulations for the ECE Department. The detailed syllabi are provided in Annexure-I.

Agenda Item No. BoS/2026/ECE/3.3.: To discuss and finalize the course structure for IV-B.Tech. I & II Semester, under the AU-24 Regulations.

Dr. J. Chinna Babu presented the IV B.Tech. course structure for consideration and discussion before the members of the Board of Studies (BoS) of the Department of Electronics and Communication Engineering.

Dr. N. Sreekanth suggested revising the course title to *"5G/6G Mobile Communication Technologies"* in place of *"5G Mobile Communication Networks"* under Professional Elective–V in the IV B.Tech. I Semester. Mr. Syed Javeed Basha, an alumnus working in the VLSI domain, recommended the introduction of a course titled *"Advanced VLSI Design and Verification"* under the Professional Electives to strengthen industry-relevant skills. Mr. Vikas Reddy Rapuru, Industry Representative Member, suggested including the course *"Edge AI and Intelligent Systems"* under the Professional Electives to align the curriculum with emerging technological trends.

Resolution:

After detailed deliberations, the members of the Board of Studies (BoS) resolved to revise the course title *"5G Mobile Communication Networks"* to *"5G/6G Mobile Communication Technologies"* under Professional Elective–V in the IV B.Tech. I Semester.

Further, the BoS approved the introduction of the course *"Advanced VLSI Design and Verification"* under the Professional Electives to strengthen industry-relevant skills, and the inclusion of the course *"Edge AI and Intelligent Systems"* to align the curriculum with emerging technological trends.

After incorporating all the suggested points, the members unanimously approved the IV B.Tech. I & II Semester course structure under AU-24 Regulations for the ECE Department. The approved course structure is provided in Annexure-II.

Agenda Item No. BoS/2026/ECE/3.4.: To review and address any discrepancies observed in I & II-B.Tech. course structure and syllabi, under the AU-24 Regulations.

The Board examined the course structure and detailed syllabi of the I and II B.Tech. under the AU-24 Regulations. It was observed that the I B.Tech. curriculum is satisfactory, with no discrepancies identified in the existing course structure and syllabi.

Dr. N. Sreekanth suggested removing the *Z-Transforms* topics from Unit-V of the *Signals and Systems* course in the II B.Tech. I Semester, as these concepts pertain to discrete-time signals and are more appropriately covered in the *Digital Signal Processing* course.

Resolution:

After detailed deliberations, the members of the Board of Studies (BoS) noted that the I B.Tech. course structure and detailed syllabi under the AU-24 Regulations are satisfactory, with no discrepancies identified. Further, the BoS resolved to remove the *Z-Transforms* topics from Unit V of the *Signals and Systems* course in the II B.Tech. I Semester, as these concepts are more appropriately covered in the *Digital Signal Processing* course. The modified syllabus of the *Signals and Systems* course is provided in Annexure–III.

Agenda Item No. BoS/2026/ECE/3.5.: Discussion on the inclusion of courses aligned with Sustainable Development Goals (SDGs), cross-cutting issues and Indian Knowledge System (IKS) in the curriculum of the ECE department.

Dr. J. Chinna Babu presented the III B.Tech. courses, including I and II Semesters, with reference to their alignment with Sustainable Development Goals (SDGs), cross-cutting issues, and the Indian Knowledge System (IKS). He highlighted that the current curriculum adequately incorporates components related to environmental sustainability, ethical practices, societal needs, and traditional knowledge systems. The members reviewed the extent of coverage and integration of these aspects across various courses in the program.

Resolution:

After detailed deliberations, the members of the Board of Studies (BoS) expressed satisfaction with the existing curriculum and resolved that no modifications are required, as the current course structure sufficiently addresses SDGs, cross-cutting issues, and IKS. The list of courses aligned with these aspects is provided in Annexure–IV.

Agenda Item No. BoS/2026/ECE/3.6.: To discuss and approve the syllabus for the Annamacharya University Research Admission Test (AURAT) - 2026 for the ECE department.

Dr. J. Chinna Babu presented the proposed syllabus for the Annamacharya University Research Admission Test (AURAT) – 2026 for the ECE Department. He explained the structure of the syllabus, which includes core subjects, fundamental concepts, and emerging areas relevant to assessing research aptitude in

Electronics and Communication Engineering. The members reviewed the syllabus in detail and discussed its adequacy in evaluating candidates' technical knowledge and research potential.

Resolution:

After detailed deliberations, the members of the Board of Studies (BoS) approved the syllabus for the Annamacharya University Research Admission Test (AURAT) – 2026 for the ECE Department. The approved syllabus is provided in Annexure–V.

Agenda Item No. BoS/2026/ECE/3.7.: To approve the list of examiners for III B.Tech. courses/subjects.

The Chairman presented the proposed panel of examiners for the III B.Tech. ECE courses for the current academic year. The Board reviewed the qualifications and institutional affiliations of the proposed examiners and found the panel to be appropriate and in accordance with university norms.

Resolution:

After deliberations, the members of the Board of Studies (BoS) approved the proposed panel of examiners for the III B.Tech. ECE courses. The finalized list of examiners is provided in Annexure–VI.

Agenda Item No. BoS/2026/ECE/3.8.: Discussion on feedback received regarding the curriculum.

The members discussed the feedback received from stakeholders, including the Feedback Committee, Programme Assessment Committee (PAC), and Department Advisory Board (DAB), regarding the curriculum. The suggestions mainly focused on improving practical exposure through more laboratory sessions and hands-on learning, encouraging student development through sports and activities, conducting workshops on emerging technologies such as Artificial Intelligence, strengthening Campus Recruitment Training (CRT) in core areas, and increasing interaction with industry through workshops, internships, and guest lectures.

The Board also discussed the need for improving infrastructure, including the addition of a new computer laboratory, and the inclusion of the *Computer Networks* course in the curriculum. All suggestions were reviewed carefully for improving the quality of the academic program.

Resolution:

After detailed deliberations, the members of the Board of Studies (BoS) approved the suggestions received from stakeholders. It was decided to improve practical exposure by increasing laboratory sessions and hands-on experiments, promote student development through sports and related activities, and conduct workshops on emerging technologies such as Artificial Intelligence.

It was also decided to strengthen Campus Recruitment Training (CRT) in core subjects, organize more workshops, internships, and guest lectures with industry experts, provide an additional computer laboratory, and include the *Computer Networks* course in the curriculum. The detailed feedback and corresponding resolutions are provided in Annexure–VII.

Agenda Item No. BoS/2026/ECE/3.9.: Any other item with the permission of the Chair.

Dr. J. Chinna Babu, Chairman of the Board of Studies (BoS), proposed the Vote of Thanks. He expressed his sincere appreciation to all the members for their valuable time, insightful suggestions, and active involvement in the discussions. He emphasized that the collective inputs and recommendations would contribute significantly to strengthening the curriculum and maintaining its relevance to current academic and industry requirements.

MINUTES OF THE MEETING

BoS/2026/CSE/1	Welcome and Introduction

Welcome:

Dr. M. Subba Rao, Head, Department of Computer Science and Engineering has extended warm welcome to all the members.

Introduction:

Dr. M.Subba Rao expressed his gratitude for their continued support and valuable contributions toward strengthening the academic framework of the Department of Computer Science and Engineering.

Before proceeding with the day's agenda, he recalled the proceedings of the 2nd Board of Studies Meeting held on 11th June 2025. He stated that the meeting had been a significant step in shaping the academic direction of the department, with several key items discussed and approved. These included the Vision and Mission statements, Program Educational Objectives, Program Outcomes, and Program Specific Outcomes, along with the AU24 course structures and syllabi for B.Tech.

Dr. M. Subba Rao informed the members that the minutes of the 3rd meeting had been documented and circulated in advance for their review. He then requested the board to kindly confirm the minutes as recorded and invited any comments or suggestions for modification, if necessary.

BoS/2026/CSE/2	Confirmation of the Minutes of the 3rd Board of Studies Meeting

Resolution:

The BOS Confirmed and approved 2nd Board of Studies Meeting held on 11th June 2025 (Minutes of Meeting is enclosed in the **Annexure-I.**)

BoS/2026/CSE/3	Discussion and Finalization of Course Structure of III & IV B.Tech and Syllabus for III-I & III-II B.Tech under AU-24 Regulations.

Resolution:

The Board of Studies (BoS) convened to review, discuss, and finalize the proposed course structure for III & IV B.Tech and syllabus for III-I & III-II B.Tech program under the AU-24 Regulations. The board conducted a detailed evaluation of the curriculum, with particular focus on academic progression, relevance to current industry needs, and alignment with program outcomes.

During the discussion, Dr. N. Sreenath, Subject Expert from Pondicherry Engineering College, Pondicherry, and Dr. N. Ramakrishnaiah, University Nominee from JNTUK, Kakinada, suggested that the courses Microprocessors and Microcontrollers under the Professional Elective category should consist of 2 hours of lecture and 2 hours of practical sessions per week. They also recommended that the Computer Networks course should include a more detailed and elaborative syllabus for each unit to enhance clarity and depth of understanding.

Considering expert recommendation into account, the BoS members deliberated and agreed to revise the courses accordingly.

With this modifications, the Board unanimously **approved the revised course structure and syllabus for III-B.Tech.** under the AU-24 Regulations. The Board of Studies further resolved that the finalized syllabus be forwarded to the Academic Council for ratification and implemented from the academic year 2026–27.

The Course Structure and Syllabus for III-B.Tech is enclosed in the **Annexure-II**

BoS/2026/CSE/4	Discussion, Review and Revision of Course Structure and Syllabus for I-I & I-II of B.Tech. & M.Tech under AU-24 Regulations

Resolution:

The BoS members suggested changing the course titled "The Joy of computing using Python" replacing with "Python Programming". Considering expert recommendation into account, the BoS members deliberated and agreed to revise the courses accordingly.

BoS/2026/CSE/5	Review and address any discrepancies observed in the II-I & II-II syllabus UG (i.e., B.Tech.) under the AU-24 Regulations.

Resolution:

After a comprehensive review and validation by internal BoS members and External subject experts no discrepancies or inconsistencies were identified in the course content, learning outcomes, credit allocation or course sequencing.

BoS/2026/CSE/6	Discussion and Finalization of the CSE(IOTCSBT) in collaboration with **NIAT** Syllabus for II-I & II-II B.Tech. under AU-25 Regulations

Resolution:

The Board of Studies unanimously approved and adopted the NIAT syllabus for II-I and II-II B.Tech. programs under the AU-25 Regulations, with effect from the academic year 2026–27.

BoS/2026/CSE/7	To approve the list of examiners for UG & PG courses/subjects

Resolution:

The Board of Studies approved the list of examiners for the third-year courses/subjects. The detailed list of examiners is enclosed in Annexure-III.

BoS/2026/CSE/8	Discuss the introduction of new programmes and/or proposals for increase in intake, if applicable.

Resolution:

The Board deliberated on enhancing academic offerings and strengthening industry and societal engagement. During the discussion, Sri. Venkata Rao Lellapalli, Industry Representative from Capgemini, suggested the introduction of community-oriented internships and project components. He emphasized that such initiatives would enable students to apply their technical knowledge to real-world societal challenges, thereby fostering social responsibility and practical problem-solving skills

.

Further, the Board discussed the integration of online learning platforms such as SWAYAM/NPTEL/MOOCs into the curriculum. It was suggested to map a relevant MOOC/NPTEL/SWAYAM course to each Professional Elective in the Final Year – I Semester to promote self-paced learning and industry-relevant skill enhancement.

The Board approved the above proposals for implementation from the forthcoming academic year

MINUTES OF THE MEETING

Agenda Item No. BoS/2025/CSE(AI)/2.1 Welcome and Introduction

Welcome:

Dr N. Penchalaiah, Head, Department of Computer Science (Artificial Intelligence) has extended warm welcome to all the members.

Introduction:

At the outset, Dr. N. Penchalaiah introduced all the members of the Board of Studies and thanked them for accepting the invitation for the 3rd BoS meeting.

He recalled the proceedings of the 2nd Board of Studies Meeting and informed the members that the minutes had been documented and circulated in advance for their review. He requested the Board to confirm the minutes as recorded and invited suggestions, if any.

Agenda Item No. BoS/2026/CSE(AI)/3.1: Confirmation of the Minutes of the 2nd Board of Studies Meeting.

Resolution: The minutes of the 2nd Board of Studies meeting were presented before the members for review. The members thoroughly examined the recorded proceedings and resolutions. The Board unanimously approved and confirmed the minutes of the 2nd BoS meeting without any modifications.

The list is enclosed in the **Annexure-I.**

Agenda Item No. BoS/2026/CSE(AI)/3.2: To review and approve the curriculum structure and syllabus for III B. Tech (I & II Semesters) under AU-24 Regulations, along with the proposed IV B. Tech I Semester course structure.

Resolution: After detailed discussion and incorporating the valuable suggestions of the Board members, the BoS approved the curriculum structure and syllabus for III B. Tech (I & II Semesters) and the proposed IV B. Tech I Semester course structure under AU-24 Regulations.

The Board of Studies (BoS) convened to review, discuss, and finalize the proposed III B. Tech course structure (I & II Semesters) along with the proposed IV B. Tech I Semester course structure under the AU-24 Regulations.

The Board carried out a comprehensive evaluation of the curriculum with specific emphasis on:

- Academic progression and continuity of learning
- Alignment with Program Outcomes (POs)
- Industry relevance and incorporation of emerging technologies

During the deliberations:

The members emphasized the importance of introducing advanced Artificial Intelligence and related subjects at earlier stages of the program to strengthen foundational and applied knowledge.

The curriculum was carefully reviewed to ensure logical sequencing of courses, enabling systematic skill development and better learning outcomes.

The structure was also examined to enhance practical exposure, interdisciplinary learning, and industry readiness of the students.

After detailed deliberations, the Board unanimously approved the revised course structure and syllabus.

The approved curriculum structure and syllabus are enclosed in **Annexure-II.**

Agenda Item No. BoS/2026/CSE(AI)/3.3: To review and address any discrepancies observed in the second-year under the AU-24 Regulations (If applicable)

Resolution: The Board thoroughly reviewed the II Year curriculum under AU-24 Regulations.

The Board of Studies (BoS) undertook a detailed review of the second-year B. Tech curriculum under the AU-24 Regulations. The internal faculty members, along with the External BOS subject experts, carefully examined all aspects of the curriculum, including course content, structure, learning outcomes, credit distribution, and sequencing of subjects.

Upon thorough examination and verification, the Board observed that no discrepancies or inconsistencies were found in the existing curriculum. The syllabus was found to be well-structured, coherent, and appropriately aligned with academic standards and industry requirements.

Agenda Item No. BoS/2026/CSE(AI)/3.4: To Discuss and Approve the Realignment of Emerging AI Courses in the Curriculum

Resolution: After detailed deliberations, the Board unanimously approved the realignment of emerging AI courses across semesters as proposed:

- Deep Learning in III B. Tech I Semester (3-1)
- Generative AI in III B. Tech II Semester (3-2)
- Agentic AI in IV B. Tech I Semester (4-1)

The revised course structure reflecting these changes will be incorporated in the curriculum and enclosed in the relevant annexure.

The Board of Studies (BoS) deliberated on the need to realign emerging Artificial Intelligence courses across different semesters to enhance academic progression, ensure early exposure to advanced concepts, and align the curriculum with current industry and research trends.

The Chairperson presented the proposal for restructuring the placement of key AI courses within the program. The Board examined the academic flow, prerequisite knowledge requirements, and the overall impact on student learning outcomes.

