Opearting Systems

Kondugolla Bala received the B.Tech. Degree in Electronics and Communication Engineering from JNT University Ananthapur, in 2000 and the M.Tech. degree in Digital electronics and communication systems from Sri Kottam Thulasi Reddy Memorial College of Engineering Kondair, JNTUH, in 2012 and Ph.D. degree in Wireless Communications from Sri Satya Sai University of Technology and medical Sciences in 2021. Currently, he is an Associate Professor at the Department of Electronics and communication Engineering, Annamacharya University. His research interests include wireless communications VLSI, Electronics and Digital Image Processing.

G.Divyavani is Assistant Professor in CSE (AI&ML) department at Bhoj Reddy Engineering College for Women, Hyderabad, India. She received B.Tech degree in Information Technology from Jawaharlal Nehru Technological University, Kakinada in 2011 and M.Tech degree in CSE from Jawaharlal Nehru Technological University, Kakinada in 2015. Areas of interests are Artificial Intelligence and Cloud Computing.

Yantrapati Murali Krishna received B.Tech Degree in Mechanical Engineering from JNT University, Ananthapuramu in 2010 and M.Tech in CAD/CAM from JNT University, Ananthapuramu in 2014. I am working as Assistant Professor in Geethanajali Institute of Science & Technology, Nellore. Mr. Murali having more than 10 years Academic Experience and also done NBA and NAAC Accreditation works. Mr. Murali passionate to learn new technologies in Computer Science and Engineering.

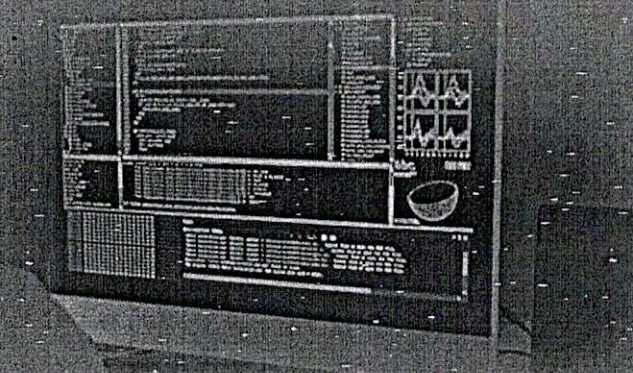

Shaik Nyamathulla received B.Sc. degree from S.V University Tirupati, in 2004, M.Sc. degree in applied mathematics from S.V University Tirupati, in 2008 and the M. Tech. degree in Computer Science Engineering from Osmania University Hyderabad , in 2010 .Currently, he is an Assistant Professor at the Department of Computer Science and Engineering, Annamacharya University. Rajampet.

CONSTITUTION OF INDIA

A Comprehensive Guide for Engineering Students

Dr.Kasigari Prasad
N.Kalyani
K.Varshini
P.Venakata Deepthi

ABOUT AUTHORS

Dr. Kasigari Prasad, presently working as Associate Professor of Electronics and Communication Engineering Department, in Annamacharya Institute of Technology & Sciences (Autonomous), one of the reputed technical institutions in Andhra Pradesh, India. He had received his B.Tech in Electronics and Communication Engineering from JNTU Hyderabad, and M.Tech from JNTU Anantapuramu. He had completed his PhD in Electronics and Communications – on Antenna Design topic from Sri Satya Sai University of Technology & Medical Sciences, Sehore, Madya Pradesh, India. He has fifteen years of experience in Teaching, Mentoring, Academic Counselling and administration. With passion towards technical education and right styles of education, learning and living, he acquired thorough understanding of the subject knowledge in various domains like Master of Arts in Political Science, Literature, Master of Business Administration, PG Diploma in Journalism & Mass Communication, PG Diploma in Personality development. He has published good number of research papers in various subjects like Antennas and wave propagation, microwave engineering, Electromagnetic waves and transmission lines, optical fiber communication, Satellite communications. In addition to this, he had organized and delivered ample number of invited talks, Guest Lectures, seminars and workshops on Engineering, Technology, Science, Motivation talks, Personality development talks in numerous Engineering colleges, schools and other Institutions across India. For his continuous passionate services towards Education and Engineering he received Best Educators Award, Best Engineers Award, International Young Investigators Award and The Jewel of Rajampet Award. He had published book on Good handwriting Skills named- Graphology and another book on Education and Youth in the name Revolution – Realization at levels for better society.