During the discussion, the following suggestions were put forward by the External BOS members:

Dr. D. Vivekananda Reddy, Professor & Head, Department of Computer Science and Engineering, SVUCE, Sri Venkateswara University, Tirupati, emphasized introducing advanced AI subjects earlier in the curriculum to strengthen foundational competencies.

Dr. B. Srinivasa Rao, Professor, School of Computer and Information Sciences (SCIS), University of Hyderabad, highlighted the importance of aligning course sequencing with evolving industry demands and research directions.

Dr. Hanumanthappa M, Professor, Department of Computer Science and Director, IQAC, Bangalore University, Bangalore, recommended restructuring the curriculum to provide better continuity and progression in advanced AI topics.

Based on these expert recommendations, the Board discussed the following proposed realignment:

- **Introduction of "Deep Learning" in III B. Tech I Semester (3-1) from IV B. Tech I Semester (4-1)**
- **Introduction of "Generative AI" in III B. Tech II Semester (3-2) from III B. Tech I Semester (3-1)**
- **Positioning of "Agentic AI" in IV B. Tech I Semester (4-1) from III B. Tech II Semester (3-2)**

The members observed that this restructuring would:

- Enable early exposure to advanced AI techniques
- Support progressive skill development across semesters
- Facilitate better preparation for internships, research, and industry projects
- Strengthen the overall curriculum coherence and learning outcomes

The Board unanimously approved these changes to ensure a progressive and future-ready curriculum.

Agenda Item No. BoS/2026/CSE (AI)/3.5: To approve the list of examiners for third-year courses/subjects

Resolution: The Board reviewed the proposed list of examiners for III Year courses.

After careful consideration, the Board approved the list of examiners.

The approved list is enclosed in Annexure-III.

Annexure-I attached

Resolution:

The Board of Studies (BoS) convened to review, discuss, and finalize the proposed course structure and syllabus for the III-B.Tech. program under the AU-24 Regulations. The board conducted a detailed evaluation of the curriculum, with particular focus on academic progression, relevance to current industry needs, and alignment with program outcomes.

1. Replacement of Subject

The subject:

- **Text Mining and Data Mining**

shall be replaced with: **Operating Systems**

The proposal was approved considering industry requirements and curriculum balance.

2. NLP and Information Retrieval Combination

The committee recommended that:

- **Natural Language Processing (NLP)** combined with **Information Retrieval (IR)** would be academically more effective and industry relevant.

The proposal was approved for implementation in the revised curriculum.

3. Distributed Systems Subject

The committee recommended adding additional **reference books** for the subject: Distributed Systems
The same was approved.

With this, the Board unanimously **approved the course structure and syllabus for III-B.Tech.** under the AU-24 Regulations. The BoS further recommended that the finalized version be submitted to the Academic Council for ratification and be implemented from the academic year 2025–26.

BoS/2026/CSE(DS)/4	Review and Address Any Discrepancies Observed in Second-Year UG Courses (B.Tech.,,) under AU-24 Regulations

Resolution:

Upon thorough examination and verification by the internal faculty members and external subject experts, **no discrepancies or inconsistencies were found** in the course content, learning outcomes, credit distribution, or sequencing.

BoS/2026/CSE(DS)/5	To approve the list of examiners for Third year courses/subjects

Annexure-II attached

Resolution:

BOS Approved the List of Examiners for Third-year Courses/Subjects.

BoS/2026/CSE(DS)/6	Any other item with permission of the Chair

Resolution:

Resolution:

- It is Proposed that **all IV Year B.Tech project reports must be prepared and submitted using LaTeX format**, to ensure standardization and improve the quality of technical documentation.
- It is proposed to **introduce internships from IV Year – I Semester onwards**, with a suggestion that **regular classroom sessions may be minimized or removed in IV Year**, allowing students to focus on **industry internships and project work.**

MINUTES OF THE MEETING

BoS/2026/CSE(IOTCSBCT)/1	Welcome and Introduction

Welcome:

Dr. M. Subba Rao, Head, Department of Computer Science and Engineering (Internet of Things, Cyber Security including Block Chain Technology)) has extended warm welcome to all the members.

Introduction:

Dr. M.Subba Rao expressed his gratitude for their continued support and valuable contributions toward strengthening the academic framework of the Department of Computer Science and Engineering(Internet of Things, Cyber Security including Block Chain Technology)).

Before proceeding with the day's agenda, he recalled the proceedings of the 2nd Board of Studies Meeting held on 11th June 2025. He stated that the meeting had been a significant step in shaping the academic direction of the department, with several key items discussed and approved. These included the Vision and Mission statements, Program Educational Objectives, Program Outcomes, and Program Specific Outcomes, along with the AU24 course structures and syllabi for B.Tech.

Dr. M. Subba Rao informed the members that the minutes of the 2nd meeting had been documented and circulated in advance for their review. He then requested the board to kindly confirm the minutes as recorded and invited any comments or suggestions for modification, if necessary.

BoS/2026/CSE(IOTCSBCT)/2	Confirmation of the Minutes of the 2nd Board of Studies Meeting held on 11-06-2025

Resolution:

The BOS Confirmed and approved 2nd Board of Studies Meeting held on 11th June 2025 (Minutes of Meeting is enclosed in the **Annexure-I.)**

BoS/2026/CSE(IOTCSBCT)/3	Discussion and Finalization of Course Structure of III & IV B.Tech and Syllabus for III-I, & III-II B.Tech. under AU-24 Regulations

Resolution:

The Board of Studies (BoS) convened to review, discuss, and finalize the proposed course structure for the III & IV B.Tech and Syllabusfor III-I, & III-II B.Tech. under AU-24

regulations. The board conducted a detailed evaluation of the curriculum, with particular focus on academic progression, relevance to current industry needs, and alignment with program outcomes.

During the discussion, Dr. N. Sreenath, Subject Expert from Pondicherry Engineering College, Pondicherry, and Dr. N. Ramakrishnaiah, University Nominee from JNTUK, Kakinada, suggested that the courses Microprocessors and Microcontrollers under the Professional Elective category should consist of 2 hours of lecture and 2 hours of practical sessions per week. They also recommended that the Computer Networks course should include a more detailed and elaborative syllabus for each unit to enhance clarity and depth of understanding.

Considering expert recommendation into account, the BoS members deliberated and agreed to revise the courses accordingly.

With this modifications, the Board unanimously **approved the revised course structure and syllabus for III-B.Tech.** under the AU-24 Regulations. The Board of Studies further resolved that the finalized syllabus be forwarded to the Academic Council for ratification and implemented from the academic year 2026–27.

The Course Structure and Syllabus for III-B.Tech is enclosed in the **Annexure-II**

BoS/2026/CSE(IOTCSBCT)/4	Discussion, Review and Revision of Course Structure and Syllabus for I-I, & I-II of B.Tech. & M.Tech under AU-24 Regulations

Resolution:

The BOS members suggested changing the course title "The Joy of Computing using Python" replacing with Python Programming. Considering their recommendations BOS members deliberated and agreed to revise the courses accordingly.

BoS/2026/CSE(IOTCSBCT)/5	Review and address any discrepancies observed in the II-I & II-II syllabus UG (i.e., B.Tech.) under the AU-24 Regulations.

Resolution:

After a comprehensive review and validation by the internal BOS members and external subject experts, no discrepancies or inconsistencies were identified in the course content, learning outcomes, credit allocation, or course sequencing.

BoS/2026/CSE(IOTCSBCT)/6	Discussion and Finalization of the CSE(IOTCSBT) in collaboration with **NIAT** Syllabus for II-I & II-II B.Tech. under AU-25 Regulations

Resolution:

The Board of Studies Unanimously accepted and approved the **NIAT** Syllabus for II-I & II-II B.Tech. under AU-25 Regulations for the academic year 2026-27. Course structure and syllabi for NIAT for II-I & II-II B.Tech is attached in **Annexure-III**

BoS/2026/CSE(IOTCSBCT)/7	To approve the list of examiners for UG & PG courses/subjects

Resolution:

The Board of Studies approved the list of examiners for the third-year courses/subjects. The detailed list of examiners is enclosed in **Annexure-IV.**

BoS/2026/CSE(IOTCSBCT)/8	Discuss the introduction of new programmes and/or proposals for increase in intake, if applicable.

The Board deliberated on enhancing academic offerings and strengthening industry and societal engagement. During the discussion, Sri. Venkata Rao Lellapalli, Industry Representative from Capgemini, suggested the introduction of community-oriented internships and project components. He emphasized that such initiatives would enable students to apply their technical knowledge to real-world societal challenges, thereby fostering social responsibility and practical problem-solving skills.

Further, the Board discussed the integration of online learning platforms such as SWAYAM/NPTEL/MOOCs into the curriculum. It was suggested to map a relevant MOOC/NPTEL/SWAYAM course to each Professional Elective in the Final Year – I Semester to promote self-paced learning and industry-relevant skill enhancement.
The Board approved the above proposals for implementation from the forthcoming academic year.

MINUTES OF THE MEETING

Agenda Item No. BoS/2025/AIML/2.1 Welcome and Introduction

Welcome:

Dr N. Penchalaiah, Head, Department of Artificial Intelligence and Machine Learning has extended warm welcome to all the members.

Introduction:

At the outset, Dr N. Penchalaiah, Head, Department of Artificial Intelligence and Machine Learning introduced all the members of the Board of Studies and thanked them for accepting the invitation for the 3rd BoS meeting.

Dr N. Penchalaiah he recalled the proceedings of the 2nd Board of Studies informed the members that the minutes had been documented and circulated in advance for their review. He then requested the board to kindly confirm the minutes as recorded and invited any comments or suggestions for modification, if necessary.

Agenda Item No. BoS/2026/AIML/3.1: Confirmation of the Minutes of the 2nd Board of Studies Meeting.

Resolution: The minutes of the 2nd Board of Studies meeting were presented before the members for review. The members thoroughly examined the recorded proceedings and resolutions. The Board unanimously approved and confirmed the minutes of the 2nd BoS meeting without any modifications.

The list is enclosed in the Annexure-I.

Agenda Item No. BoS/2026/AIML/3.2: Discussion and Finalization of Course Structure and Syllabus for III B. Tech (AU-24) and Proposed IV B. Tech Course Structure

Resolution: The Board unanimously approved the revised course structure and syllabus for III B. Tech under AU-24 Regulations, along with the proposed framework for IV B. Tech, incorporating the following modifications:

- **Replacement of the course "Data Science using Python" with "Big Data Analytics"**
- **Shifting of "Big Data Analytics" from IV B. Tech I Semester (4-1) to III B. Tech II Semester (3-2)**

The Board of Studies (BoS) convened to review, discuss, and finalize the proposed course structure and detailed syllabus for III B.Tech under the AU-24 Regulations, along with the proposed course framework for IV B. Tech in the Department of Artificial Intelligence and Machine Learning.

The Chairperson presented the proposed curriculum, highlighting its alignment with AICTE guidelines, industry expectations, and program outcomes. The Board undertook a comprehensive evaluation focusing on:

- Academic progression and logical sequencing of courses
- Integration of emerging technologies such as Artificial Intelligence, Machine Learning, and Big Data
- Enhancement of practical exposure and skill-based learning
- Avoidance of redundancy in course content

During the deliberations, valuable suggestions were provided by the External BOS members:

Dr. B. Srinivasa Rao, Professor, School of Computer and Information Sciences (SCIS), University of Hyderabad, emphasized the growing importance of **Big Data technologies** in the current industry landscape and recommended strengthening this area in the curriculum.

Dr. D. Vivekananda Reddy, Professor & Head, Department of Computer Science and Engineering, SVUCE, Sri Venkateswara University, Tirupati, supported the inclusion of advanced data handling and analytics courses at an earlier stage to improve student competency and industry readiness.

Based on these expert recommendations, the Board discussed the proposal to:

- Replace the subject **"Data Science using Python"** with **"Big Data Analytics"**
- Shift the "Big Data Analytics" course from IV B.Tech I Semester (4-1) to III B.Tech II Semester (3-2)

The members observed that introducing Big Data Analytics earlier in the curriculum would:

- Provide a strong foundation for advanced AI/ML applications
- Enhance students' ability to handle large-scale data processing frameworks such as Hadoop and Spark
- Better align with industry requirements and emerging job roles

After detailed deliberations and mutual consensus, the Board found the proposed changes to be academically sound and beneficial for students.

The approved Course Structure and Syllabus for III B. Tech and proposed IV B. Tech Course Structure are enclosed in **Annexure-II.**

Agenda Item No. BoS/2026/AIML/3.3: Review of Discrepancies in Second-Year Curriculum (AU-24 Regulations). (If applicable).

Resolution: The Board noted and recorded that the second-year B. Tech course structure and syllabus under AU-24 Regulations are consistent and require no modifications. The same is approved for continued implementation without any changes.

The Board of Studies (BoS) undertook a detailed review of the second-year B.Tech curriculum under the AU-24 Regulations. The internal faculty members, along with the External BOS subject experts, carefully examined all aspects of the curriculum, including course content, structure, learning outcomes, credit distribution, and sequencing of subjects.

Upon thorough examination and verification, the Board observed that no discrepancies or inconsistencies were found in the existing curriculum. The syllabus was found to be well-structured, coherent, and appropriately aligned with academic standards and industry requirements.

Agenda Item No. BoS/2026/AIML/3.4: Approval for Merging of Courses

Resolution: The Board approved the merging of the courses into a single integrated course titled "Data Wrangling and Exploratory Data Analysis."

The Board discussed the proposal to merge the following courses:

- **"Exploratory Data Analysis with Python"**
- **"Data Wrangling and Preprocessing"**

The objective of merging was:

- To eliminate redundancy in content
- To provide a comprehensive and integrated understanding of data preprocessing and analysis
- To improve curriculum efficiency and reduce fragmentation

After discussion, the merged course was proposed to be titled: **"Data Wrangling and Exploratory Data Analysis"**

External BOS members appreciated the integration, stating that it reflects real-world data workflows more effectively.

Agenda Item No. BoS/2026/AIML/3.5: Introduction of New Course: "AI for Cloud Computing"

Resolution: The Board, after detailed discussion and consideration of expert suggestions, unanimously approved the introduction of the course "AI for Cloud Computing" in place of "Data Wrangling and Preprocessing."

The Board considered the proposal to introduce a new course titled "AI for Cloud Computing" in place of the existing "Data Wrangling and Preprocessing" course.

The proposal was discussed in detail, and the following key justifications were highlighted:

- Growing demand for cloud-based AI solutions in industry
- Importance of integrating Artificial Intelligence with cloud platforms such as AWS, Azure, and Google Cloud Platform (GCP)

- Need to enhance student employability through industry-relevant and future-oriented skills

During the deliberations, **Dr. Hanumanthappa M, Professor, Department of Computer Science and Director, IQAC, Bangalore University, Bangalore**, strongly recommended the introduction of this course to ensure that the curriculum remains aligned with current technological advancements and industry requirements.

External BOS members collectively supported this proposal, emphasizing the significance of cloud-integrated AI competencies for modern applications.

Agenda Item No. BoS/2026/AIML/3.6: Approval of List of Examiners

Resolution: The Board approved the list of examiners for third-year courses/subjects.

The approved list of Examiners is enclosed in **Annexure-III.**

BoS/2025/AIML/3.7: Any other item with permission of the Chair

Resolution: NIL.

Brief Note on the 3rd Board of Studies Meeting

The 3rd meeting of the Board of Studies (BoS) of the Department of Artificial Intelligence and Machine Learning was held in offline mode on **2nd May 2026 at 10:00 AM** in the **Neumann Lab, Main Block**, with the esteemed internal and external members of the Board present.

The meeting commenced at 10:00 AM and continued with detailed deliberations on all agenda items. The discussions were carried out in a structured and collaborative manner, focusing on curriculum development, course structure revisions, and alignment with industry requirements. The meeting concluded at **1:30 PM**, with all agenda items thoroughly discussed and resolved.

The total duration of the meeting was approximately **3:30 hours**.

MINUTES OF THE MEETING

Welcome address and Introduction

Dr. L. Obulapathi, Chairman, Board of Studies, Department of Humanities and Sciences, extended a warm welcome to all the esteemed members of the Board of Studies. At the outset, Dr. Obulapathi introduced the members of the Board and expressed his gratitude for their presence and for accepting the invitation to participate in the 3rd BoS meeting. He then outlined the agenda and briefed the members on the key items scheduled for discussion during the meeting.

Agenda Item No. BoS/2026/H&S/3.1: Confirmation of the Minutes of the 2nd Board of Studies Meeting.

3.1.ENG:

Discussion: The minutes of the 2nd Board of studies meeting were reviewed by all members. The board noted that the minutes accurately reflected the proceedings of the meeting. No corrections were proposed.

Resolution: The board resolved to confirm and approve the minutes of the 2nd Board of Studies meeting as circulated.

3.1.MAT:

Discussion: The minutes of the 2nd Board of studies meeting were reviewed by all members. The board noted that the minutes accurately reflected the proceedings of the meeting. No corrections were proposed.

Resolution: The board resolved to confirm and approve the minutes of the 2nd Board of Studies meeting as circulated.

3.1.CHE:

Discussion: The minutes of the 2nd Board of Studies meeting were placed before the members for review and discussion. The members examined the minutes and observed that they accurately reflected the deliberations and decisions of the meeting. No modifications or corrections were suggested by the Board.

Resolution: The Board unanimously resolved to confirm and approve the minutes of the 2nd Board of Studies meeting as circulated.

3.1.PHY:

Discussion: The minutes of the 2nd Board of studies meeting were reviewed by all members. The board noted that the minutes accurately reflected the proceedings of the meeting. No corrections were proposed.

Resolution: The board resolved to confirm and approve the minutes of the 2nd Board of Studies meeting as circulated.

Dr. L. Obulapathi (Dr.B.S.) (PSN) (V. Ravikiran) (Dr. SHB) (ARP) (JSK) (IDM)

Dr. M. Uma Maheswari

Agenda Item No. BoS/2026/H&S/3.2: To discuss and finalize the course structure and syllabus for III-B.Tech., IV-B.Tech., and III-B.Sc., programs under the AU-24 Regulations.

3.2. ENG.1 Soft Skills and Employability Skills (24AENG61L)

Recommendations:

- Prof. V. B. Chitra suggested changing the title of the course Soft Skills to 'Soft Skills and Employability Skills'. According to the suggestions given by the experts, Course title is changed. As the experts suggested, the topic Resume Preparation has been moved from Unit I to Unit III.
- Prof. P. Padma suggested the topic named 'Emotional Intelligence' to be included in Unit-V.

Resolutions: The committee agreed with the experts' suggestions and approved incorporation of the modifications.

3.2. ENG.2 English for Competitive Examinations (24AENG71T)

Recommendations: Prof. V. B. Chitra suggested adding relevant SWAYAM online courses to the list of web sources.

Resolutions: The committee agreed with the experts' suggestion and approved the same.

3.2. ENG.3 Soft Skills (24BENG51S)

Recommendations: Prof. B. V. Chitra reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes

3.2. ENG.4 Gender sensitization (24AAUD51T)

Recommendations: Prof. B. V. Chitra reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes

Note: All courses pertaining to English subject are separately enlisted in Annexure-1

3.2. MAT.1. Numerical Methods (24AMAT71T)

Recommendations: Prof. K. C. Siva Kumar, Prof. M. C. Raju and Dr. P.V. Satya Narayana reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes.

3.2. MAT.2 Functions of Complex Variables (24AMAT72T)

Recommendations:

- K. C. Siva Kumar recommended changing the course title from "Complex Variables and Partial Differential Equations" to "Functions of Complex Variables" to better align with the course content.
- The Board of Studies recommended restructuring the existing Unit–3 by dividing it into two separate units for better organization and clarity of the subject content. It was proposed that Unit–3 be titled "Complex Power Series" and Unit–4 be titled "Residues." The members opined that this modification would facilitate systematic coverage of the topics and improve student understanding.
- Recommended removing Unit–5 titled "Applications of Partial Differential Equations".

Resolutions:

(Dr. L. O. P) (Dr. B. S) (P. L. N) (V. Ravikumar) (Dr. S. H. B) (M. M.) (J. S. K) (I. P. H)

- The Board approved the change of the course title from "Complex Variables and Partial Differential Equations" to "Functions of Complex Variables" as recommended by K. C. Siva Kumar to better align with the course content.
- The Board approved the restructuring of the existing Unit–3 by dividing it into two separate units for effective organization of the course content. It was resolved that Unit–3 shall be titled "Complex Power Series" and Unit–4 shall be titled "Residues." The Board observed that the revised structure would enable systematic presentation of concepts and enhance students' understanding of the subject
- The Board approved the removal of Unit–5: "Applications of Partial Differential Equations" from the course curriculum.

3.2. MAT.3 Differential Equations (24BMAT51T)

Recommendations: Prof. K. C. Siva Kumar, Prof. M. C. Raju and Dr. P.V. Satya Narayana reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted; the approved syllabus was retained without changes from the course curriculum.

3.2. MAT.4 Transform Techniques (24BMAT61T)

Recommendations: Prof. K. C. Siva Kumar, Prof. M. C. Raju and Dr. P.V. Satya Narayana reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes.

Note: All courses pertaining to Mathematics subject are separately enlisted in Annexure-2

3.2. CHE.1 Chemistry of Energy Systems (24ACHE71T)

Recommendations:

- N. Gangi Reddy suggested correcting the title of Unit 3 to "Photo Electrochemical Conversions" in place of "Photo and Photo Electrochemical Conversions."
- He also recommended shifting the topic "Electricity Generation Using Dye-Sensitized Solar Cells (DSSCs)" from Unit 3 to Unit 4.

Resolutions:

- The Board accepted the recommendations and the title of Unit 3 was revised to "Photo Electrochemical Conversions."
- The topic "Electricity Generation Using Dye-Sensitized Solar Cells (DSSCs)" was moved from Unit 3 to Unit 4.

Note: Course pertaining to Chemistry subject is separately enlisted in Annexure-3

3.2. PHY.1 Smart Materials and Devices (24APHY71T)

Recommendations: Prof. K. Thyagarajan and Dr. D. Dinakar reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted. the approved syllabus was retained without changes.

Note: Course pertaining to Physics subject is separately enlisted in Annexure-4

Agenda Item No. BoS/2026/H&S/3.3: To discuss and finalize the course structure and syllabus for I-B.Tech., I-B.Sc., and I-BBA programs.

3.3. ENG.1. English for Engineers (26AENG11T & 26AENG21T)

Recommendations: Prof. V. B. Chitra and Prof. P. Padma suggested a few changes in CO-PO mapping, and recommended the syllabus.

Resolutions: The committee agreed with the experts' suggestions regarding the mapping and changed it accordingly.

3.3. ENG.2. English Language Communication Skills Lab (26AENG11L & 26AENG21L)

Recommendations: Prof. V. B. Chitra suggested adding additional topics such as Resume Writing, Email Writing, Group Discussions and Interview Skills to the syllabus.

Resolutions: The committee agreed with the suggestions and added the topics according to the expert's suggestion.

3.3. ENG.3. Language Elective (26ALAN11T)

Recommendations: Prof. P. Padma and Prof. V. B. Chitra approved and recommended the syllabus and suggested changing the CO-PO mapping.

Resolutions: The committee agreed with the experts' suggestion regarding the mapping and mapped accordingly.

3.3. ENG.4. Communicative English (26BENG11T)

Recommendations: Prof. B. V. Chitra and Prof. P. Padma approved and recommended the syllabus.

Resolution: The committee accepted the recommendations and approved the same.

3.3. ENG.5. Communicative English Lab (26BENG11L)

Recommendations: Prof. V. B. Chitra and Prof. P. Padma suggested adding additional topics such as Resume Writing, Email Writing, Group Discussions and Interview Skills to the syllabus.

Resolutions: The committee agreed to the suggestions and added the topics according to the expert's suggestion.

3.3. ENG.6. Human Values (26BENG12T)

Recommendations: Prof. P. Padma and Prof. V. B. Chitra approved and recommended the syllabus and suggested to add any two SWAYAM online courses' links to the list of web resources.

Resolutions: The committee approved the suggestions of the experts and added the courses' links to the list.

3.3. ENG.7. Communicative English (25BENG11T)

Recommendations: Prof. B. V. Chitra and Prof. P. Padma approved and recommended the syllabus.

Resolution: The committee accepted the recommendations and approved the same.

(Dr. L. B. P) (Dr. B. S.) (PSN) (V. Ravikumar) (Dr. S. A. B) (Dr. M. P) (JSIC) (BBH)

3.3. ENG.8. Communicative English Lab (25BENG11L)

Recommendations: Prof. V. B. Chitra and Prof. P. Padma suggested adding additional topics such as Resume Writing, Email Writing, Group Discussions and Interview Skills to the syllabus.

Resolutions: The committee agreed to the suggestions and added the topics according to the expert's suggestion.

3.3. ENG.9. Constitution of India (25BENG21T)

Recommendations: Prof. P. Padma and Prof. B. V. Chitra approved and recommended the syllabus without any changes.

Resolution: The committee accepted the recommendation and the approved syllabus was retained without changes.

3.3. ENG.10. Human Values (25BENG21T)

Recommendations: Prof. P. Padma and Prof. V. B. Chitra approved and recommended the syllabus and suggested to add any two relevant SWAYAM online courses' links to the list of web resources.

Resolutions: The committee approved the suggestions of the experts and added the courses' links to the list.

Note: All courses pertaining to English subject are separately enlisted in Annexure-1

3.3. MAT.1. Matrices and Calculus (26AMAT11T)

Recommendation:

1. Prof. K. C. Siva Kumar recommended changing the course title from *Matrix Theory and Calculus* to *Matrices and Calculus* to better reflect the course content.
2. It was recommended that, in Unit–1, the topic *Normal Form* be removed and replaced with *Inverse of a Matrix by Gauss–Jordan Method.*

Resolutions:

1. The Board accepted the recommendation to revise the course title from *Matrix Theory and Calculus* to *Matrices and Calculus*, and the revised title was approved.
2. The Board approved the modification in Unit–1, wherein the topic *Normal Form* was removed and replaced with *Inverse of a Matrix by Gauss–Jordan Method.*

3.3. MAT.2. Differential Equations and Transform Techniques (26AMAT12T)

Recommendations:

- Prof. M. C. Raju recommended changing the Unit-1 title from *Linear Differential Equations of Higher Order with Constant Coefficients* to *Linear Differential Equations with Constant Coefficients* to better reflect the course content.
- Prof.M.C. Raju recommended including the two topics "Inverse Laplace Transforms" and "Convolution Theorem" from Unit-4 to Unit-3.
- Recommended changing the Unit-4 title from "Inverse Laplace Transforms" to Fourier Transforms".

- Recommended including a new topic titled "Finite Fourier Sine and Cosine Transforms" in Unit-5.
- Recommended changing the Unit-5 title from "Fourier Series and Fourier Transforms" to "Applications of Differential Equations and suggested inclusion of new topics – Applications of Laplace Transforms to ordinary differential equations of first and second order with constant Coefficient" by picking up this topic from Unit-4.

Resolutions

1. The Board approved the revision of the Unit–1 title from *Linear Differential Equations of Higher Order with Constant Coefficients* to *Linear Differential Equations with Constant Coefficients*.
2. The Board accepted the recommendation to transfer the topics *Inverse Laplace Transforms* and *Convolution Theorem* from Unit–4 to Unit–3.
3. The Board approved the revision of the Unit–4 title from *Inverse Laplace Transforms* to *Fourier Transforms* by relocating the topic *Fourier Transforms* from Unit–5 to Unit–4.
4. The Board approved the inclusion of the new topic *Finite Fourier Sine and Cosine Transforms* in Unit–5.
5. The Board approved the revision of the Unit–5 title from *Fourier Series and Fourier Transforms* to *Applications of Differential Equations*. The Board also approved the inclusion of the topic *Applications of Laplace Transforms to Ordinary Differential Equations of First and Second Order with Constant Coefficients* in Unit–5 by transferring it from Unit–4.

Note: All courses pertaining to Mathematics subject are separately enlisted in Annexure-2

3.3.CHE.1 Chemistry (26ACHE11T&26ACHE21T)

Recommendations: Prof. N. Gangi Reddy recommended explicitly incorporating the expanded form of the abbreviation "CNTs" as "Carbon Nanotubes (CNTs)" in the syllabus.

Resolutions: The committee accepted the recommendation and accordingly incorporated the term "Carbon Nanotubes (CNTs)" in the syllabus.

3.3.CHE.2 Chemistry Lab (26ACHE11L & 26ACHE21L)

Recommendations:

- Prof. N. Gangi Reddy emphasized the inclusion of a few experiments to strengthen students' understanding of instrumental analytical techniques through application-oriented laboratory practices.
- Mr. J. Sivakrishna suggested including an experiment aligning the laboratory curriculum with Sustainable Development Goals (SDGs) in accordance with NBA and NAAC quality frameworks.

Resolutions:

- The committee approved the recommendations and added the following experiments to the syllabus: (i) conductometric titration for estimating a mixture of acids, and (ii) pH-metric determination of acid strength.
- The committee also included the experiment "Acid Leaching of Copper from E-Waste," which demonstrates metal recovery from electronic waste using hydrometallurgical principles and supports SDG 12.

3.3.CHE.3 Engineering Chemistry (26ACHE12T)

Recommendations: N. Gangi Reddy suggested that the abbreviation "CNTs" be clearly defined in the syllabus by mentioning its expanded form as "Carbon Nanotubes (CNTs)."

Resolutions: The Board considered and approved the recommendation, and the term "Carbon Nanotubes (CNTs)" was incorporated in the syllabus accordingly.

3.3.CHE.4 Engineering Chemistry Lab (26ACHE12L)

Recommendations: Prof. N. Gangi Reddy emphasized the inclusion of a few experiments to strengthen students' understanding of instrumental analytical techniques through application-oriented laboratory practices

Resolutions: The recommendation was accepted, and the experiments estimation of a mixture of acids by conductometric titration, estimation of active chlorine content in bleaching powder by iodometry, and determination of the strength of an acid by the pH metric method were included.

3.3.CHE.5 Fundamentals of Inorganic and Physical Chemistry (25BCHE11T)

Recommendations: Prof. N. Gangi Reddy recommended the following reference books: Lee, J. D., Concise Inorganic Chemistry, 5th ed., Wiley India Pvt. Ltd., 2008; Madan, R. D., G. D. Tuli, and S. K. Malik, Selected Topics in Inorganic Chemistry, S. Chand Publishing, 2016.

Resolutions: The recommendation was accepted, and the recommended books were included in the Reference books section.

3.3.CHE.6 Fundamentals of Organic and General Chemistry (25BCHE21T)

Recommendations:

- Prof. N. Gangi Reddy suggested removing the repeated topic "acidity of carboxylic acids" from Unit 1.
- He recommended including the topic "Stability of Carbanions" in Unit 1.
- He suggested correcting the subscripts for "H_2" and "X_2" in Unit 3

Resolutions: The committee accepted all recommendations and corrections.

- The repetition of "acidity of carboxylic acids" was removed from Unit 1.
- The topic "Stability of Carbanions" was added to Unit 1.
- The subscripts for "H2" and "X2" in Unit 3 were corrected.