N. Kalyani is an enthuasitic edupreneur the founder director of Kasigari School of Lifeskills, Rajampet. Her passion is to deliever value based and skill oriented education the young minds in order to build a strong and proporous nation. She has inspired numerous students in learning lifeskills and personal growth.

K.Varshini

K.Varshini & P. Vanakata Deepthi were an outstanding students from Annamacharya University, New Boyanapalli, Rajmapet. Out of passion and motivation towards learning and doing something new, we under the guidance of our Teachers and learning support from Annamacharya University, participating in these type of creative ideas.We are very much thankful to Dr.kasigari Prasad sir, our mentor and guiding spirit in publishing this Book.

Kondugolla Bala received the B.Tech. degree in electronics and communication engineering from JNT University Ananthapur, in 2000 and the M.Tech. degree in Digital electronics and communication systems from Sri Kottam Thulasi Reddy Memorial College of Engineering Kondair,JNTUH , in 2012 and Ph.D. degree in Wireless Communications from Sri Satya Sai University of Technology and medical Sciences in 2021. Currently, he is an Associate Professor at theDepartment of Electronics and communication Engineering, Annnmacharya University. His research interests include wireless communications VLSI ,electronics and Digital Image Processing.He can be contacted at **email:**kbalu443@gmail.com

Varugu Ramesh Babu is Associate Professor in Computer Science and Engineering at Annamacharya Institute of Technology & Sciences, Hyderabad, India. He received B.Tech degree in Computer Science and Engineering from Lakireddy Balreddy College of Engineering, Andhra Pradesh, India in 2006 and M.Tech degree in Information Technology from Gurunanak Engineering College, Hyderabad, India in 2010.Currently pursuing Ph.D. from Bharatiya Engineering Science and Technology Innovation University, Andhra Pradesh, India .Areas of interests are Artificial Intelligence and Cloud computing

G.Divyavani is Associate Professor in CSE (AI&ML) department at Bhoj Reddy Engineering College for Women, Hyderabad, India. She received B.Tech degree in Information Technology from Jawaharlal Nehru Technological University, Kakinada in 2011 and M.Tech degree in CSE from Jawaharlal Nehru Technological University, Kakinada in 2015.Currently pursuing Ph.D. from Visvesvaraya Technological University, Belagavi, Karnataka .Areas of interests are Artificial Intelligence and Cloud Computing.