3.3.CHE.7 Fundamentals of Organic and General Chemistry Lab (25BCHE21L)

Recommendations:

- Prof. N. Gangi Reddy suggested categorizing experiments in the section "Identification of Organic Functional Groups" into acidic, neutral, and basic groups.
- He recommended including the textbook Furniss, B. S., et al., Vogel's Textbook of Practical Organic Chemistry Including Qualitative Organic Analysis, 5th ed., Pearson Education, 1989, in the Prescribed Manuals section.

Resolutions: The recommendations were accepted. The following changes were made

- Neutral organic functional groups (carbohydrates, alcohols, aldehydes, ketones) were included as Experiment 7.
- Acidic organic functional groups (phenols, carboxylic acids) were included as Experiment 8.
- Basic organic functional groups (amines) were included as Experiment 9.
- The recommended Vogel's textbook was added to the Prescribed Manuals section.

3.3.CHE.8

Resolutions: The syllabus was reviewed and approved without any modifications for the courses Fundamentals of Inorganic and Physical Chemistry Lab (25BCHE11L), Environmental studies (25BCHE22T) and Environmental studies (26BCHE21T)

Note: All courses pertaining to Chemistry subject are separately enlisted in Annexure-3

3.3 PHY.1. Applied physics (26APHY11T & 26APHY21T)

Recommendations: Dr. D .Dinakar and Prof. K. Thyagarajan suggested to mention qualitative or quantitative terms for better clarification in Unit 1 unit 3.

Resolutions: It was resolved to add qualitative and quantitative terms in Unit 1 and unit 3 as suggested by the experts.

3.3. PHY.2. Applied Physics Lab (26APHY11L & 26APHY21L)

Recommendations: No changes were suggested regarding syllabus

Resolutions: It was resolved to keep the same syllabus.

3.3. PHY.3. Engineering Physics (26APHY22T)

Recommendations: Dr. D .Dinakar and Prof. K. Thyagarajan suggested to add quantitative term for better clarification and they were also suggested to replace the sensors (Unit-5) with semiconductors and devices, because sensor applications topic was incorporated in unit 4

Resolutions: It was resolved to add quantitative term in unit 3 and replace sensors (Unit-5) with semiconductors and devices

3.3. PHY.4. Engineering Physics Lab (26APHY22L)

Recommendations: No changes were suggested

Resolutions: It was resolved to keep the same syllabus

Note: All courses pertaining to Physics subject are separately enlisted in Annexure-4

Agenda Item No. BoS/2026/H&S/3.4: To discuss and finalize the course structure and syllabus for II B.Tech programme.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes

3.4. MAT.1 Logical Reasoning (25AMAT32T)

Recommendations: Prof. K. C. Siva Kumar, Prof. M. C. Raju and Dr. P.V. Satya Narayana reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes

3.4. MAT.2 Probability and Statistics (25AMAT31T)

Recommendations: Prof. K. C. Siva Kumar, Prof. M. C. Raju and Dr. P.V. Satya Narayana reviewed and approved the syllabus without any changes.

Resolutions: The recommendation was accepted, the approved syllabus was retained without changes

3.4. MAT.3 Linear algebra and Calculus (25AMAT41T)

Recommendation: Recommended the inclusion of the textbook Strang, G. (2026). *Introduction to Linear Algebra* (5th Edition). Wellesley-Cambridge Press" in place of the previously recommended textbook "Lay, D.C., Lay, S.R., & McDonald, J.J. (2016). *Linear Algebra and Its Applications* (5th Edition). Pearson.

Resolutions: Resolved to approve the recommendation of replacing the previously prescribed textbook "Lay, D.C., Lay, S.R., & McDonald, J.J. (2016). *Linear Algebra and Its Applications* (5th Edition), Pearson" with "Strang, G. (2026). *Introduction to Linear Algebra* (5th Edition), Wellesley-Cambridge Press" for the concerned course.

3.4. MAT.4 Advanced Aptitude (25AMAT42T)

Recommendations: Prof. K. C. Siva Kumar, Prof. M. C. Raju and Dr. P.V. Satya Narayana reviewed and approved the syllabus without any changes.

Resolution: The recommendation was accepted, the approved syllabus was retained without changes

Note: All courses pertaining to Physics subject are separately enlisted in Annexure-2

Agenda Item No. BoS/2026/H&S/3.5: To discuss and finalize the syllabus for Research Methodology for Science and Humanities (Annexure-5)

3.5. ENG.1. Research Methodology in Humanities

Recommendations:

Prof. P .Padma and Prof. B. V. Chitra approved and recommended the syllabus without any changes.

Resolutions:

The committee accepted the recommendations and retained the syllabus without any changes.

3.5. PHY.1. Research Methodology for Sciences (26CPHY01T)

Recommendations: No modifications were suggested in syllabus

Resolutions: It was resolved to retain the existing syllabus.

Agenda Item No. BoS/2026/H&S/3.6: To approve the list of examiners for first year and third year courses/subjects.

Discussion:

The Chairperson presented the proposed list of examiners for the First Year and Third Year courses/subjects before the Board. The members examined the qualifications, subject expertise, and experience of the proposed examiners for theory courses. The Board discussed the suitability of the panel in accordance with the academic requirements and examination regulations.

Resolution:

The Board reviewed the proposed list of examiners for the First Year and Third Year courses/subjects. After detailed discussion, the Board resolved to approve the panel of examiners for conducting theory examinations under the concerned programmes. The approved list of examiners was unanimously accepted by the members of the Board.

Agenda Item No. BoS/2026/H&S/3.7: Discussion on the feedback received regarding the curriculum

Discussion:

The Chairperson presented the feedback received from students, faculty members, alumni, subject experts, and other stakeholders regarding the existing curriculum. The Board discussed the suggestions and observations related to course content, practical exposure, industry relevance, syllabus structure, and learning outcomes. The members reviewed the feedback in detail and deliberated on suitable measures for improving the quality and effectiveness of the curriculum.

Resolution:

MINUTES OF THE MEETING

Agenda Item No. BoS/2026/FSC/1.1: Welcome and Introduction

Welcome:

Dr. M. Uma Maheswar, Officer In-Charge, Department of Forensic Science has extended warm welcome to all the members.

Introduction:

At the outset Dr. M. Uma Maheswar, Officer In-Charge, Department of Forensic Science introduced all the members of the Board of Studies and thanked them for accepting the invitation to the 1st BoS meeting.

Agenda Item No. BoS/2026/FSC/1.2: Introduction of New Programme

The Chairperson presented introduction of the B.Sc. in Forensic Science programme. The objectives were explained.

Objectives of Forensic Science Programme

The programme aims to:

- Provide a strong foundation in forensic science and its interdisciplinary nature.
- Develop skills in scientific analysis, observation, and interpretation of evidence.
- Train students in modern forensic techniques such as DNA analysis, toxicology, and cyber forensics.
- Familiarize students with legal procedures, criminal law, and ethical practices.
- Enhance critical thinking and problem-solving abilities in crime investigation.
- Prepare students for higher studies, research, and professional careers in forensic science.

(Dr. M. Uma maheswar) (Dr. S. Fahimuddin) (Sri C Madana Kumar Reddy)

Agenda Item No. BoS/2026/FSC/1.3: Discuss and approval of first-year undergraduate B.Sc. (Forensic Science) course structure and syllabi under AU25 regulations (Annexure-1)

1.3. FSC.1: Course structure

Discussion:

- Dr. M. Varalakshmi, Dr. C. Theju Kumar, and Anand Ganesh Pillay suggested that the courses *Human Anatomy* and *Psychology* offered in the I Year I Semester may be removed from the first semester and shifted to the second year for better academic sequencing and subject relevance.
- The experts recommended the inclusion of *Forensic Physics* theory and *Forensic Physics Laboratory* course in the I Year II Semester to provide students with a strong foundational understanding at the introductory level.

Resolutions:

The committee agreed with the suggestions. The following changes were made:

- *Human Anatomy and Psychology* course was removed from the I Year I Semester and shifted to the second-year curriculum.
- *Forensic Physics* theory and *Forensic Physics Laboratory* were incorporated into the I Year II Semester course structure.

After incorporation of the above modifications, the revised first-year B.Sc. (Forensic Science) course structure and syllabi under AU25 Regulations were placed before the Board and unanimously approved.

1.3. FSC.2: Revision of Lecture Hours and Unit-wise Distribution for the Course Syllabus

Discussion

- The subject experts observed that the syllabus copy indicates 3 lecture hours per week for each theory course. Since the semester consists of 16 working weeks, the total instructional hours for a theory course should be limited to 48 hours ($16 \times 3 = 48$). However, some theory courses were allotted 60 hours, which exceeds the permissible workload. The experts suggested revising the total lecture hours of all theory courses in accordance with the prescribed weekly lecture schedule and semester duration.

Resolution

- Resolved to revise the total lecture hours allotted for all theory courses from 60 hours to 48 hours, in accordance with the prescribed 3 lecture hours per week for 16 working weeks, as recommended by the subject experts. The Board approved the incorporation of the revised lecture-hour distribution in the syllabus. The revised lecture hour distribution and updated syllabus were placed before the Board and unanimously approved.

(Dr. M. Umamaheswari) (Dr. S. Fakimuddin) (Dr. C Madana Kumar Reddy)

1.3. FSC.3: Fundamentals of Forensic Science (26BFSC11T):

Discussion:

- Dr. M. Varalakshmi, Dr. C. Theju Kumar, and Anand Ganesh Pillay reviewed the *Fundamentals of Forensic Science* course syllabus and observed that the prescribed textbooks may be revised to comprehensively cover all the concepts included in the five units.
- The experts suggested including *Theju Kumar. Introduction to Criminology and Forensic Science. Current Publications, Agra, 2024* as the first prescribed textbook.
- They also recommended including *B. R. Sharma. Forensic Science in Criminal Investigation and Trials. Universal Law Publishing Co., New Delhi, 2011* as the second prescribed textbook.

Resolutions:

- The committee agreed with the suggestions. The following changes were made:
  Included *Theju Kumar. Introduction to Criminology and Forensic Science. Current Publications, Agra, 2024* as the first prescribed textbook for the course.
- Included *B. R. Sharma. Forensic Science in Criminal Investigation and Trials. Universal Law Publishing Co., New Delhi, 2011* as the second prescribed textbook for the course.
- The prescribed textbooks were revised to ensure comprehensive coverage of all concepts included in the five units of the syllabus.
  The revised textbook list was placed before the Board and unanimously approved.

1.3. FSC.4: Introduction to Criminology and Criminal Profiling (26BFSC12T)

Discussion:

- Dr. M. Varalakshmi, Dr. C. Theju Kumar, and Anand Ganesh Pillay reviewed the Introduction to Criminology and Criminal Profiling course syllabus and observed that the prescribed textbooks may be revised to comprehensively cover all the concepts included in the five units.
- The experts suggested including Marilyn D. McShane and Frank P. Williams III. Introduction to Criminology: Theories, Methods, and Criminal Behavior. Pearson Education, 2017 as the first prescribed textbook.
- They also recommended including *B. R. Sharma. Forensic Science in Criminal Investigation and Trials. Universal Law Publishing Co., New Delhi, 2011* as the second prescribed textbook.

Resolutions:

The committee agreed with the suggestions. The following changes were made:

- Included Marilyn D. McShane and Frank P. Williams III. Introduction to Criminology: Theories, Methods, and Criminal Behavior. Pearson Education, 2017 as the first prescribed textbook for the course.
- Included *B. R. Sharma. Forensic Science in Criminal Investigation and Trials. Universal Law Publishing Co., New Delhi, 2011* as the second prescribed textbook for the course.
- The prescribed textbooks were revised to ensure comprehensive coverage of all concepts included in the five units of the syllabus.

  The revised textbook list was placed before the Board and unanimously approved.

(Dr. M. Lenamaheswari) (Dr. S. Fahimuddin) (Dr. C. Madana Kumar Reddy)

1. 3. FSC.5: Fundamentals of Forensic Science Lab (26BFSC11L)

Discussion:

- Dr. M. Varalakshmi, Dr. C. Theju Kumar, and Anand Ganesh Pillay reviewed the *Fundamentals of Forensic Science Laboratory* course and suggested the inclusion of additional experiments to enhance practical understanding of the subject.
- The experts recommended including the experiment *"Pioneers of Forensic Science with their Contributions"* as Experiment No. 11.
- They also suggested including the experiment *"Identification, Location and Preservation of Physical Evidences in Robbery & Dacoity, Suicide, Murder, and Sexual Assault Cases"* as Experiment No. 12.

Resolutions:
The committee agreed with the suggestions. The following changes were made:

- Included *"Pioneers of Forensic Science with their Contributions"* as Experiment No. 11 in the *Fundamentals of Forensic Science Laboratory* course.
- Included *"Identification, Location and Preservation of Physical Evidences in Robbery & Dacoity, Suicide, Murder, and Sexual Assault Cases"* as Experiment No. 12 in the laboratory course.
  The laboratory syllabus was revised accordingly to strengthen the practical exposure and understanding of forensic science concepts.
  The revised laboratory syllabus was placed before the Board and unanimously approved.

1. 3. FSC.6: Introduction to Criminology and Criminal Profiling Lab (26BFSC12L)

Discussion:

- Dr. M. Varalakshmi, Dr. C. Theju Kumar, and Anand Ganesh Pillay reviewed the Introduction to Criminology and Criminal Profiling *Laboratory* course and suggested inclusion of additional experiments to improve students' understanding of criminology concepts, crime analysis, and observation skills.
- The experts recommended including *"Analysis of News Items of Criminology Importance from Daily Newspapers"* as Experiment No. 14.
- They suggested including *"Collection of Crime News Clippings"* as Experiment No. 15.
- The experts recommended including *"Pioneers of Classical and Positive Criminology with their Contributions"* as Experiment No. 16.
- They suggested including *"Classification / Types of Cyber Crimes"* as Experiment No. 17.
- The experts recommended including *"Crime Statistics Analysis – Crime against Person and Property"* as Experiment No. 18.
- They also suggested including *"Study of Graphical Representation of Crime Statistics"* as Experiment No. 19.
- Further, the experts recommended including *"Kim's Game: Observation, Retention, Memory and Interpretation"* as Experiment No. 20.

Dr. M. Varalakshmi | Dr. S. Fakimuddin | Dr. C. Madana Kumar Reddy

Resolutions:

The committee agreed with the suggestions. The following changes were made:

- Included *"Analysis of News Items of Criminology Importance from Daily Newspapers"* as Experiment No. 14 in the Introduction to Criminology and Criminal Profiling *Laboratory* course.
- Included *"Collection of Crime News Clippings"* as Experiment No. 15.
- Included *"Pioneers of Classical and Positive Criminology with their Contributions"* as Experiment No. 16.
- Included *"Classification / Types of Cyber Crimes"* as Experiment No. 17.
- Included *"Crime Statistics Analysis – Crime against Person and Property"* as Experiment No. 18.
- Included *"Study of Graphical Representation of Crime Statistics"* as Experiment No. 19.
- Included *"Kim's Game: Observation, Retention, Memory and Interpretation"* as Experiment No. 20.

The laboratory syllabus was revised accordingly and placed before the Board for approval.
The revised laboratory syllabus was unanimously approved by the Board.

1. 3. FSC.7: Crime Scene Management (26BFSC21T)

Discussion:

- Dr. M. Varalakshmi, Dr. C. Theju Kumar, and Anand Ganesh Pillay reviewed the Crime Scene Management course syllabus and observed that the prescribed textbooks may be revised to comprehensively cover all the concepts included in the five units.
- The experts suggested including William J. Tilstone, Michael L. Hastrup and Cheryl Hald. Fisher's Techniques of Crime Scene Investigation. CRC Press, Boca Raton, 2013 as the first prescribed textbook.
- They also recommended including M. S. Dahiya. *Crime Scene Management (A Scientific Approach)*. Shanti Prakashan, New Delhi, 2009 as the second prescribed textbook.

3. Agenda regarding 'Modifications in the lecture outlines of Course entitled "Entrepreneurship Development and Business communication" [AU-AEXT 291]'.
4. Agenda regarding 'Any other item with the permission of the Chair'.

Agenda 1:

The Dean, College of Agriculture, Annamacharya University presented the first agenda point regarding the Review and Approval of III B.Sc. (Hons.) Agriculture I & II Semester course structure and detailed syllabi under the AU-24 Regulations, inviting suggestions from the committee members.

During the discussion, the committee suggested the following points:

1. To review the course content of Weed Management [AU-AGRO 301] to eliminate any repetition. It is also recommended to include calculation-based components in practical sessions. Further, outdated or banned herbicides should be removed from the syllabus and recently approved herbicides and plant protection chemicals should be incorporated.
2. Establishment of manual weather station as it is mandatory for ICAR Accreditation.
3. Make a list of all materials required to conduct practical courses in each course to ensure smooth execution.
4. To identify and procure different forest species seeds for Agroforestry course.
5. To procure seeds of different crops and undertake hybrid seed production on a small scale for practical training
6. To document college activities such as visits, farm operations, and events through photographs with geo-tagging (*e.g.* using Google Maps), as required for accreditation.
7. Collection of samples from the different crops like Crossandra, Brinjal, Banana *etc.* for the extraction and study of Nematodes.
8. Registration of ongoing MOOC Course provided by ICAR of 10 credits.
9. Establishment of Farm pond to study watershed management course at college farm.
10. To identify private laboratories or institutes working in tissue culture to provide hands-on

(Dr. P. Narayana Reddy) (Dr. R.P.Vasanthi) (Sri Kalle Sreenivasulu)

(Dr. D. Lokanadha Reddy) (Dr. C. Sudharshana) (Dr. B. Sukrutha)

(Dr. Arun Kumar K.M) (Dr. P. Sravani) (Dr. B. Lakshmi Devi) (Mr. V. Siva Nagi Reddy)

exposure to students.

11. To cultivate at least 10 different crop lines to provide hands-on experience in various plant breeding techniques.
12. Procurement of different equipment for seed technology course such as moisture meter, seed counter, seed driers, paper towels, blotters *etc.*
13. To establish traps for collecting and studying stored grain pests.

Resolution:

After thorough discussions and deliberations, the Members of BoS approved the course contents and detailed lecture outlines for the 5th and 6th semesters of B.Sc. (Hons.) Agriculture Degree Programme for implementation in the College of Agriculture, Annamacharya University.

Agenda 2:

The Chairman of Board of Studies opened the discussion on second agenda point which was focused on the course structure for IV B.Sc. (Hons.) Agriculture I & II Semester under the AU-24 Regulations, inviting suggestions from the committee members.

During the discussion, the committee suggested the following points:

1. Addition of 'Computer Aided Designing (CAD)' course and Advanced Excel course as electives in VII semester
2. Make Agribusiness Management [AU-ELCT 441] and Landscaping [AU-ELCT 481] compulsory courses for students. Additionally, it is suggested that key topics from a Computer-Aided Design (CAD) course be incorporated into the Landscaping course syllabus, in case introducing a separate CAD course is not feasible.
3. To establish a Mushroom unit at the College of Agriculture to develop entrepreneurial skills among students.

(Dr. P. Narayana Reddy) (Dr. R.P.Vasanthi) (Sri Kalle Sreenivasulu)

(Dr. D. Lokanadha Reddy) (Dr. C. Sudharshana) (Dr. B. Sukrutha)

(Dr. Arun Kumar K.M) (Dr. P. Sravani) (Dr. B. Lakshmi Devi) (Mr. V. Siva Nagi Reddy)

Resolution:

The committee thoroughly discussed and approved the proposed course structure for IV B.Sc. (Hons.) Agriculture I & II Semester under the AU-24 Regulations with the above mentioned suggestions in the College of Agriculture, Annamacharya University.

Agenda 3:

The Chairman of Board of Studies opened the discussion on third agenda point which was focused on Modifications in the lecture outlines of Course entitled "Entrepreneurship Development and Business communication" [AU - AEXT-291].

Resolution:

The committee approved the proposed modification.

Agenda 4:

The Chairman of Board of Studies opened the discussion on fourth agenda point which was focused on 'Any other item with the permission of the Chair'

Resolution:

The committee did not suggest any other items.

Dr. Lokanadha Reddy concluded the meeting with a vote of thanks, thanking the Committee Members for their suggestions. The discussions and approvals helped strengthen the academic and administrative aspects of the College of Agriculture.

MINUTES OF THE MEETING

Agenda Item No. BoS/2026/CoPh/1.1: Welcome Address and Introduction of Members

Welcome

Dr. M. Deepa, Professor, Dept of Pharmaceutical Chemistry, Annamacharya University has extended warm welcome to all the members.

Introduction:

At the outset, **Dr. M. Deepa**, Professor, Dept of Pharmaceutical Chemistry, Annamacharya University introduced all the members of the Board of Studies and thanked them for accepting the invitation to the 1st BoS meeting.

Agenda item No. BoS/2026/CoPh/1.2-Overview of Pharmacy Programs– Vision, Mission & Objectives

Vision:

We, College of pharmacy, impact futuristic technical education and instill high patterns of discipline through our dedicated staff who set global standards, making our students technologically superior and ethically strong who in turn shall improve the quality of life of the human race.

- **To be a globally recognized university by providing value-based education and promoting innovation and research for societal betterment.**

Mission:

Our mission is to educate students from the local and rural areas, and from other states so that they become enlightened individuals, improving the living standards of their families, industry and society. We provide individual attention, world class quality of technical education and take care of characters building.

- **To embody ' Vidwan Sarvatra Pujyathey'.**
- **To deliver high-quality education by encouraging research, innovation, and critical thinking**
- **To nurture upright individuals by fostering an inclusive environment and inspiring service to society**

Objectives

- To maximize the therapeutic benefits of medicine while minimizing drug-related problems.
- To accurately prepare, compound, and dispense medications while maintaining strict quality control.
- To counsel patients on proper medication usage, side effects, and adherence, enhancing overall health outcomes.
- To act as an essential part of the care team, collaborating with physicians and nurses to ensure optimal therapy.
- To provide services like immunizations, health screenings (e.g., blood pressure, glucose), and health education
- To advance the field through research on medication usage and patient safety.

RESOLUTION: The members reviewed and **unanimously approved** the Vision, Mission, and Objectives of the Pharmacy program.

Agenda Item No. BoS/2026/CoPh/1.3- Proposed Syllabus for B Pharmacy I & II Semester Courses.

Presentation and discussion on the proposed B Pharmacy I & II Semester Courses.

Dr. M. Deepa presented the **B Pharmacy I & II Semester Courses** in alignment with the PCI regulations, including details on the academic calendar, credit system, and individual subject outlines. The structure and content of B Pharmacy program were discussed.

- External BOS members suggested to Stick to the guidelines of the new PCI syllabus with respect to theory and practicals for the course B. Pharmacy

Resolution:

The BOS reviewed the syllabus for the **B Pharmacy I & II Semester Courses** and, following detailed discussion, granted its approval as submitted with few suggestions,

Agenda Item No. BoS/2026/CoPh/1.4: Suggestions from experts

Prof. R. Nagaraju suggested

General Pharmacy (Practical): suggested the inclusion of a few additional experiments beyond the PCI syllabus to align with the theory syllabus.

Physical Pharmacy (Theory): suggested revising the order of the prescribed textbooks.

RESOLUTION:

- The Board of Studies (BOS) acknowledges the suggestions to add few additional experiments beyond the PCI syllabus to align with the theory syllabus and hereby approves them.
  a) Potassium permanganate Solution
  b) Boric acid solution
  c) Normal saline Nasal drops
  d) Paracetamol Syrup
  e) Iron tonic syrup

05/05/2026

f) Glycerinated gelatin pessaries

g)Cream preparation

h)Gel preparation

i) Paste preparation

- The BOS accepted the suggestion of R. Nagaraju regarding the revision of the order of the prescribed textbooks.

Prof. B. Bhavani suggested that

a) To follow PCI Curriculum and also recommended to implement the same syllabus.

b) To do necessary syllabus enrichment for B Pharmacy I Year II Semester

RESOLUTION:

The Board of Studies (BOS) resolved to adopt and implement the PCI-prescribed curriculum and syllabus for the B. Pharmacy First Year program. Further, the Board recommended carrying out necessary syllabus enrichment for B. Pharmacy I Year II Semester to enhance academic quality and align the curriculum with current educational and professional requirements.

Dr K. Somasekhar Reddy suggested

The BOS members appreciated the comprehensive coverage and systematic presentation of the Human Anatomy and Physiology (HAP) syllabus. They suggested strengthening the practical and application-oriented aspects of the subject to enhance students' conceptual understanding and clinical relevance.

Resolution:

The Board of Studies (BOS) appreciated the comprehensive and well-structured Human Anatomy and Physiology (HAP) syllabus and resolved to strengthen the practical and application-oriented components of the subject.

Dr. M. Gowtham Kumar suggested that

Health Care Psychology and Communication Skills (Theory): After thorough evaluation of the syllabus, the BOS emphasized the need to give greater importance to communication skills

Resolution:

The Board of Studies (BOS) resolved to strengthen the curriculum by placing greater

emphasis on the development of communication skills among students.

Dr. K. Balaram Kumar suggested that

To incorporate an additional experiment related to gravimetric analysis in Pharmaceutical Inorganic and Analytical Chemistry.

Resolution:

Pharmaceutical Inorganic and Analytical Chemistry: The syllabus adequately covers the core conceptual content. Based on expert recommendations, the laboratory experiments were reviewed and one additional experiment related to gravimetric analysis was incorporated as per BOS suggestions and hereby approves them.

- Estimation of Barium sulphate by Gravimetry

Agenda Item No. BoS/2026/CoPh/1.3- Proposed Syllabus for PG Programs.
M Pharmacy I & II Semester Courses.

Presentation and discussion on the proposed M Pharmacy I & II Semester Courses.

Dr. M. Madhu presented the **M Pharmacy I & II Semester Courses** in alignment with the PCI regulations, including details on the credit system, and individual subject outlines.

Agenda Item No. BoS/2026/CoPh/1.4: Suggestions from experts

1. The proposed modifications in the theory subjects such as Modern Pharmaceutical Analytical Techniques, Drug delivery systems, Regulatory Affairs, Quality Management system, Clinical Research and Pharmacovigilance were accepted by all the external members of BoS Members.
2. The proposed restructuring of the syllabus of Modern Pharmaceutical Analytical Techniques of different specializations was accepted and approved by all BoS members

The BoS members reviewed the syllabus for the **M Pharmacy I & II Semester Courses** and, following detailed discussion, granted its approval as submitted with few suggestions,

- All the BoS Members suggested to bifurcate the existing laboratory in all specializations and include minimum of 12 Experiments in both First and Second Semesters of M Pharmacy.

Resolution:

Resolved that the existing laboratory experiments in all specializations of the M. Pharmacy programme shall be bifurcated appropriately to strengthen practical training and specialization-wise competency development. Further, it is approved to include a minimum of twelve 12 laboratory experiments in both the First Semester and Second Semester for all M. Pharmacy specializations, in accordance with PCI regulations and curriculum requirements. (Enclosed in Annexure)

- Inclusion of Research Methodology and Biostatistics, and Intellectual Property Rights as an Open Elective subjects in III Semester are proposed to be offered through NPTEL/SWAYAM platforms, facilitating flexible and blended learning opportunities for students in accordance with academic and regulatory guidelines.

The above proposal was accepted and approved by all BoS members.

Agenda Item No. BoS/2026/CoPh/1.3- Proposed Syllabus for PG Programs.
M Pharmacy I & II Semester Courses.

Presentation and discussion on the proposed M Pharmacy I & II Semester Courses.

Dr. M. Madhu presented the **M Pharmacy I & II Semester Courses** in alignment with the PCI regulations, including details on the credit system, and individual subject outlines.

Agenda Item No. BoS/2026/CoPh/1.4: Suggestions from experts

1. The proposed modifications in the theory subjects such as Modern Pharmaceutical Analytical Techniques, Drug delivery systems, Regulatory Affairs, Quality Management system, Clinical Research and Pharmacovigilance were accepted by all the external members of BoS Members.
2. The proposed restructuring of the syllabus of Modern Pharmaceutical Analytical Techniques of different specializations was accepted and approved by all BoS members

The BoS members reviewed the syllabus for the **M Pharmacy I & II Semester Courses** and, following detailed discussion, granted its approval as submitted with few suggestions,

- All the BoS Members suggested to bifurcate the existing laboratory in all specializations and include minimum of 12 Experiments in both First and Second Semesters of M Pharmacy.

Resolution:

Resolved that the existing laboratory experiments in all specializations of the M. Pharmacy programme shall be bifurcated appropriately to strengthen practical training and specialization-wise competency development. Further, it is approved to include a minimum of twelve 12 laboratory experiments in both the First Semester and Second Semester for all M. Pharmacy specializations, in accordance with PCI regulations and curriculum requirements. (Enclosed in Annexure)

నిజామాబాద్‌లో పసుపు బోర్డు

- నేడు వర్చువల్‌గా ప్రారంభించనున్న పీయూష్ గోయల్
- చైర్మన్‌గా పల్లె గంగారెడ్డి నియామకం

ఈనాడు-దిల్లీ, నిజామాబాద్: తెలంగాణలోని నిజామాబాద్ జిల్లా రైతుల చిరకాల వాంఛ నెరవేరింది. జాతీయ పసుపు బోర్డును ఇందూరు(నిజామాబాద్)లో ఏర్పాటు చేసేందుకు కేంద్ర ప్రభుత్వం నిర్ణయం తీసుకుంది. పసుపు బోర్డును ఏర్పాటు చేయనున్నట్లు గత అసెంబ్లీ ఎన్నికల ప్రచారం సందర్భంగా 2023 అక్టోబరు 1నే మహబూబ్‌నగర్ సభలో ప్రధాని మోదీ ప్రకటించారు. ఆ తర్వాత అక్టోబరు 4న కేంద్ర వాణిజ్యశాఖ దీనిపై గెజిట్ నోటిఫికేషన్ జారీ చేసింది. అయితే బోర్డు ప్రధాన కార్యాలయాన్ని ఎక్కడ ఏర్పాటు చేసేదీ అందులో పేర్కొనలేదు. తాజాగా నిజామాబాద్‌లో బోర్డు ఏర్పాటు చేస్తున్నట్లు సోమవారం ప్రకటించింది. దానికి చైర్మన్‌గా నిజామాబాద్ జిల్లా ఆర్మూర్ మండలం అంకాపూర్ గ్రామానికి చెందిన భాజపా నాయకుడు పల్లె గంగారెడ్డిని నియమించింది. ఈమేరకు కేంద్ర వాణిజ్యశాఖ ఉత్తర్వులు జారీ చేసింది. ఈయన మూడేళ్లపాటు పదవిలో కొనసాగుతారు. గంగారెడ్డి ప్రస్తుతం భాజపా తెలంగాణ రాష్ట్ర కార్యదర్శిగా ఉన్నారు. రైతుల పండగ సంక్రాంతి సందర్భంగా మంగళవారం నిజామాబాద్ కేంద్రంగా బోర్డు ప్రధాన కార్యాలయాన్ని కేంద్ర వాణిజ్యశాఖ మంత్రి పీయూష్ గోయల్ దిల్లీ నుంచి వీడియో కాన్ఫరెన్స్ ద్వారా ప్రారంభించబోతున్నట్లు ఎంపీ ధర్మపురి అర్వింద్ సోమవారం ప్రకటించారు. ప్రస్తుతం నిజామాబాద్‌లో ఉన్న రీజినల్ స్పైస్ బోర్డు కార్యాలయంలోనే మంగళవారం నుంచి కార్యకలాపాలు ప్రారంభమవుతాయి.