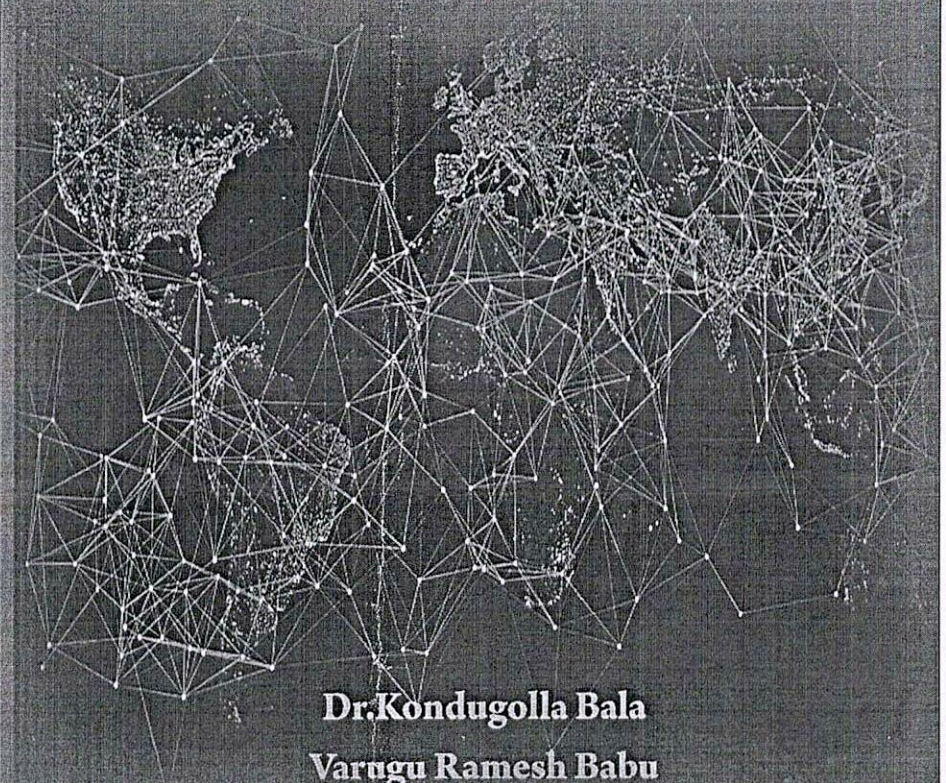

Dr.Ashok Kumar Konduru is Associate Professor in Electronics and Communication Engineering at Bhoj Reddy Engineering College for Women, Hyderabad, India. He received B.Tech degree in Electronics and Communication Engineering from Jawaharlal Nehru Technological University, Hyderabad in 2002, M.Tech degree from Bharath University, Chennai in 2005 and Ph.D from Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Avadi, Chennai in 2024. Areas of interests are Artificial Intelligence, signal and Image processing.

Internet of Things (IOT) Systems

Kondugolla Bala received the B.Tech. degree in electronics and communication engineering from JNT University Ananthapur, in 2000 and the M.Tech. degree in Digital electronics and communication systems from Sri Kottam Thulasi Reddy Memorial College of Engineering Kondair,JNTUH,in 2012 and Ph.D. degree in Wireless Communications from Sri Satya Sai University of Technology and medical Sciences in 2021. Currently, he is an Associate Professor at the Department of Electronics and communication Engineering, Annnmacharya University. His research interests include wireless communications VLSI, Electronics and Digital Image Processing.

G.Divyavani is Assistant Professor in CSE (AI&ML) department at Annamacharya Institute Of Technology And Sciences, Hyderabad, India. She received B.Tech degree in Information Technology from Jawaharlal Nehru Technological University, Kakinada in 2011 and M.Tech degree in CSE from Jawaharlal Nehru Technological University, Kakinada in 2015.Currently pursuing Ph.D. from Visvesvaraya Technological University, Belagavi, Karnataka . Areas of interests are Artificial Intelligence and Cloud Computing.

Dr.U.Narender is Associate Professor in ELECTRICAL AND ELECTRONICSENGINEERING at ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES, Hyderabad, India. He has received his Ph.D. in Electrical Engineering from JJTU University in 2021 and M. Tech in power Electronics from CMR college of Engineering & Technology in 2010 and B. Tech in Electrical and Electronics Engineering from Sindhura Institute of Engineering & Technology in 2006.Areas of interests are WOT (WEB of things), Artificial Intelligence, Cloud computing, Power Electronics, Control Systems, power systems and Electrical machines.

Dr. N Penchalaiah is Associate Professor In Artificial Intelligence and Machine Learning at Annamacharya University, Rajampet, Andhra Pradesh, India. He received B.Tech degree in Computer Science and Engineering from Annamacharya Institute of Technology and sciences, Rajampet, Andhra Pradesh in 2009 and M.Tech degree in Computer Science and Engineering from S V College of Engineering, Hyderabad in 2014. Ph.D. from University of Technology, Jaipur in 2021. Areas of interests are Internet of Things, Artificial Intelligence, Image Processing, Big Data and Cloud computing.