లోనూ అంతర్భాగమైన కృతజ్ఞత, సమృద్ధి, పునరుద్ధరణల వేడుక. ఆ [illegible] ఆనందం, మంచి ఆరోగ్యంతోపాటు, రాబోయే కాలం మరింత సుసంపన్నమైన పంట చేతికి అందాలని కోరుకుంటున్నాను" అని ప్రధాని తన ఎక్స్ ఖాతాలో పేర్కొన్నారు. దేశవ్యాప్తంగా పంటలు చేతికొచ్చే సమయంలో వివిధ రాష్ట్రాల్లో వివిధ పేర్లతో మకర సంక్రాంతి జరుపుకోవడం సంతోషకరమని కేంద్రమంత్రి, భాజపా అధ్యక్షుడు జేపీనడ్డా పేర్కొన్నారు. కిషన్‌రెడ్డి ఇంట్లో జరిగిన కార్యక్రమాల్లో పాల్గొన్న అనంతరం మీడియాతో మాట్లాడుతూ దేశవ్యాప్తంగా ప్రజలంతా సుఖసంతోషాలతో ఉండాలని కోరుకుంటున్నట్లు తెలిపారు.

అందర్నీ గ్రామాలకు తీసుకెళ్లే పండగ ఇది: కిషన్‌రెడ్డి

గ్రామీణ ప్రజలు సంతోషకర వాతావరణంలో జరుపుకొనే పండగ సంక్రాంతి అని తెలంగాణ భాజపా అధ్యక్షుడు, కేంద్ర మంత్రి కిషన్‌రెడ్డి అభివర్ణించారు. వేడుకల సందర్భంగా ఆయన మాట్లాడుతూ ఈ పండగకు తెలుగు రాష్ట్రాల్లో ప్రత్యేకత ఉందన్నారు. వివిధ కారణాలతో వలసవెళ్లిన ప్రజలంతా సొంత గ్రామాలకు వెళ్లి పాత జ్ఞాపకాలను నెమరేసుకొనే అద్భుతమైన అవకాశాన్ని ఇది కల్పిస్తుందని చెప్పారు. తాను తొలిసారి అధికార నివాసంలో ఈ కార్యక్రమం నిర్వహించడం సంతోషంగా ఉందని పేర్కొన్నారు. కార్యక్రమంలో హరియాణా గవర్నర్ బండారు దత్తాత్రేయ, కేంద్ర మంత్రులు ధర్మేంద్ర ప్రధాన్, గజేంద్రసింగ్ షెకావత్, జ్యోతిరాదిత్య సింధియా, బండి సంజయ్, పెమ్మసాని చంద్రశేఖర్, ఎల్.మురుగన్, భాజపా ఎంపీలు కె.లక్ష్మణ్, ఈటల రాజేందర్, డీకే అరుణ, ధర్మపురి అర్వింద్, కొండా విశ్వేశ్వర్‌రెడ్డి, గోడం నగేశ్, జనసేన ఎంపీ బాలశౌరితోపాటు దిల్లీ కేంద్రంగా పనిచేసే ఏపీఎస్, టీపీఎస్ అధికారులు, న్యాయవాదులు పాల్గొన్నారు. ఈ సందర్భంగా సినీ గాయకులు సునీత, మంగ్లీ ఆలపించిన భక్తిగీతాలు, తెలంగాణ జానపద కళాకారులు ప్రదర్శించిన నృత్యాలు, ఆలపించిన జానపద గేయాలు ఆహూతులను ఆకట్టుకున్నాయి. దిల్లీలో ఉండే తెలుగువారు పెద్ద సంఖ్యలో పాల్గొన్నారు.

రామచంద్రాపురం: తిరుపతి జిల్లా, రామచంద్రాపురం మండలంలోని అనుప్పల్లిలో సోమవారం జల్లికట్టు వైభవంగా నిర్వహించారు. ఈ సందర్భంగా గ్రామం జనసంద్రమైంది. ఉదయం పశువుల కొమ్ములకు రంగులను పూసి అందంగా అలంకరించారు. కొయ్యతో చెక్కిన వలకలు, రంగు కాగితాలు, వివిధ రకాల దేవుళ్ల బొమ్మలను అతికించి, డప్పులు కొట్టి పశువులను జనంలోకి వదిలారు. యువకులు పశువులను నిలువరించి వాటి కొమ్ములకు ఉన్న బహుమతులను సొంతం చేసుకోవడానికి పోటీ పడ్డారు. కొంతమంది పశువుల యజమానులు తమకు నచ్చిన నాయకుల చిత్రాలను, వివిధ దేవుళ్ల బొమ్మలను వలకలకు అతికించారు. ఈ క్రమంలోనే ఈ పండేలు మాడటానికి వచ్చిన పరిసర గ్రామాల ప్రజలకు అన్నదానం చేశారు.

ఆనందం, ఆరోగ్యాన్నివ్వాలి

కిషన్‌రెడ్డి నివాసంలో జరిగిన సంక్రాంతి వేడుకల్లో ప్రధాని మోదీ ఆకాంక్ష

సాక్షి, న్యూఢిల్లీ: కేంద్ర మంత్రి జి.కిషన్‌రెడ్డి నివాసంలో సంక్రాంతి వేడుకలు ఘనంగా జరిగాయి. సోమవారం ఢిల్లీలోని ఆయన నివాసంలో జరిగిన ఈ సంబరాలకు ప్రధానమంత్రి నరేంద్రమోదీ ముఖ్య అతిథిగా హాజరయ్యారు. మోదీకి కిషన్‌రెడ్డి కుటుంబసభ్యులతోపాటు, ప్రముఖ సినీనటుడు చిరంజీవి తదితరులు స్వాగతం పలికారు. నేరుగా తులసికోట వద్దకు చేరుకొని అక్కడ పూజలు నిర్వహించారు. అనంతరం మంగళవాయిద్యాలు, పండితుల వేద మంత్రోచ్ఛారణల మధ్య భోగి మంటలు వెలిగించారు. గంగిరెద్దులకు వృషభ పూజ చేశారు. అక్కడి నుంచి సంప్రదాయ, జానపద కళాకారుల నృత్యాలు, డప్పు చప్పుళ్ల మధ్య సభాస్థలి వరకు మోదీకి స్వాగతం పలికారు. సంస్కృతి, సంప్రదాయాలు ఉట్టిపడేలా తీర్చిదిద్దిన వేదికపై ప్రధాని మోదీ జ్యోతి వెలిగించారు. ప్రముఖ గాయని సునీత శ్లోకం ఆలపించగా, ఢిల్లీ నాట్య అకాడమీ బృందం నృత్య ప్రదర్శన చేసింది. ఈ కార్యక్రమంలో లోక్‌సభ స్పీకర్ ఓం బిర్లా, హరియాణా గవర్నర్ బండారు దత్తాత్రేయ, పలువురు కేంద్రమంత్రులు, పలువురు ఎంపీలు, క్రీడాకారిణి పీవీ.సింధు తదితరులు పాల్గొన్నారు.

ఇది సంస్కృతి, సమృద్ధి, పునరుద్ధరణ వేడుక: మోదీ

సంక్రాంతి పండుగ సంస్కృతి, పునరుద్ధరణల వేడుక అంటూ ప్రధాని మోదీ ట్వీట్ చేశారు. 'నా మంత్రివర్గ సహచరుడు జి.కిషన్‌రెడ్డి నివాసంలో జరిగిన సంక్రాంతి వేడుకలకు హాజరయ్యాను. అద్భుతమైన సాంస్కృతిక కార్యక్రమాన్ని కూడా చూసి ఆనందించాను. ఇది మన సంస్కృతి, వ్యవసాయ సంప్రదాయాల్లో అంతర్భాగమైన కృతజ్ఞత, సమృద్ధి, పునరుద్ధరణల వేడుక. సంక్రాంతి అందరికీ ఆనందం, మంచి ఆరోగ్యంతోపాటు రాబోయే కాలం మరింత సుసంపన్నమైన పంట చేలకి అందాలని కోరుకుంటున్నాను'అంటూ ట్వీట్ ముగించారు.

26న జీఎస్ఎల్వీ ఎఫ్15 ప్రయోగం

నూళ్లూరుపేట: భారత అంతరిక్ష పరిశోధన సంస్థ (ఇస్రో) ఈ ఏడాది 26న వందో ప్రయోగానికి సిద్ధమవుతోంది. ఇస్రో సుదీర్ఘమైన అంతరిక్ష ప్రయోగాల్లో ఈనెల 26న జీఎస్ఎల్వీ ఎఫ్15 రాకెట్ ద్వారా సుమారు 2,500 కిలోలు బరువు కలిగిన నావిక్-02 అనే ఉపగ్రహాన్ని రోదసీలోకి పంపేందుకు సిద్ధం చేస్తున్నారు. తిరుపతి జిల్లా సతీష్ ధవన్ స్పేస్ సెంటర్ షార్‌లోని రెండో ప్రయోగవేదికకు సంబంధించిన వెహికల్ అసెంబ్లింగ్ బిల్డింగ్‌ల మూడు దశల రాకెట్ అనుసంధానం పనులు ముమ్మరంగా జరుగుతున్నాయి. దీనికి సంబంధించి నావిక్-02 ఉపగ్రహం ఇప్పటికే షార్‌కు చేరుకుంది. మంగళవారం నుంచి ఇస్రో నూతన అధిపతిగా పదవీ బాధ్యతలను చేపట్టబోతున్న డాక్టర్ వీ నారాయణన్‌కు మొట్టమొదటి ప్రయోగం.

నావిక్-02 ఉపగ్రహం రోదసీలోకి: భారత క్షేత్రీయ దిక్సూచి ఉపగ్రహ వ్యవస్థ (ఇండియన్ రీజనల్ నావిగేషన్ శాటిలైట్ సిస్టం) వ్యవస్థ ఇప్పటికే అందుబాటులో ఉండగా దీన్ని మరింత బలోపేతం చేసేందుకు నావిక్-02 ఉపగ్రహ ప్రయోగంతో సాకారం కానుంది. గతంలో పంపిన ఉపగ్రహాల్లో ఎస్-బాండ్, కే బాండ్, కేయూ బాండ్ లాంటి ఉపకరణాలను ఉపగ్రహంలో అమర్చి పంపిన విషయం తెలిసిందే.

వేలు, డీవైఈవోలు, ఎంఈవోలతో వెబ్-ఎక్స్ సమావేశం నిర్వహించారు. మిగులు టీచర్లలో సీనియర్ టీచర్ సర్దుబాటులోకి వెళ్లానంటే అవకాశం కల్పించాలన్నారు. జూనియర్ టీచర్ 70శాతం కంటే ఎక్కువ అంగవైకల్యంతో ఉంటే, అదే పాఠశాలలో వేరే టీచర్‌ను సర్దుబాటు చేయాలని సూచించారు. ఈనెలాఖరు నాటికి అయ్యే రిటైర్‌మెంట్లనూ పరిగణనలోకి తీసుకుని సర్దుబాటు చేయాలని ఆదేశించారు. మండలంలో సర్దుబాటు పూర్తయ్యాకే డివిజన్ స్థాయిలో చేస్తారని వివరించారు.

కల్పించాలని, అప్పుడే స్థానికులకు ఉపాధి దొరుకుతుందని ప్రభుత్వానికి ఆదాయం లభిస్తుందన్నారు. టూరిజం అభివృద్ధికి కేంద్రం ఇచ్చే నిధులు రూ.300 కోట్లతో శ్రీశైలం, రాజమండ్రి గోదావరి ప్రాంతం, సూర్యలంక బీచ్‌లలో టూరిజం ప్రాజెక్టులు పూర్తి చేయాలన్నారు. త్వరగా కొత్త టూరిజం పాలసీ తీసుకురావాలన్నారు. రాష్ట్రంలో సీప్లేన్ టూరిజం తెచ్చేందుకు అవకాశాలు పరిశీలించాలన్నారు. రుషికొండ ప్యాలెస్ కోసం పెట్టిన ఖర్చులో సగం కూడా పర్యాటక రంగంపై పెట్టకపోవడం విచారకమని సీఎం అన్నారు.

వైద్యురాలని దారుణంగా హతమార్చిన వంటన హత్య కేసుగా ఎందుకు నమోదు చేయలేదని చీఫ్ జస్టిస్ ప్రశ్నించారు. వైద్యురాలి మృతదేహం ఏమీ రోడ్డు పక్కన దొరకలేదని, ఆస్పత్రి సూపరింటెండెంట్ లేదా వైద్య కళాశాల ప్రిన్సిపల్ ఎందుకు ఫిర్యాదు చేయలేదని నిలదీశారు. ఈ కేసు దర్యాప్తు కోర్టు పర్యవేక్షణలో జరిగేలా చూడాలని కోరుతూ మృతురాలి తల్లిదండ్రులు హైకోర్టును ఆశ్రయించారు. అలాగే కేసు దర్యాప్తును సీబీఐకి అప్పగించాలంటూ పలు ప్రజాప్ర

కొవాడ ఎవత్రమైన బాధ్యత వైద్యులపై డన్నందున, ఆందోళనలను విరమించాలని సూచించింది. కాగా, జూనియర్ వైద్యురాలిపై హత్యాచారాన్ని నిరసిస్తూ దేశవ్యాప్తంగా వైద్యులు విధులు బహిష్కరించారు. తక్షణమే తగిన న్యాయం చేయాలని, హంతకుడిని కఠినంగా శిక్షించాలని డిమాండ్ చేశారు. అత్యవసర సేవలు మినహా మిగిలిన అన్ని సేవలనూ నిలిపివేశారు. దీంతో ప్రభుత్వాస్పత్రుల్లో వైద్య సేవలపై తీవ్ర ప్రభావం పడింది.

ANNAMACHARYA EDUCATIONAL TRUST

SCHEDULE-18

SIGNIFICANT ACCOUNTING POLOCIES AND NOTES ON ACCOUNTS

I. BRIEF ABOUT THE ENTITY:

Annamacharya Educational Trust was registered on 13.08.1997 with the main object of promoting education among various sections of society by establishing and running educational institutions. The objects of the Trust include establishing, opening, organising and managing schools, colleges and other educational institutions, including technical and medical institutions, with a view to promoting and improving education at all levels.

After fulfilling the prescribed conditions, the Trust obtained registration under Section 12A of the Income-tax Act from the Income Tax Department.

In furtherance of its charitable objects, the Trust established an Engineering College at Rajampet, Kadapa District, during the academic year 1998-99. Subsequently, the Trust established three more engineering colleges at Tirupati, Kadapa and Hyderabad. Thereafter, the Trust also established a school at Madhapur, Hyderabad.The registered office of the Trust is situated at:2-2-25/P/7/1, D.D. Colony, Bagh Amberpet, Hyderabad- 500 013.

II. SINGNIFICANT ACCOUNTING POLICIES:

1. BASIS OF ACCOUNTING:

a) These accounts are made for 12 months commencing from 01.04.2025 31.03.2026. Accounts are maintained on accrual basis. Accounts were prepared on the basis of generally accepted accounting principles (GAAP) and accounting standards

b) The Trust is running both technical and non-technical educational institutions in the States of Andhra Pradesh and Telangana. Since all the institutions are functioning under the umbrella of the Trust, the accounts of all the institutions have been consolidated and presented as a single set of financial statements of the Trust.

2. USE OF ESTIMATES:

Preparing financial statements require management to make estimates and assumptions that affect the reported amounts of assets, liabilities and the contingent liabilities at the date of the financial statements and the reported income and expenses for the year. Actual results could differ these estimates. Differences are recognized in the period in which the results are known or materialize.

3. UNRESTRICTED FUND

a) The balance of the Corpus Fund as at 31.03.2026 comprises the opening balance of the Corpus Fund as at 31.03.2025, together with the excess of income over expenditure (or excess of expenditure over income, as the

case may be) of all the institutions run by the Trust for the Financial Year 2025-26.

b) During the year the trust has not received any donations either from the members or from the general public.

4. PROPERTY, PLANT AND EQUIPMENT:

a) Property, plant andequipment are stated at cost less accumulated depreciation and impairment losses. if any.

b) Expenditure incurred towards additions, modifications and alterations to existing assets, which provide an enduring benefit, has been treated as capital expenditure. Accordingly, such expenditure has been capitalised upon completion of the respective works, based on the identification and certification by the Management and the Registered Valuer.

5. DEPRICIATION:

Depreciation on fixed assets is charged on Written Down Value (W.D.V) method asprescribed under the rules of Income Tax Rules 1962. Management considers these rates to be representative of the useful life of the asset.

6. IMPAIRMENT OF ASSETS.:

At each Balance Sheet date, the carrying amounts of assets as reviewed for any indication of impairment. At impairment loss is recognized where the carrying amount of an assets exceeds its recoverable amount.

7. INVESTMENTS.:

Long- term investments are stated at cost less provision for any diminution in value that is other than temporary. Current investments are stated at the lowest of the cost or fair value.

8. VALUATION OF INVENTORY

Items of inventory are valued at lower of cost or net realizable value after providing for obsolesces, if any. Cost of inventories comprises of cost of purchase, conversions and other costs incurred in bringing them to their respective present location and condition.

III. NOTES ON ACCOUNTGS:

9. Corpus Fund shown in Balance Sheet as on 31.03.2026 includes Excess of Income over Expenditure for the Financial Year 2025-26 of Rs. 61,09,14,702/-.

10. Income is accounted for on an accrual basis in all the institutions, except in respect of hostel fees and bus fees, which are collected from students for the entire academic year rather than on a financial year basis. Accordingly, such fees are accounted for based on the period to which they relate.

11. During the year under review, the Trust transferred Rs. 11.22 crores from the head Buildings under Construction. Out of this amount, Rs. 8.68 crores werecapitalized under the head Buildings, representing completed projects that became ready and available for their intended use by the respective institutions. The balance amount of Rs. 2.54 crores represent expenditure

incurred by other institutions on behalf of CGR Academy. Accordingly, the said amount has been transferred to and included under Buildings under Construction of CGR Academy, along with the expenditure already incurred by CGR Academy towards the construction of the building.The expenditure relating to the completed projects has been capitalized from the respective dates on which the assets became ready and available for their intended use. The expenditure incurred towards the CGR Academy building will be capitalized upon completion of the construction and when the building becomes ready and available for its intended use.

12. Gratuity: The Trust has not made any provision towards gratuity payable to its eligible employees under the provisions of the Payment of Gratuity Act, 1972, in its books of account.

13. Provident fund: The Trust is contributing towards Provident Fund only in respect of certain eligible employees, in accordance with the applicable statutory requirements.

14. The Trust is not maintaining a separate list of MSME creditors. Accordingly, the break-up of MSME creditors included in the total creditors is not available.

15. Leave encashment: The trust has not made any provision for leave encashment.

16. Leases: Leases, which the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classifies as operating leases. Operating lease payments are recognized as an expense in the statement of Income and Expenditure account.

17. The Trust is an approved charitable institution under the Income-tax Act, 1961, and has complied with the conditions prescribed under Section 12A of the Act. The Trust applied for renewal of its registration in Form No. 10A and was granted renewal under Form No. 10AC on 26.09.2021, effective from Assessment Year 2022-23 to Assessment Year 2026-27.

18. No provision has been made towards income tax in the financial statements, as the surplus representing the amount not applied during the year has been accumulated and invested in specified modes of investment in accordance with Section 11(5) of the Income-tax Act, 1961, subject to the applicable conditions under the Act.

19. Previous year figures have been regrouped wherever necessary.

20. All figures have been rounded off to the nearest thousands, unless otherwise stated.

2.7 Infrastructure development and capital expenditure proposals

The registrar presented before the Board of Management the various infrastructure development activities and capital expenditure initiatives undertaken to enhance the University's academic, administrative, and research facilities.

An initial amount of ₹40 crores was sanctioned as a development fund by the sponsoring body, Annamacharya Educational Trust. During the financial year 2024–25, an additional ₹50 crores was secured through a bank loan to meet the requirements for the construction of university buildings and infrastructure.

The University successfully completed a 1,36,000 sq. ft. academic building and a 50,000 sq. ft. girls' hostel building. Several laboratories have also been established, including Computer, Agronomy, Soil Science, Entomology, and Horticulture Laboratories in the College of Agriculture, as well as Anatomy, Medical Laboratory Technology, and Physiotherapy Laboratories in the School of Allied Health Sciences. The University expressed satisfaction in achieving nearly 100% utilization of the sanctioned funds by the end of the financial year 2024–25.

In the financial year 2025–26, the University borrowed an additional ₹60 crores as capital investment to construct the Law College building, establish 90-seat capacity Physics and Chemistry Laboratories, set up three new Computer Laboratories, and construct an extension block for the Boys' Hostel, among other facilities. The funds are also being utilized for the construction of approximately 3 km of internal roads within the University campus and for the upkeep and enhancement of greenery across the campus.

Resolution: The Board of Management noted and appreciated the efforts made by the University.

2.8 Review of research grants and projects (applied and received)

The registrar presented before the Board of Management that 48 research projects were submitted to various funding agencies for the Academic Year 2025–26, amount to a total of ₹78,36,97,683/- (Rupees Seventy-eight crores thirty-six lakhs ninety-seven thousand six hundred and eighty-three only). The details of the research project submissions are presented in **Annexure-4**.

Resolution: The Board of Management noted and appreciated the faculty members for their efforts in submitting research projects worth ₹78 crores. The external Board members suggested submitting project proposals to the Board of Research in Nuclear Sciences (BRNS) for research projects as well as for symposia, conferences, seminars, and workshops, as there is significant scope for funding.

2.9 Establishment of new research centres / MoUs with industries or institutions

The registrar presented before the Board of Management that the Government has issued an official Gazette Notification under the Andhra Pradesh Private Universities (Establishment and Regulation) Act, 2016, as amended by Act No. 19 of 2025, dated 23.10.2025, stating the following:

1. To create research-intensive ecosystems with support for fundamental, applied, and translational research.
2. To establish Centres of Excellence, Incubation Hubs, and Technology Transfer Offices to promote innovation and entrepreneurship.
3. To enhance IPR generation, patent filings, and foster a startup culture within the University.

In accordance with the directions of the State Government, the University has initiated steps to establish Centres of Excellence, Innovation Hubs, Technology Transfer Offices, and related facilities. The Vice Chancellor brought to the notice of the members that the institution has received approval for establishing an Ideation Laboratory in association with AICTE. The cost of the project will be shared equally, with each party contributing 50%.

Resolution: After thorough discussion, the Board of Management resolved to approve the establishment of Centres of Excellence, Innovation Hubs, Technology Transfer Offices, and related initiatives. The Board members appreciated the efforts made by the institution in achieving approval for and establishing an Ideation Laboratory on the campus.

Dean, R&D Cell	1. To create Research-intensive ecosystems 2. To establish Centres of Excellences
Dean, Innovation and Incubation Cell	1. To establish Incubation Hubs, and Technology Transfer Offices 2. IPR generation, patent filings, and a startup culture

2.10 Preparation for accreditation (NAAC | NBA | NIRF)

The registrar presented before the Board of Management the importance of NAAC, NIRF, NBA, and other accreditation frameworks for private universities. The following objectives were outlined:

1. To establish international collaborations for joint degree programs, faculty and student exchange, and research networks.
2. To align academic offerings with global accreditation standards such as ABET, QS Rankings, THE Rankings, etc.
3. To host international campuses or twinning programs in partnership with reputed global institutions.

It was further noted that the University may be permitted by the Government, on a case-to-case basis, to open off-campus centres, offshore campuses, and study centres after completion of five years of its establishment, subject to compliance with UGC Regulations and accreditation requirements such as NIRF, NAAC, NBA, etc.

Resolution: After thorough deliberation, the Board of Management resolved to approve the decisions related to NIRF, NBA, and NAAC accreditations and certifications. The following responsibilities were assigned:

1. NBA Accreditation – entrusted to the Principal / Dean, College of Engineering.
2. NAAC and NIRF – entrusted to the respective Principals / Deans of Colleges / Schools.
3. ICAR Accreditation – entrusted to the Dean, College of Agriculture.

2.11 Review on scholarships and financial aid updates

The registrar presented before the Board of Management that 780 students received scholarships amounting to ₹1,43,59,000/- (Rupees One Crore Forty-Three Lakhs and Fifty-Nine Thousand Only) for the academic year 2025–26. The department-wise details of scholarship recipients in the School of Engineering are provided in **Annexure-5.**

3.13. Consideration and approval of the minutes of the 2nd and 3rd RRM meeting held on 5th & 6th December, 2025 and 5th & 6th February, 2026 respectively

The Council considered the Minutes of the 2nd Research Review Meeting held on 05th & 06th December 2025, and the 3rd Research Review Meeting held on 05th & 06th February 2026, placed in Annexure-11.

Resolution:

The Academic Council considered and ratified the Minutes of the 2nd and 3rd Research Review Meetings as presented.

3.14 Consideration of the placement report for the academic year 2025-26

The Council considered the placement statistics for the Academic Year 2025–26 as presented in Annexure–12.

It was noted that 847 students were placed out of 1,306 students on rolls in the final year, with an overall placement percentage of 64.85%.

Resolution:

The Academic Council considered and ratified the placement report for the Academic Year 2025–26.

3.15 Consideration and approval of the academic calendars for the academic year 2025-26 and 2026-27.

The Academic Calendars for the Academic Years 2025–26 and 2026–27 were placed before the Council in Annexure–13 for consideration and approval.

Resolution:

The Academic Council considered and approved the Academic Calendars for the Academic Years 2025–26 and 2026–27 as presented.

3.16 Consideration and approval of the academic and administrative audit conducted for the academic year 2024–25

The Council considered the Academic and Administrative Audit Reports of the School of Engineering, College of Agriculture and College of Allied Health Sciences.

The audit was conducted from 01.12.2025 to 03.12.2025 by an external expert team from Aasan Educare Pvt. Ltd., Chennai. The detailed reports were placed in Annexure–14.

Resolution:

The Academic Council considered and noted the Academic and Administrative Audit Reports and advised the concerned Schools/Colleges to examine the observations and take appropriate measures for improvement.

3.17 To consider and accord approval for the merger of the Faculty of Computer Studies and MBA courses being offered by Annamacharya PG College into Annamacharya University (School of Engineering)

The Council considered the proposal for merger of the faculty members of Annamacharya PG College of Computer Studies with Annamacharya University.

It was informed that Annamacharya PG College of Computer Studies had decided not to seek AICTE approval and not to admit students from the Academic Year 2026–27. Accordingly, the AICTE-approved intake of 120 seats in MCA and 90 seats in MBA was proposed to be added to the University.

Resolution:

The Academic Council approved the proposal for merger of the faculty members of Annamacharya PG College of Computer Studies with Annamacharya University with effect from 01.06.2026 and approved the proposed transfer/addition of the stated MCA and MBA intake, subject to applicable regulatory approvals and formalities.

3.18 Consideration and Approval of Feedback Analysis Reports of Various Departments for the Academic Year 2025–26

The Council considered the feedback analysis reports relating to curriculum, teaching-learning processes, infrastructure, student support services and other academic aspects. Feedback had been collected from students, faculty members, alumni, employers and parents and analysed by the respective departments and the Quality Assurance Cell. The summary was placed in Annexure–15.

Resolution:

The Academic Council:

1. Considered and reviewed the department-wise feedback analysis reports.
2. Approved the recommendations and action plans proposed based on the feedback received.
3. Advised the departments concerned to consider further measures for improving the quality of academic programmes and institutional performance.
4. Directed the concerned departments to implement the approved action plans and submit compliance reports.

3.19 Conduct of First Convocation of the University

The Council considered the proposal for conducting the First Convocation of Annamacharya University for the conferment of Degrees, Gold Medals and other academic distinctions upon eligible candidates.

The Council was informed that the Convocation would be organised in accordance with the University Act, Statutes, Ordinances and relevant regulations.

Resolution:

The Academic Council:

1 Approved the conduct of the First Convocation of the University.

2 Approved the list of eligible candidates for award of Degrees, Diplomas and other academic distinctions, subject to verification and certification by the Controller of Examinations.

3 Recommended the matter to the Board of Management for further approval and necessary action.

4 Authorized the Vice-Chancellor to take all necessary steps for the successful conduct of the First Convocation.

3.20 Amendment on AU24 regulations for B.Sc. (Hons) Agriculture, College of Agriculture

The Council considered the proposed amendment to Section 12 of the AU24 Regulations relating to the College of Agriculture, as placed in Annexure–16.

Resolution:

The Academic Council considered and approved the proposed amendment to Section 12 of the AU24 Regulations relating to the College of Agriculture, as presented in Annexure–16.

3.21 Discussion on 2+2 Twin degree program with University of Applied Management, Germany

The Council considered the proposal for introduction of a 2+2 Twin Degree Programme in collaboration with the University of Applied Management (UAM), Germany.

Under the proposed arrangement, students would complete the first two years of study at Annamacharya University and the remaining two years at the partner university in Germany. The proposed collaboration includes academic cooperation, student mobility, credit transfer and related academic modalities. The proposed MoU was placed before the Council in Annexure–17.

Resolution:

The Academic Council considered and approved the proposal for entering into a Memorandum of Understanding with the University of Applied Management, Germany, for academic and research collaboration and implementation of the proposed 2+2 Twin Degree Programme, subject to completion of the prescribed academic, administrative and statutory formalities.

3.22 Establishment of Idea laboratory by the University with the support of AICTE

The Council considered the establishment of the AICTE-supported IDEA Lab at the University.

It was informed that AICTE had provided a grant of ₹30.00 lakhs, while the University Management contributed ₹30.00 lakhs, resulting in a total investment of ₹60.00 lakhs. The IDEA Lab was inaugurated on 09.06.2026 by the Chancellor and Vice-Chancellor.

The Council noted that the laboratory provides facilities and equipment for electrical, electronic and mechanical design, development, prototyping and fabrication, supporting innovation, research, skill development and interdisciplinary learning.

Resolution:

The Academic Council noted the establishment of the AICTE-supported IDEA Lab and appreciated the initiative to promote innovation, creativity, skill development, research and hands-on interdisciplinary learning among students and faculty.

3.23 Consideration and approval of new programs in Allied Health Science for the Academic Year 2026-27

The Vice-Chancellor briefed the council members about the proposed new programs with student intake to be offered in Allied Health Sciences starting from the academic year 2026-27 onwards.