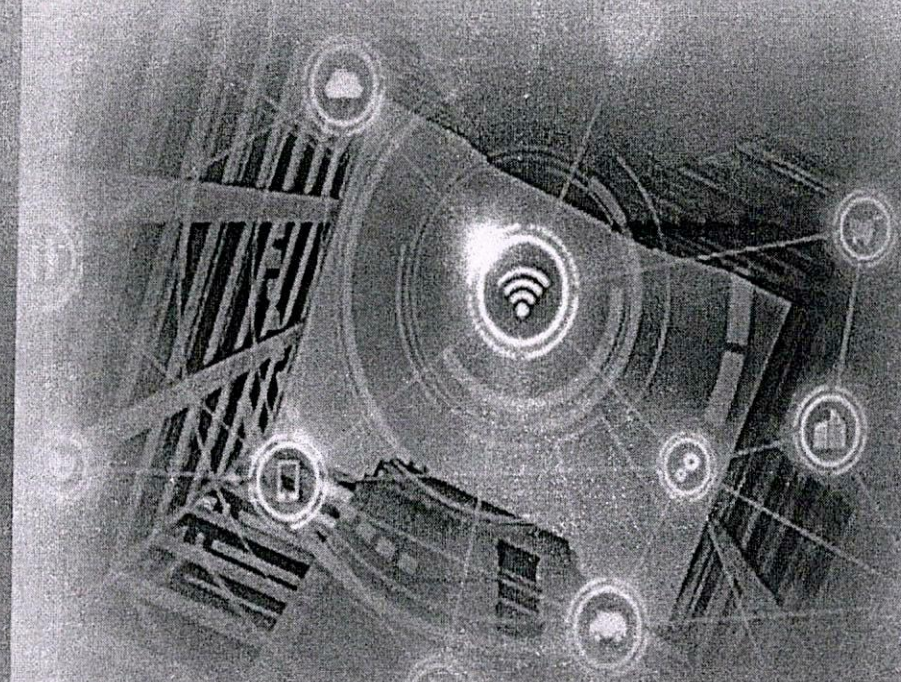

P. Balachennaiah received the B.Tech. Degree in Electrical and Electronics Engineering from JNTU college of Engineering, Anantapur, India, in 1998. He received M.Tech. Degree in 2007 from JNTU college of Engineering, Kukatpalli, Hyderabad, India, in the field of Electrical Power Engineering. He has completed PHD degree in the year 2017 from JNTU Ananthapuramu. He is presently working as Associate Professor in the Department of Electrical and Electronics Engineering, AITS, Rajampet His research interests are multi-agent systems, microgrid and smart grid energy management systems, electricity markets, renewable energy resource, Energy conservation, energy efficiency, energy storage systems, IoT, optimization techniques, artificial Intelligence and cyber security. He has published several research papers in various conferences and journals.

Machine Learning

Dr.Kondagulla Bala received the B.Tech. degree in electronics and communication engineering from JNT University Anantapur, in 2000 and the M.Tech. degree in Digital electronics and communication systems from Sri Kottam Thulasi Reddy Memorial College of Engineering Kondair, JNTUH, in 2012 and Ph.D. degree in Wireless Communications from Sri Satya Sai University of Technology and medical Sciences in 2021. Currently, he is an Associate Professor at the Department of Computer Science and Engineering, Annamacharya University, Rajampet. His research interests include wireless communications VLSI, electronics and Digital Image Processing

Dr.D.Venu received B. Tech. degree in Electronics and Communication Engineering from Jawaharlal Nehru Technological University, Hyderabad in 2005 and M. Tech. Degree in Embedded Systems in 2009 from Jawaharlal Nehru Technological University Hyderabad. He obtained Ph.D. in ECE (Radar Signal Processing) from Osmania University, Hyderabad, Telangana. He is working as Senior Assistant Professor in the department of ECE, Kakatiya Institute of Technology and Science, Warangal. His research interests are Image Processing, signal processing, data processing, and data science, Machine Learning and IoT.

Dr.P.Changamma is Assistant Professor in Computer Science and Engineering at Annamacharya University, Rajampet, Andhra Pradesh, India. She received B.Tech degree in Computer Science and Engineering from Sri Annamacharya Institute of Technology and sciences, Rajampet, Andhra Pradesh in 2012 and M.Tech degree in Computer Science and Engineering from Sri Annamacharya Institute of Technology and sciences,Rajampet, Andhra Pradesh in 2015. Ph.D.in Computer Science and Engineering in from J.S. University, Shikohabad, Firozabad, UttarPradesh in 2024. Areas of interests are Machine Learning, Artificial Intelligence, Image Processing, Big Data and Cloud computing.

K.Keerthi Naidu is an Assistant Professor in Computer Science and Engineering at Annamacharya University, Rajampet, Andhra Pradesh, India. She received B.Tech degree in Computer Science and Engineering from Audisankara College of Engineering and Technology, Gudur, Andhra Pradesh in 2012 and M.Tech degree in Computer Science and Engineering from Geethanjali Institute of Science and Technology, Nellore in 2015. Pursuing Ph.D. from Annamacharya University, Rajampet. Areas of interests are Machine Learning, Artificial Intelligence, Deep Learning, Image Processing.