Resolution: After thorough discussion, the Academic Council noted the placement statistics. The details are appended in Annexure-9.

2.13 Consideration and approval of the academic calendars for the academic year 2024–25 and 2025-26.

The Vice Chancellor presented before the Academic Council members the academic calendars.

Resolution: After due consideration, the Academic Council approved the academic calendars. The academic calendars are appended in Annexure-10.

2.14 Appraisal on the grant of NAAC accreditation, NBA accreditation for B. Tech programmes, ranking.

The Vice Chancellor presented before the Academic Council members about the status of Annamacharya Institute of Technology and Sciences (AITS), Rajampet, NAAC and NBA status.

The status of the NAAC and NBA is:

Accreditation Year	Accreditation Body	Duration
2010	NAAC	5 Years (till March 27, 2015)
2016	NAAC	5 Years (till March 16, 2021)
2019	NAAC	5 Years (till April 30, 2024)

2024	NAAC	5 Years (till November 13, 2029)
2005	NBA	ME branch for 3 Years
2009	NBA	3 Years (till April 16, 2012)
2021	NBA	3 Years (till June 30, 2024)
2024	NBA	3 Years (till June 30, 2027)

The Vice Chancelor also presented before the academic council members that, the current NAAC accreditation is valid until April 30, 2029, and the NBA accreditation is valid until June 30, 2027. Both accreditations are in the name of Annamacharya Institute of Technology and Sciences (AITS).

As AITS has now been transformed into a State Private University, we are planning to apply for both NBA and NAAC accreditations under the new name — *Annamacharya University* — in the next cycle.

Resolution: The academic council members are noted the same and approved. The list of approval letters is appended in Annexure 11.

2.15 Presentation of academic, co-curricular, extra-curricular, and other significant activities and events conducted by the institute from 1st July 2024 to 30th June 2025

The Vice Chancellor presented before the Academic Council members the academic, co-curricular, extra-curricular, and other significant activities and events conducted at the University.

The activities are:

SNo	Academic Year	Name of the Programs	No. of Programs conducted
1	2024-25	Academic Programs	09
		Cultural Programs	12
2	2023-24	Academic Programs	09
		Cultural Programs	10

Resolution: The Academic Council members noted and approved the same. The list of various activities is appended in Annexure-12.

2.16 Consideration and approval of the academic audits conducted for the academic year 2024–25

The Vice Chancellor presented before the Academic Council members the detailed Academic Audit Reports.

Resolution: The members noted the same and resolved to ratify the academic audit reports conducted by the internal members of the University. The reports are appended in Annexure-13.

2.17 Appraisal of holistic development and nearby places of interest around Annamacharya University

The Vice Chancellor presented before the Academic Council members the initiatives taken for the holistic development of students and the details of nearby places beneficial to the student community. It was highlighted that Annamacharya University is located amidst spiritually enriching and holistic learning destinations. To attract visitors and prospective students, information about these nearby places has been updated on the University website. The list of such places is appended in Annexure-14.

Resolution: The academic council members are noted and approved.

2.18 University Preparedness for developing video lectures and Lecture Notes.

The Vice Chancellor presented before the Academic Council members the proposal to develop and record video lectures and prepare lecture notes for all B.Tech. courses, to be made available on the Annamacharya University website. This initiative will benefit both students and faculty members. A dedicated space, the *Ekalavya Centre* (Room No: 113, EEE Block), has been identified for the preparation of video lectures. Further, all faculty members have been advised to prepare lecture notes.

Resolution: The Academic Council members appreciated the efforts of the faculty in developing video lectures and subsequently approved the proposal.

2.19 To consider and approve the proposed amendment to Section 14 of the AU24 Regulations

The Vice Chancellor presented before the Academic Council members the attendance policy as per Section 14 of the AU-24 Regulations.

The existing policy states:

"A student shall maintain a minimum required attendance of 40% in each subject and 75% in aggregate of all the subjects in a semester.'

The proposed amendment to sub-section (1) of Section 14 of AU-24 is:

"A student shall maintain a minimum required attendance of 75% in aggregate of all the subjects in a semester."

During the discussions, a few members of the Academic Council expressed that while the clause of 40% in each course may be removed, it was suggested that monthly reviews of attendance be conducted to ensure that students do not fall below 40% attendance in individual courses.

Resolution: After thorough deliberation, the Academic Council resolved to ratify the above amendment with effect from the academic year 2025–26 onwards.

2.20 Any other item with the permission of the Chair.

- The Vice-Chancellor informed the Academic Council members that the Association of Indian Universities (AIU) has considered the application of Annamacharya University, Rajampet, for membership and has resolved to grant the same with effect from 03.04.2025, placing the University in the South Zone.
  Resolution: The Academic Council noted the information.
- The Vice-Chancellor informed the Academic Council members that the University Grants Commission (UGC) has included Annamacharya University, Rajampet, in the list of universities recognized under Section 2(f) of the UGC Act, 1956.
  Resolution: The Academic Council noted the information.
- The Vice-Chancellor presented the UGC recognition application, which had been submitted to the University Grants Commission on 2nd July 2025, for review and approval towards further recognition under Section 12(B) of the UGC Act, 1956.
  Resolution: The Academic Council noted the information
- The Vice-Chancellor presented the B.Tech. Minor Programme in Quantum Technologies to all engineering students of the University. The course curriculum has been approved by the Board of Studies of the Electronics and Engineering Departments in its 2nd meeting. The programme will be offered from the academic year 2026–27 onwards.
  Resolution: The Academic Council noted the growing importance of Quantum Technologies in line with the National Quantum Mission of India. After detailed deliberations, the Council appreciated the relevance and significance of introducing the Minor Programme and approved the curriculum and implementation of the B.Tech. Minor Programme in Quantum Technologies with effect from the academic year 2026–27.
- Finally, the Vice-Chancellor informed the Academic Council members about the disposal of outdated/obsolete items available in the storeroom, such as account voucher files, evaluation record books, old cash books, and old cheque books, pertaining to the period from 01.01.1999 to 31.12.2014.
  Resolution: The Academic Council noted and approved

The Academic Council meeting was concluded by the Vice Chancellor with a vote of thanks.

All members were present for the meeting

Members on Leave: Nil

The 3rd meeting of the Finance Committee of Annamacharya University, Rajampet, was convened on 30.03.2026. The Chairperson called the meeting to order, and the following items were taken up for consideration as per the agenda.

3.1 Welcome and Opening Remarks by the Chairperson

The Chancellor welcomed the members to the meeting of the Finance Committee of Annamacharya University and expressed his appreciation for their participation and continued commitment to the financial management, accountability, and sustainable development of the University.

He highlighted that the primary purpose of the meeting was to review and deliberate on key financial matters and provide appropriate guidance on financial priorities in alignment with the University's objectives of academic excellence, innovation, and student welfare. He also emphasized the importance of the members' collective knowledge and experience in academia, administration, industry, and financial management in facilitating sound, transparent, and informed decision-making.

Subsequently, the Chancellor requested the Finance Officer to present the agenda items for consideration. The Committee deliberated on the items presented, and the decisions and resolutions made during the meeting are recorded below.

3.2 Confirmation of the Minutes of the 2nd Meeting of the Finance Committee

The minutes of the 2nd meeting of the Finance Committee of Annamacharya University, Rajampet, held on 28.03.2025, were placed before the Committee (Annexure-1).

Resolution: The Committee confirmed the minutes of the 2nd meeting of Finance Committee.

3.3 Review of the Action Taken Report of the 2nd Meeting of the Finance Committee

The Action Taken Report on the decisions of the 2nd Meeting of the Finance Committee meeting was placed before the Committee (Annexure-2) and was reviewed.

Resolution: The Committee considered and approved the Action Taken Report.

3.4 Presentation of Audited Financial Statements for FY 2025-26

The audited financial statements of the University for FY 2025-26 were presented before the Committee for review and discussion (Annexure-3).

Resolution: The Committee considered and approved the audited financial statements for FY 2025-26.

3.5 Budget Estimates for FY 2026-27

The Chairperson briefed the members on the budget estimates prepared by the University for the Financial Year 2026-27. He explained that the estimates include, apart from buildings as a major component, provisions for furniture and fixtures, interiors for newly constructed buildings, equipment for the proposed schools, salaries for faculty and non-faculty positions, and various establishment-related expenses. The Committee sought clarification regarding the proposed faculty recruitment, and the same was provided. The budget estimates are presented in Annexure-4.

Resolution: The Committee considered and approved the Budget Estimates for FY 2026-27.

3.6 Consideration of New Financial Proposals

The Committee considered the following proposals:

1. Budget allocation for infrastructure development for the Law College and Hostels.
2. Budget allocation for new benches for the classrooms.
3. Budget allocation for digital equipment for the 3rd year classrooms and new classrooms.
4. Budget approval for the auditorium furniture.
5. Allocation for procurement of equipment for the Physics, Chemistry, Physiotherapy, MLT and Computer Laboratories.

Resolution: The Committee approved the proposed tuition fee structure for the Academic Year 2026-27 as given in Table 1 and approved the continuation of scholarships for meritorious students and those from economically weaker sections for the Academic Year 2026-27 as given in Table 2.

3.8 Discussion on Budget for AICTE IDEA Lab

The Committee discussed the proposed budget for the establishment and operationalization of the AICTE IDEA (Idea Development, Evaluation and Application) Lab. The scheme aims to promote innovation, design thinking, experiential learning, prototyping and interdisciplinary project development among students and faculty.

The Committee noted that AICTE has sanctioned a grant of ₹20 lakhs for the establishment of the IDEA Lab, and that the University is required to sanction and release the remaining ₹30 lakhs to meet the total project cost and facilitate procurement and installation of the necessary equipment and infrastructure.

The Committee further noted that the proposed budget includes expenditure towards advanced equipment and tools, software licenses, fabrication and prototyping facilities, consumables, training and capacity-building programmes, infrastructure development, maintenance, and other activities related to innovation and entrepreneurship.

The Member Secretary presented the detailed budget estimates, proposed expenditure plan, anticipated outcomes, and the alignment of the IDEA Lab with the University's objectives of fostering innovation, research, entrepreneurship and skill development.

Resolution: The Committee approved the budget for the AICTE IDEA Lab, including the release of the University's share of ₹30 lakhs.

3.9 Approval for Submission of Annual Report and Audited Annual Financial Statements for FY 2024-25 to the State Government

The Committee considered the Annual Report and the Audited Annual Financial Statements of the University for the Financial Year 2024-25. It noted that the Annual Report highlights the significant academic, research, administrative, outreach and

institutional development activities undertaken by the University during the year. The Committee also reviewed the Audited Annual Financial Statements, including the Balance Sheet, Income and Expenditure Account, Receipts and Payments Account, and the Independent Auditor's Report.

The Committee noted that submission of these documents to the State Government is a statutory requirement under Sections 40 and 41 of the *Andhra Pradesh Private Universities (Establishment and Regulation) Act, 2016*: Section 40 mandates submission of the Annual Report, while Section 41 requires submission of the Annual Financial Statements together with the Audit Report every financial year.

Resolution: The Committee approved the submission of the Annual Report and the Audited Annual Financial Statements for FY 2024-25 to the State Government under Sections 40 and 41 of the Act.

3.10 Budget Approval for Conducting Boards of Studies and Academic Council Meetings

The Committee considered the proposed budget for conducting the meetings of the Boards of Studies (BoS) and the Academic Council during the academic year. The budget includes expenditure towards honoraria, travel and hospitality for external experts, meeting arrangements, documentation, printing of agenda papers, administrative support and other related expenses necessary for the effective conduct of these statutory academic bodies.

Resolution: The Committee approved the proposed budget for conducting the Boards of Studies and Academic Council meetings.

3.11 Any Other Item with the Permission of the Chair

No other items were raised / Record any additional items and decisions here.

The meeting concluded with closing remarks by the Chairperson, who thanked the members for their participation and valuable contributions. The meeting ended at 12:30 PM with a vote of thanks.

4. Approval for establishing Centres of Excellence and Innovation Hubs.
5. Budget provision for conducting the Annual Day celebrations in January 2026.
6. Budget for acquiring land for the Agricultural College to meet ICAR requirements.
7. Sanction for ICT and digital learning enhancements.

The details of the above proposals were provided in Annexure–6.

Resolution: After thorough deliberation, the Finance Committee resolved to approve all the proposed items and sanctioned the required amount to meet the essential needs of the University for the Financial Year 2025–26.

2.8 Fee structure, scholarships and Fee concessions

The chairman presented before the finance committee that the University was committed to providing high-quality academic infrastructure, modern laboratories, and a well-qualified faculty team while ensuring the sustainability of essential services such as student support, technological upgrades, and research facilities. In view of the recent increase in operational and academic expenses, and to remain competitive with peer institutions in the region, the following tuition fee structure (under university quota) was proposed for the Academic Year 2025-26.

While reviewing the proposed fee structure, the Finance Committee also examined the scholarship expenditure and approved the continuation of scholarships for meritorious students and those from economically weaker sections for the Academic Year 2025-26

The proposed tuition fee is presented in Table 1:

1.1 Introductory remarks of the Chancellor

The Chancellor welcomed all the Members of the Finance Committee to its first meeting. He briefed the members on the developments at the University since its inception.

As this was the first meeting of the Finance Committee, the Chancellor provided a brief about the University. He stated that Annamacharya University was established under the Andhra Pradesh Private Universities (Establishment and Regulation) Act, 2016, as amended by Amendment Act No. 20 of 2024. The University was also established in accordance with G.O. Ms. No. 13 of the Higher Education (UE) Department, dated 13th March 2024, in preparation for the commencement of the academic year 2024–25.

The Chancellor gratefully acknowledged the strong commitment of the State Government, which was clearly demonstrated during the grand inaugural ceremony of the University held on 15th June 2024.

In its very first year, new academic programmes were introduced alongside the existing ones. Construction work is currently underway for a new academic block with a built-up area of 1,36,303 square feet, as well as for extension blocks for the Boys' and Girls' Hostels.

The Chancellor also briefed the Committee members on the financial position of the University. The Committee took note of the University's academic orientation, as well as the formative and long-term plans presented by the Vice Chancellor.

1.2 Financial position of the University

The Chancellor informed the Members that, consequent upon the establishment of the University under the Andhra Pradesh Private Universities (Establishment and Regulation) Act, 2016, as amended by Amendment Act No. 20 of 2024, and in accordance with G.O. Ms. No. 13 of the Higher Education (UE) Department, dated 13th March 2024, an initial sum of ₹40 crores was sanctioned as a development fund by the sponsoring body, Annamacharya Educational Trust.

He further added that during the financial year 2024–25, an additional sum of ₹50 crores was raised through a bank loan to meet the requirements for university buildings and infrastructure.

The Chancellor also expressed satisfaction that the University was able to achieve nearly 100% utilization of the sanctioned funds by the end of the financial year 2024–25.

1.3 Perusal of the Audited Accounts for the year 2023-24

The Committee perused the audited accounts of the University for the financial year 2023–24. The Chancellor informed the Committee that Mr. K. Subbi Reddy, Chartered Accountant, has been appointed as the Finance Officer of the University. Henceforth, the Finance Officer will be responsible for all financial matters and accounts related to the University. He shall submit the account details to the Governing Body for approval.

1.4 Approval of the Finance Committee for the Major financial decisions for the current Financial Year 2024-25

The Chancellor presented the financial figures of the University and outlined the major heads under which expenditures were incurred. The Committee noted that the primary area of expenditure was construction. It also took note of spending under other heads such as library books, laboratory equipment, furniture and fixtures, and the purchase of computers. The Finance Committee approved all major expenses incurred by the University, as detailed in Annexure-1 appended to these minutes.
